Tse, 2024-12-12 Timothy B Tse argues that while John uses language drawn from the Hebrew Bible's descriptions of YHWH's dwelling place scholarship has overlooked the importance of his spatial transformation of that language Tse thus uses theories relating to Relevance Resistance Theory Critical Space Theory and Conceptual Metaphor to demonstrate that a significant part of John s apocalyptic strategy of resistance is to represent his vision to his audience spatially so that they can experience a divinely ordained alternative to the world in which they live Tse first demonstrates John's attempts to relegate his audience's experience of space to his own revelation John's description of the visionary world creates the metaphors the earth is a Sanctuary and the Saints are its priests Tse argues that under this view life on earth must be evaluated according to the concerns of the Sanctuary which by definition requires the removal of everything impure and the Saints namely all Christians in both the historic and visionary worlds must take priestly responsibility for the earth John therefore portrays the Saints joining in the removal of all impurity upon the earth by fighting as priests in God and the Lamb s war against Satan Babylon and all her impurities Tse concludes that overall John means to realign the church's experience of space so that they understand themselves as priests of the Sanctuary and live according to that reality Revelation M Eugene Boring,

Revelation's Hymns Steven Grabiner,2015-02-26 Revelation s Hymns examines the hymnic pericopes in Revelation in light of the cosmic conflict theme It considers this theme as integral to the development of Revelation s plot Recognizing that critical studies give interpretative primacy to the political realities that existed at the time of Revelation s composition

Grabiner responds to the need for an examination of the storyline from the perspective of issues that are of narrative importance Grabiner argues that the cosmic conflict is at the centre of the book s concerns and attempts to determine the function of the hymns with respect to this Previous examinations of the hymns have considered them as a response and or parody to Roman liturgy examples of God's unquestioned sovereignty or expressions of thematic overtones found throughout the book While these approaches make a contribution to a greater understanding of the hymns the relation to the ever present conflict theme has not been explored This study allows the hymnic sections to engage with the larger narrative issue as to who is truly the rightful sovereign of the universe Section 17 Wisdom from Above: Hebrews Randall Kent Maxwell,2020-03-11 The letter to the Hebrews was written in about 68AD to Jewish Christians who needed to overcome the Gnostic doctrine of men In 2 years the mystery of the Gospel would be understood the Hidden manna fed The revelation that Christ has all authority in heaven and on earth would be impossible for humanity to deny The day of the Lord or the thousand years of the Kingdom of Heaven would be there Heb 10 25 and Christ would be identified to all humanity as the Lord of the Sabbath It would be time for Christians to have their Sabbath rest This thousand year age is broken up into two ages the first being 300 years and the later 700 years beginning anew in 2020 AD Eph 2 6 7 So for six thousand years the world was being prepared for its rest in the one thousand year Sabbath or the Kingdom of Heaven Revelations of a Single Woman Connally Gilliam, 2014-12-05 Turning our culture's Sex in the City worldview completely upside down Revelations of a Single Woman celebrates God's enticing life giving promises even when life takes you down a path you didn't plan for Connally Gilliam explores what it means to live in a world for which her mother never could have prepared her Through this collection of thoughtful honest and humorous memoirs the author delves into what it really means to be the remainder in a world that caters to couples and what it means to be the one who lives out moral values that her peers think died in the sixties As readers walk with Connally through each humorous and poignant experience they will discover that God doesn t promise happiness somewhere in the future but abundant life in the here and now **Evoking Scripture** Steve Moyise, 2008-07-22 Using individual text as case studies Steve carefully explores how embedded jewish scripture texts in the new Testament have been variously interpreted in modern scholarship from back cover A Feminist Companion to the Apocalypse of John Amy-Jill Levine, Maria Mayo Robbins, 2010-07-05 An examination of New Testament Apocalyptic literature through the categories of post colonial thought deconstruction ethics Roman social discourse masculinisation virginity and violence

Revelation Ben Witherington, 2003 Table of contents **Exploring Intertextuality** B. J. Oropeza, Steve Moyise, 2016-09-20 This book aims to provide advanced students of biblical studies seminarians and academicians with a variety of intertextual strategies to New Testament interpretation Each chapter is written by a New Testament scholar who provides an established or avant garde strategy in which 1 The authors in their respective chapters start with an explanation of the particular intertextual approach they use Important terms and concepts relevant to the approach are defined and

