God's Endgame for Planet Earth Derek Mailhiot, 101-01-01 The Second Coming of Jesus Christ will be the most spectacular event in human history In God s Endgame for Planet Earth the events which precede accompany and come after the Second Coming are thoroughly examined in easy to understand plain language Learn what the Bible actually says about the end time events Who are the Antichrist the False Prophet and the Kings from the East Who are the Two Witnesses and the 144 000 What happens during the Great Tribulation When does the Rapture happen In the aftermath of the Battle of Armageddon Jesus returns as the Warrior Messiah to rule the nations for 1 000 years Jesus finds a world which has been devastated by war famine and disease in utter economic and environmental chaos He literally returns to save mankind from extinction and will rule by force to end war injustice and poverty But the nations ultimately reject Christ s rule and wage war against Him in the infamous Battle of Gog and Magog So is the Millennium really a time of peace and prosperity predicted by so many What really happens during the

Millennium What is the purpose of the Millennium And do God s people really spend eternity in Heaven or do they spend eternity on earth in New Jerusalem as the book of Revelation predicts **THE WISE WACKY WONDERFUL WORD OF GOD** Derek Mailhiot,101-01-01 Delve deep into the Bible and explore it in a fresh new way The Wise Wacky Wonderful Word of God provides meaningful and relevant answers for all those who cherish the Bible but are troubled by the ethical dilemmas errors and inconsistencies in Scripture Derek also provides clarity and understanding if you are confused by the plethora of conflicting Christian doctrines about heaven hell fate and the end times Why does a God who is good allow evil pain and suffering Did God create Satan and demons Which is true free will or predestination Does everyone have a guardian angel Is Jesus really God According to God s Word what is the meaning of life Can a Christian today who believes that the Bible is God s inspired Word and His special revelation to us also hold a modern scientific worldview without being labelled a heretic Can a Christian believe the Big Bang is the way in which God created the universe and also believe it happened billions of years ago Can a Christian believe Evolutionary Creationism a doctrine that asserts the way in which God created life was by an evolutionary process Do the Rapture Armageddon and Apocalypse really happen Is the Antichrist a real person What is the purpose of the Millennium when Christ returns to earth and rules all the nations from Jerusalem for 1 000 years Why does the Bible say God s people live in New Jerusalem on earth after the Millennium for eternity don t believers live in heaven If hell is a literal place then why is it called the Second Death eternal death twice in the Bible And what do God s people do during eternity anyway To get to the heart of the Bible s meaning one must determine the plain meaning of the text the meaning which the original author intended When reading the Bible one must be very careful not to take verses out of context and apply them to one s own predetermined set of beliefs We simply cannot make the Bible mean anything that pleases us and then give the Holy Spirit the credit for it So get ready to take a comprehensive and fascinating journey through Scripture The End Times Simplified Jc Alexander,2003-07 **Shifting Shadows** B.
