**Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1952 Includes Part 1A Books and Part 1B Pamphlets Serials and Contributions to Periodicals     Technical Paper - Army Research Institute for the Behavioral and Social Sciences ,1977     Healing Our History 3rd Edition Robert Consedine,Joanna Consedine,2012-03-28 A powerful and humane book Healing Our History eschews rhetoric and cuts to the true story of race relations in New Zealand The Treaty of Waitangi is the most important document in New Zealand s history Current Treaty issues and Maori Pakeha relationships can only be understood within the wider story of New Zealand As we understand and honour our history we can acknowledge the need for restoration healing and right relationships The public response to previous editions of this bestselling book by Robert Consedine and his daughter Joanna Consedine has been strong and overwhelmingly positive This 2012 edition updates and expands on the critical issues the foreshore and seabed debate Maori access to political power and the emergence of the Maori Party the remarkable growth of the Maori economy self determination Maori language and the developments in Maori education constitutional issues and the benefits of the Treaty settlement process New Zealand and all New Zealanders have much to celebrate and many challenges ahead Drawing on Robert s unique experience as a leading Treaty educator the powerful message of this book illustrates how each and every New Zealander across all cultures can discover a new sense of personal and national identity grounded in an authentic Treaty relationship This is one of those books New Zealand needs Michael King Based on years of Treaty work experience this book is essential reading Claudia Orange     **Monthly Catalog of United States Government Publications** United States. Superintendent of Documents,1984     **Research and Development in Industry, 1975** National Science Foundation (U.S.),1977     *Social Studies Education in East Asian Contexts* Kerry J. Kennedy,2020-07-28 The book explores the state of social studies education within selected East Asian societies and provides some insights into distinctive classroom practices In an increasingly volatile and unpredictable world the education of young people who both understand the contexts in which they are growing up and see the need for engaging with them is a top priority This task falls to social studies education which carries the responsibility for inducting young people into their social world and helping them to see the role they can play within it This is particularly important in East Asia where strong economic growth long held cultural values and diverse political systems create an environment that challenges young people on multiple fronts This book with its team of regional authors shows how different societies in the region are dealing with these challenges and what can be expected from future citizens The book will appeal to policy makers researchers and teachers interested in the current state of social studies education in East Asian societies     **High Points in the Work of the High Schools of New York City** ,1945     **Research and Development in Industry** ,1978     **The Social Studies** ,1928     National Library of Medicine Current Catalog National Library of Medicine (U.S.),1971 First multi year cumulation covers six years 1965 70     Research