scholarly proponents or precursors are discussed 2 The authors use their respective intertextual strategy on a sample text or texts from the New Testament whether from the Gospels Acts Pauline epistles Disputed Pauline epistles General epistles or Revelation 3 The authors show how their approach enlightens or otherwise brings the text into sharper relief 4 They end with recommended readings for further study on the respective intertextual approach This book is unique in providing a variety of strategies related to biblical interpretation through the lens of intertextuality Daniel and Revelation Unsealed Mark Shipowick, 2020-08-30 God through the prophet Amos has promised humanity that He will reveal himself and his Providences in human history All of the important events in the history of mankind from the fall of Adam to the close of time have been laid out for us in the prophecies of scripture Regarding the future God's promise to us is Surely the Lord GOD will do nothing but he revealeth his secret unto his servants the prophets Amos 3 7 The books of Daniel and Revelation are one prophecy but given in two parts The two books describe events from the time of ancient Babylon to the return of Christ Daniel was commanded to seal the meaning of his prophecies so that they would only be understood fully at the time of the end Daniel 12 9 Six hundred years later the Apostle John was shown the end of time when the mysteries of Daniel were to be unsealed for the final generation Rev 4 1 After this I looked and behold a door was opened in heaven and the first voice which I heard was as it were of a trumpet talking with me which said Come up hither and I will shew thee things which must be hereafter Rev 4 2 And immediately I was in the spirit and behold a throne was set in heaven and one sat on the throne Rev 5 1 And I saw in the right hand of him that sat on the throne a book written within and on the backside sealed with seven seals Rev 5 2 And I saw a strong angel proclaiming with a loud voice Who is worthy to open the book and to loose the seals thereof Rev 5 3 And no man in heaven nor in earth neither under the earth was able to open the book neither to look thereon Rev 5 4 And I wept much because no man was found worthy to open and to read the book neither to look thereon Rev 5 5 And one of the elders saith unto me Weep not behold the Lion of the tribe of Juda the Root of David hath prevailed to open the book and to loose the seven seals thereof The above verses foretell a time when God will send a strong angel to earth to awaken a widespread interest in the prophecies by proclaiming in a loud voice Who is worthy to open them In our unprecedented times of global civil unrest pandemic disasters and looming New World Order humanity is primed now by the question of the angel Like no other time in history mankind waits for the answer with baited breath This itself is the strongest evidence that the divine answer is about to be given God will it clear that no intelligent being mortal or immortal is qualified to reveal the future except the Lion of Judah Jesus Christ as He breaks and fulfills them one by one Since global condition indicate that time is here this document combines Daniel and Revelation together and cross references them for easy reference In the cross references D stands for Daniel and R for Reveltion The goal is to help make the application of the prophecies plain even as they unfold before our eyes To make the best use of it first read the book of Revelation through in one sitting it is short to get an overview As you read notice that the scenes alternate between scenes in the heavenly temple where Christ performs

his final atonement and scenes on earth And in all of the study of scripture the primary question the student should especially be asking is what does the Lord want us personally to do with this information in terms of how we should live and be effective servants and witnesses for him There is a study supplement on some of the main themes contained in these books also available on Amazon called Daniel and Revelation Unsealed A Study Supplement This is intended as an aid but has not been included here to underline the point that Daniel and Revelation themselves should be the main focus of study because these are the books that have heaven s emphatic endorsement for our times No other scripture promises such a rich blessing to the sincere student There is no surer end time road map The NIV Application Commentary on the Bible: One-Volume Edition Zondervan, 2024-08-27 THE AWARD WINNING COMMENTARY SERIES THAT BRINGS THE ANCIENT MESSAGE OF THE BIBLE INTO YOUR WORLD Over 2 million copies sold The NIV Application Commentary on the Bible is a masterful blend of content written by today s top academics in a way that is compelling and easy to understand for anyone no formal training or seminary degree required This one volume commentary is intended both for personal study and for teaching preparation Concise commentary and background help the reader understand the original meaning of the biblical text in its historical literary and cultural context Clear explanations make it easy to understand matters related to grammar and the meaning of biblical words While most commentaries stop there the unique format of The NIV Application Commentary on the Bible provides a bridge from the world of the Bible to our lives today guiding the reader to powerfully apply the biblical message to contemporary situations problems and questions Compassionate Eschatology Ted Grimsrud, Michael Hardin, 2011-06-01 Do eschatology and peace go together Is eschatology mostly about retribution and fear or compassion and hope Compassionate Eschatology brings together a group of international scholars representing a wide range of Christian traditions to address these questions Together they make the case that Christianity's teaching about the end times should and can center on Jesus s message of peace and reconciliation Offering a peace oriented reading of the Book of Revelation and other biblical materials relevant to Christian eschatology this book breaks new ground in its consistent message that compassion not retribution stands at the heart of the doctrine of the last things Besides its creative treatment of biblical materials Compassionate Eschatology also makes a distinctive contribution in how several essays engage the thought of Rene Girard and his mimetic theory Girard s project is shown to reinforce the biblical message of eschatological peace Did it. Really Happen? Jonathan A. Wood, 2019-09-04 The Bible makes remarkable claims about people and events in world history Creation Adam and Eve Israel's escape from Egypt the rise and fall of Israel's kingdom the birth of the Messiah Jesus Christ's life death and resurrection the growth of the church all points of interest by scholars for the historical veracity of the Scriptures Yet the Bible does not appear to present the acts of God in history for the purpose of vindicating historical accuracy of the text The Bible is a story that reveals the living God through inspired writings that communicate the meaning of historical events In light of the Bible as the revelation of God and the high stakes of historical veracity for the claims of the

