Secret Code Donald Alexander,2020-02-18 Theories of evolution origin of the Universe and deep time have led many
scientists like my former self to conclude that Creation is just a chance sequence of events that can ultimately be explained
by natural laws I was skeptical and even tried to disprove God s existence until I found a Secret Code embedded in the
Scriptures This code provides undeniable evidence of God based upon event sequences in the lives of a Great Cloud of
Witnesses like Joseph Samson David Jonah Elisha Moses and Joshua By unlocking the Earthly Sanctuary pattern given to
Moses I ve found that it reveals events of the Exodus from Egypt to the Promised Land which even applies to Spiritual Israel
today The veil to the Holy Place aligns with the Exodus opening of the Red Sea And the veil to the Holiest Place points to the
opening of the Jordan where we now stand waiting to cross at the End of Time The code reveals probabilities of the existence
of God far greater than finding an atom in Planet Earth by chance **The Secret Life of God** Rabbi David

Aaron,2005-07-12 How much does our perception of God really matter Many of us aren t conscious of our image of a higher
power For some of us that unspoken image is a Judgmental Parent or an exacting Old Man in the Sky For others God is an
Imaginary Friend who is there to fix problems after we create them David Aaron can help you discover a mature new
understanding of God and lead you to discover the wellspring of Divinity within you By drawing on teachings of Kabbalah
that were secret for millennia he helps you to reclaim the power you ve given away to negative images of God or passive
images of yourself These mystical secrets of Judaism can offer reassuring guidance meaning and purpose to the lives of
people of all faiths In the journey to discovering God s secret life you will Awaken to your life s deepest purpose Delight in a
deeper connection to your true inner self God and others Learn to experience God s infinite love for you Rise to new heights
cope with challenges and make courageous choices Achieve true peace of mind and freedom from anxiety Aaron shares these
profound ancient teachings in simple everyday language with a touch of wit and humor Rich in personal stories and
anecdotes his examples from daily life help us tap the transformational power hidden within and illuminate the surprising
paradoxes of spiritual growth Awakened to finally experience a personal connection to God we are at last able to receive God
s love unconditionally and discover our ultimate identity divine purpose and true happiness **Finding God'S Secret Place**
Dr. Akeam Amoniphis Simmons,2017-09-12 Finding Gods Secret Place affords us the ability to journey into that place that
King David described in Psalm 91 He shows us how to cast off our cares unto him and start living a life of more than
conquerors Finding Gods Secret Place helps us truly become the children of the Most High God and teaches us how to

embrace our truly godly identity **The Secrets God Kept** John Van Diest, Alton Gansky, 2005 God does keep secrets Even great heroes of faith like Abraham Moses and the Old Testament prophets faced mysteries about God and his kingdom Understanding God's plans is like watching a train emerge from a tunnel you can see the cars that have emerged and get a sense of where the train is going but you can't see the cars still in the tunnel While many details of God's revelation train are still shrouded secrets hidden for centuries are now revealed to us John Van Diest and Alton Gansky help us see and understand these secrets which are hiding in plain sight in the words of Jesus and throughout the Bible *The Genesis of Revelation* Aerik Vondenburg, 2012-03-18 According to Jesus the primary underlying message of his teachings was hidden from those who were not ready to know the truth Mark 4:22 and Luke 19:42 This special knowledge is related to what is referred to in the Old Testament as the secret things of the Lord Deuteronomy 29:29 Until now the sacred secrets of the kingdom of God Luke 8:10 Matthew 13:11 have never been made public to the world However clues left to us in the writings of the ancient Gnostic Christians as well as the Bible itself have made it possible to understand and reveal these incredible hidden matters for the first time in the modern era The result will shake the very foundations of Judeo Christianity What the ground breaking findings reveal is that almost everything that the world knows about the Bible were formulated by men who did not understand the true underlying history and teachings of God and Jesus What the findings reveal is that almost everything that the world knows about God Jesus and the Bible is wrong *The Mysteries of God Revealed* Roy Dixon, 2010-07-27 This Book of Redemption is God's master plan to redeem his children back from the fall of sin caused by the serpent Satan in the beginning Satan has deceived the whole world with his lies and has caused the people to sin against their creator This book will reveal that Jesus is both Lord and Christ Father Son and Holy Ghost in One PERSON manifested in flesh and existed from eternity past to eternity future and that He is Supreme not God in three persons blessed trinity but One God One Person who created the heavens and the earth in the beginning with three major titles with three Dispensations manifesting those titles *Power of Samson: Guardian of God's Secret Code* Donald Alexander, 2020-02-07 Initially setting out to disprove God's existence a scientist stumbles upon mysterious Biblical codes and patterns that point to God's fingerprint Through his personal testimony he proves that these incredible discoveries reveal undeniable reproducible objective evidence that God Exists 52 embedded associations connect Samson to Jesus in the same order in just 96 verses in the Book of Judges The probability of this happening by chance is smaller than finding a single atom on Planet Earth by chance Yet numerous other code sequences are also embedded in the lives of a Great Cloud of Witnesses including Joseph Samson David Jonah Elisha Moses and Joshua in the same order as those in the life of Christ How could numerous independent authors have known about the steps of Christ in such detail hundreds to over a thousand years in advance The Author behind these accounts somehow can see events in the distant future How can this be Could He be the Omniscient One called God **The God of Jesus Christ** Walter Kasper, 2012-03-01 Kasper is a master synthesiser and his display of

erudition alone makes this book a worthy read and an invaluable resource for questions of God and Trinity Using admittedly polemical language he calls for a theological theology which makes the explanation of the confession of the triune God its first priority not only for speculative but also for pastoral reasons This is the reissue of a theological work of considerable importance for which Cardinal Kasper has written an entirely new introduction taking modern developments in theology fully into account
