Revelations Child:

The Quest for the Christ Child in the Later Middle Ages Mary Dzon, 2017-03-09 Beginning in the twelfth century clergy and laity alike started wondering with intensity about the historical and developmental details of Jesus early life Was the Christ Child like other children whose characteristics and capabilities depended on their age Was he sweet and tender or formidable and powerful Not finding sufficient information in the Gospels which are almost completely silent about Jesus childhood medieval Christians turned to centuries old apocryphal texts for answers In *The Quest for the Christ Child in the Later Middle Ages* Mary Dzon demonstrates how these apocryphal legends fostered a vibrant and creative medieval piety Popular tales about the Christ Child entertained the laity and at the same time were reviled by some members of the intellectual elite of the church In either case such legends so persistent left their mark on theological devotional and literary texts The Cistercian abbot Aelred of Rievaulx urged his monastic readers to imitate the Christ Child s development through spiritual growth Francis of Assisi encouraged his followers to emulate the Christ Child s poverty and rusticity Thomas Aquinas for his part believed that apocryphal stories about the Christ Child would encourage youths to be presumptuous while Birgitta of Sweden provided pious alternatives in her many Marian revelations Through close readings of such writings Dzon explores the continued transmission and appeal of apocryphal legends throughout the Middle Ages and demonstrates the significant impact that the Christ Child had in shaping the medieval religious imagination

Child Sexual Abuse and the Catholic Church Marie Keenan,2013-07-18 A meticulously researched inside look at child sexual abuse by clergy this exhaustive hard hitting analysis weaves together interviews with abusive priests and church historical and administrative details to propose a new way of thinking about clerical sexual offenders Linking the personal and the institutional researcher and therapist Marie Keenan locates the problem of child sexual abuse not exclusively in individual pathology but also within larger systemic factors such as the very institution of priesthood itself the Catholic take on sexuality clerical culture power relations governance structures of the Catholic Church the process of formation for priesthood and religious life and the complex manner in which these factors coalesce to create serious institutional risks for boundary violations including child sexual abuse Keenan draws on the priests own words not to excuse their horrific crimes but to offer the first in depth account of a tragic multi faceted phenomenon What emerges is a troubling portrait of a Church in crisis and a series of recommendations that call for nothing less than a new ecclesiology and a new more critical theology Only through radical institutional reform Keenan argues can a more representative and accountable Church emerge *Child Sexual Abuse and the Catholic Church* is a unique reference for scholars of the Church and therapists who work with both victims and offenders as well as a forward thinking blueprint for reform

Revelation H. A. Ironside,2004-06-01 This classic commentary series from one

of the most creative and articulate expositors of the twentieth century is being reissued for a new generation **Horrifying Children** Lauren Stephenson, Robert Edgar, John Marland, 2024-03-07 Horrifying Children examines weird and eerie children's television and literature via critical analysis memoir and autoethnography There has been an explosion of interest in the impact of children's television and literature of the late twentieth century In particular the 1970s 80s and 90s are seen as decades that shaped a great deal of the contemporary cultural landscape Television of this period dominated the world of childhood entertainment drawing freely upon literature and popular culture like the Garbage Pail Kids and Stranger Things and much of it continues to resonate powerfully with the generation of cultural producers fiction writers screenwriters directors musicians and artists that grew up watching the weird the eerie and the horrific the essence of 21st century Hauntology In these terms this book is not about children's television as it exists now but rather as it features as a facet of memory in the 21st century As such it is the legacy of these television programmes that is at the core of Horrifying Children The haunting of adults by what we have seen on the screen is crucial to the study This collection directly addresses that which scared us in the past inasmuch as there is a correlation between individual and collective cultural memory with some chapters providing an opportunity for situating existing explorations and understandings of Gothic and Horror TV within a hauntological and experiential framework **Revelations of a Child of God** Harold Cummings, 2016-11-18 Hello readers I hope this book finds everyone in good spirits I got the title Revelations of a Child of God directly from Almighty God himself As a matter of fact that is the first thing God revealed to me when He first put it on my heart and that was the title My first name in spiritual meaning is ruler and or leader I didn't understand this till God awakened it in me Some folks have called me colonel before because of my military style attitude toward walking with God Revelations of a Child of God is what I have had for the last two years or more of my life God reveals something to me to speak to people and encourage them and I share it with them Sometimes it can be overwhelming when God speaks to you but when He does take time to listen He knows what's best for your life more than you do I hope this book gives you and I incredible determination to succeed spiritually while we all still have breath in our little bodies May God bless and keep you **Revelation** Phoenix, 2022-12-20 Revelations is one of the most misunderstood part of the Bible Most people look at the hundreds of images and symbols within it and try to explain it by taking these images and symbols literally Also people read these images and symbols in sequence from first to last this is not correct These images and symbols re structured into 4 scenes Each scene is a time These times are the link to understanding the code of the Bible These four scenes are better understood as Genesis Moses and the Old Testament Jesus until today and What will be in the future This book takes a deeper look at the reality of life as the spirit of mankind evolves from one time to the next and as we evolve from the darkness of the past into a light and bright reality as people learn to forgive one another *Food for God's Children* Clyde Young, 2015-02-18 Mankind has always been dependent on religion for its strength and faith Different ways of worship and prayer have been in existence even from the very roots of our history

