Echoes of the Last Horizon Finnegan Jones, 2024-09-18 In a universe where secrets are buried deep within the stars *Echoes of the Last Horizon* unravels a tale of mystery adventure and cosmic intrigue When renowned archaeologist Dr Elara Quinn discovers an ancient artifact with the power to unlock the secrets of the cosmos she embarks on a perilous journey across galaxies Alongside a diverse crew of explorers Elara faces treacherous alien landscapes hidden civilizations and a shadowy organization bent on harnessing the artifact's power for their own sinister purposes As they piece together clues from ancient texts and cosmic phenomena the team must confront their own pasts and the very fabric of reality Will they unlock the secrets of the Cosmic Key before it falls into the wrong hands **Jehovah's Witnesses - The Bible Report** Able.B.Man., 2008-05-04 Provides convincing evidence that the end time prophecies found in the Holy Bible are indeed being fulfilled through the Jehovah's Witnesses and the Watchtower Bible and Tract Society It proves this really is the kingdom that Jesus Christ and his Apostles spoke about in the New Testament In the first century the city of Jerusalem was corrupted and its temple profaned This book builds an overwhelming number of evidences proving the same thing has now happened in our modern history After reading this book the man of lawlessness will be revealed and the disgusting thing will be seen entering the holy place The new kingdom has been corrupted and the sanctuary of THE God profaned God's actual name Jehovah has been defamed in a truly reprehensible manner This book should help concerned family members help their own families and loved ones to now obey Jesus Christ's admonishment flee to the mountains and let those in the midst of her withdraw Luke 21:21 *The Love that Will Not Let You Go* Paul Douglas Heidt, 2015-05-04 This book is an alternative to what passes for Christianity in movies television videos novels political campaigns and sadly in many churches It is for Christians people of other faiths and people of no faiths It is for those who have given up on religion and those with secret doubts about concepts and biblical narratives most Christians seem to believe easily Douglas Heidt contends that traditional Christian theology deals primarily with intellectual conclusions and emotion leaving seekers with the idea that if they believe certain propositions and love God they will lead safe happy lives and go to heaven when they die But this book argues that

Jesus didn't teach a theological or ecclesiastical system. By his words and life he simply revealed a way to live the way God created life to be lived: the life of sacrificial, eternal, universal love, kindness, forgiveness, justice, and compassion. Life's goal is not to believe certain things and go to heaven. Life's goal is to love your neighbor. This uncomplicated assertion has crucial implications for the church: how we understand the Bible, the Christian story, and the Christian life, and its conclusion. It presents ideas that may be challenging and describes how being Christian is not what you think it is, what you do.

The Time Is Near Ian Foley, 2016-05-31. *The Time Is Near* is the second and final volume of a paired set that builds upon the foundations laid in the first volume to offer a comprehensive and systematic interpretation and explanation of the final book of the Bible, Revelation. The author, Ian Foley, summarizes the findings of the first volume before turning to an exploration of this often misunderstood biblical book. This volume explains how two books of apocalyptic literature, Daniel and Revelation, have similar structures, display similar styles of writing, and offer seamlessly connecting content. The benefit of this comparison comes in recognizing that the ambiguities and confusions of meaning that typically accompany readings of Revelation fade away. The reader then receives a clear view of a complete prophetic picture of God's plan for his world, stretching from 605 BC to the end of this age and beyond. In its thirty-two parts, *The Time Is Near* presents concise statements of position that begin with Daniel, dwell on Jesus and Paul, and then focus primarily on Revelation. By offering this overall summary of a clear word of prophecy and by supporting it with immersion in the Bible and reflection on historical events, *The Time Is Near* invites readers' reflection and testing. In a time in which the worldwide church faces great challenges, *The Time Is Near* speaks clearly of refreshingly new insights that will help Christians to face those challenges and to resolve their uncertainties about the meaning of Revelation for this world and the next.
