Licauco,2017-12-02 Reading this book requires an open and questioning mind not a mind that has already accepted just one answer I for one have benefited greatly by reading his words and listening to his lectures From the foreword by Sir Jason Winters KGSJ Licauco in this book boldly discourses topics that might be unconventional for most people but very thought provoking Such topics might be disturbing but they will satiate the intellectually curious and those who don't settle only in a single point of view **On Behalf of the Mystical Fool** John P. Dourley,2009-09-30 Jung's explanation of the religious tendency of the psyche addresses many sides of the contemporary debate on religion and the role that it has in individual and social life This book discusses the emergence of a new mythic consciousness and details ways in which this consciousness supersedes traditional concepts of religion to provide a spirituality of more universal inclusion On Behalf of the Mystical Fool examines Jung's critique of traditional western religion demonstrating the negative consequences of religious and political collective unconsciousness and their consequent social irresponsibility in today's culture The book concludes by suggesting that a new religiosity and spirituality is currently emerging in the West based on the individual's access to the sense of ultimacy residual in the psyche and seeking expression in a myth of a much wider compass This book will be of interest to scholars and students at all levels who are engaged in the expanding field of Jungian studies It will also be key reading for anyone interested in the theoretical and therapeutic connections between the psyche and religious experience **Show Me**

Your Glory Rebecca G. S. Idestrom,2023-02-10 What does Scripture mean when it speaks of the glory of God The answer to this question is not as straightforward as we might think In Show Me Your Glory Rebecca Idestrom invites the reader on a journey to discover what the Old Testament teaches us about God's glory While exploring this biblical theme she examines various scriptural passages about the glory of the LORD within their larger narrative context in each biblical book She also considers the different key words used for glory as well as the many diverse images and themes connected to God's glory This thematic investigation demonstrates that the Old Testament Scriptures present a deeply profound and multifaceted portrait of the glory of God Although it is impossible to fully capture what the Bible says about God's majestic glory Show Me Your Glory yields many wonderful insights into its depiction meaning and significance resulting in a deep and rich biblical theology of divine glory **Weekly World News** ,1989-04-04 Rooted in the creative success of over 30 years of

supermarket tabloid publishing the Weekly World News has been the world's only reliable news source since 1979 The online hub www.weeklyworldnews.com is a leading entertainment news site **Theo-Drama** Hans Urs Von Balthasar,2013-07-22 Having presented his christology and mariology under the sign of the Dramatis Personae in volume three of Theo Drama von Balthasar now turns to the action of the divine drama itself Here we find his soteriology where time freedom history power sin conflict are seen in the light of the Cross the culmination of the action and passion of God and man As Balthasar

expresses it in the conclusion to his preface here we discern the unity of glory and the dramatic God's glory as it appears in the world supremely in Christ is not something static that could be observed by a neutral investigator It manifests itself only through the personal involvement whereby God himself comes forth to do battle and is both victor and vanquished If this glory is to come within our range at all an analogous initiative is called for on our part Revelation is a battlefield Those who do battle on it can only be believers and theologians provided they have equipped themselves with the whole armor of God Eph 6 11

Her Gates Will Never Be Shut Brad Jersak, 2010-01-01 Everlasting hell and divine judgment a lake of fire and brimstone these mainstays of evangelical tradition have come under fire once again in recent decades Would the God of love revealed by Jesus really consign the vast majority of humankind to a destiny of eternal conscious torment Is divine mercy bound by the demands of justice How can anyone presume to know who is saved from the flames and who is not Reacting to presumptions in like manner others write off the fiery images of final judgment altogether If there is a God who loves us then surely all are welcome into the heavenly kingdom regardless of their beliefs or behaviors in this life Yet given the sheer volume of threat rhetoric in the Scriptures and the wickedness manifest in human history the pop universalism of our day sounds more like denial than hope Mercy triumphs over judgment it does not skirt it Her Gates Will Never Be Shut endeavors to reconsider what the Bible and the Church have actually said about hell and hope noting a breadth of real possibilities that undermines every presumption The polyphony of perspectives on hell and hope offered by

the prophets apostles and Jesus humble our obsessive need to harmonize every text into a neat theological system But they open the door to the eternal hope found in Revelation 21 22 the City whose gates will never be shut where the Spirit and Bride perpetually invite the thirsty who are outside the city to Come drink of the waters of life