Today three religions stand out in the forefront Judaism Islam and Christianity These three major religions of the world have been in existence for thousands of years All these religions have given us religious symbols beliefs and spirits to believe in But even with all the preachings of each kind of religion the world is still on the threshold of a third world war and a great tribulation Have these religions distracted us from the very essence of God and love Have the different religions of the world robbed us of our natural calling of the spirit of love Have we all been deceived Dive into this in depth study of religion and faith and see your beliefs challenged Take your mind to a journey of discovery and provoke your thoughts with arguments derived from the scriptures themselves *Revelations of Divine Love* Of Norwich Julian,2019-11-20 In *Revelations of Divine Love* Julian of Norwich presents a profound exploration of Christian mysticism offering a series of visionary experiences that redefine the nature of God's love and humanity's relationship with the divine Written in the 14th century the text blends lyrical prose with meditative reflections and employs a unique style characterized by its poetic tone and vivid imagery Julian's use of metaphor particularly her famous metaphor of God as a mother situates her work within the context of medieval spirituality illuminating themes of suffering grace and the transformative power of divine love amidst the backdrop of the Black Death Julian of Norwich an English anchoress lived a life dedicated to contemplation and religious devotion Her mystical encounters accompanied by a series of sixteen revelations during a critical illness inspired her to articulate the profound insights granted to her As one of the earliest female authors in the English language her works reflect both her personal experiences and broader theological currents of her time emphasizing the nurturing side of God in a patriarchal society This timeless text is recommended for anyone seeking a deeper understanding of Christian spirituality mysticism and the feminine aspect of God Julian's compassionate insights and her revolutionary approach to divine love resonate across centuries making this book an essential read for both scholars and seekers of faith New International Frontiers in Child Sexual Abuse Ben Mathews,2018-10-03 This book offers a timely and detailed exploration and analysis of key contemporary issues and challenges in child sexual abuse which holds great relevance for scholarly legal policy professional and clinical audiences worldwide The book draws together the best current evidence about the nature aetiology contexts and sequelae of child sexual abuse It explores the optimal definition of child sexual abuse considers sexual abuse in history and explores new theoretical understandings of children's rights and other key theories including public health and the Capabilities Approach and their relevance to child sexual abuse prevention and responses It examines a selection of the most pressing legal theoretical policy and practical challenges in child sexual abuse in the modern world in developed and developing economies including institutional child sexual abuse female genital cutting child marriage the use of technology for sexual abuse and the ethical responsibility and legal liability of major state and religious organisations and individuals It examines recent landmark legal and policy developments in all of these areas drawing in particular on extensive developments from Australia in the wake of its Royal Commission Into Institutional Responses to Child Sexual Abuse It also considers the best evidence

Morris, 2023-07-10 As members of The Church of Jesus Christ of Latter day Saints we sometimes don t realize how unique much of our doctrine is on the Atonement of Jesus Christ The Lord revealed through the young Prophet Joseph Smith important truths that had been lost regarding our Redeemer s great sacrifice Were Adam and Eve forgiven for the Fall Is it possible that there will be two separate resurrections Will we inherit our Heavenly Father s kingdom The answers to these truths are familiar to most Latter day Saints today However there was a time when these revelations were not widely available a time when Satan was desperately trying to keep these revolutionary truths buried in darkness A first of its kind Chad Morris s book New Light on the Atonement focuses on the first two years of the organized Church and the events surrounding the revelations that we now take for granted Readers now have the opportunity to gain a greater knowledge of Joseph Smith and the restored truths that came through him regarding the most important sacrifice of all time the Atonement of Jesus Christ