Bible how should Christians approach the interpretation of the Scriptures in a faithful way Carl F H Henry offers guidance as a foremost theologian regarding God revelation and the Scriptures In Did it Really Happen Jonathan Wood engages the thought of Carl Henry in dialogue with the major alternatives to revelation history and the biblical text The value of Carl Henry s approach is shown to provide a path forward for affirming the historicity of the Bible while interpreting the text well

Let the Reader Understand Edwin K. Broadhead, 2018-03-22 This book honors the extraordinary contribution of Elizabeth Struthers Malbon to biblical studies In the opening chapter Werner Kelber places Malbon s work within the larger context of critical reflection from antiquity to the modern era on the role and function of discourse Kelber locates Malbon s approach squarely within the framework of modernity and concludes that her supremely creative achievement has been the employment of modern narrative critical tools with a view toward uncovering the fecundity of the gospel of Mark Drawing from and conversing with Professor Malbon's extensive publications each of the five sections engages a theme from her works focusing particularly on the Gospel of Mark This tribute includes meaning as narrative issues in methodology studies in characterization narrative readings of specific texts and aesthetic and political readings Contributors include Werner H Kelber R Alan Culpepper Kelly R Iverson Mikeal C Parsons David Barr David J A Clines Robert C Tannehill J Cheryl Exum Heidi Hornik and Richard Walsh The Rainbow, a magazine of Christian literature ,1867 the Future of the Cosmos Ryan P. Juza, 2020-11-05 The New Testament and the Future of the Cosmos is an exploration into the cosmic eschatology of the New Testament It invites the reader to grapple with two interrelated questions along with the author 1 What did the writers of the New Testament teach about the fate of the cosmos and 2 can we synthesize their teachings into a coherent New Testament theology By offering a close reading of key texts that inform the topic most notably Matt 24 29 31 Mark 13 24 27 Luke 21 25 28 Rom 8 19 22 Heb 12 25 29 2 Pet 3 4 13 and Rev 21 1 5 it is argued that one can with certain qualifications ascertain a clear and coherent New Testament message pertaining to the future of the cosmos Along the way new exegetical ground is broken in several passages by identifying a previously unnoticed theme that runs throughout the New Testament concerning the future of the cosmos God's judgment of the heavenly powers of evil as a key component to the cosmic transition At present these hostile powers hold the cosmos captive to death but on the Day of the Lord they will be overthrown setting the stage for a materially transformed world to emerge from the hand of God

Narrative Criticism of the New Testament James L. Resseguie, 2022-10-25 Narrative criticism is a relatively recent development that applies literary methods to the study of Scripture James Resseguie suggests that this approach to reading the Bible treats the text as a self contained unit and avoids complications raised by other critical methods of interpretation Resseguie begins with an introductory chapter that surveys the methods of narrative criticism and how they can be used to discover important nuances of meaning through what he describes as a close reading of the text He then devotes chapters to the principal rhetorical devices setting point of view character rhetoric plot and reader Readers will find here an accessible

Perfect Idealism Defined Within The Already But Not Yet donald perry,2018-11-25 This commentary on the book of Revelation is from a Reformed Orthodox Idealistic and Futuristic point of view Previously I have wrestled with different Preterism and Redirectionalism views However once I fully understood salvation from the Reformed perspective the Lord saw fit to give me better understanding of the book of Revelation and Eschatology Previously I was under the belief of OSAS Charles Stanley heresy Concerning the eschatological perspective We know that the Lord promised the seven churches in Revelation that He was coming to them and that the faithful churches would remain Thus His word was fulfilled Yet the resurrection change of 1 Cor 15 for the living did not happen as far as they could tell This means that the second coming is now in the present idealistically while we wait Therefore we sanctify ourselves and the church for when He shall appear When He comes He will make an end of sin our sin nature forever and pain and death will end
