

REVISIONING MEN'S LIVES

GENDER, INTIMACY, AND POWER

TERRY A. KUPERS, M.D.

Revisioning Mens Lives Gender Intimacy And Power

James W. Messerschmidt

Revisioning Mens Lives Gender Intimacy And Power:

Revisioning Men's Lives Terry A. Kupers, 1993-03-26 From childhood men are taught to be tough not to cry or act like sissies and perhaps more important to want to win in whatever they do The rules governing men's behavior first learned in the schoolyard change little during the course of a man's life and are inextricably linked with the values that determine how men judge each other and themselves Over the past 20 years however with heightened interest in male psychology and the emergence of the men's movements greater numbers of men have begun to discover the links between traditional male armoring inclinations toward battles for dominance feelings of inadequacy and isolation and the compensatory tendency to oppress women and gays Today while men believe they must still conform to the dictates of the male role it has become increasingly ambiguous what that role is The groundbreaking book REVISIONING MEN'S LIVES seeks to completely reshape our perspectives on manhood and masculinity It explores the important themes of gender intimacy and power in men's lives in an effort to change for the better our notions about what it means to be a man Combining psychological clinical autobiographical sociological and critical discussions the book describes the deeply divided men's movement and critiques the various approaches that different groups have taken Chapters address individual topics such as fathers and sons homophobia friendships pornography and men in therapy throughout personal and clinical experiences bring the myriad issues of masculinity to life The book concludes with a discussion of the influence of power on men's lives Kupers asserts that what men really want is to feel productive successful loved virile and fully alive Yet men also believe that the only way to achieve these goals is to be powerful and they continue to define power in a very traditional one dimensional way as power over others This definition tends to trap men into lives where they will most probably fear dependency compensate for inadequacies by oppressing others and isolate themselves emotionally in order to avoid betraying themselves as weaklings What this book proposes is a redefinition of power that will allow men to feel powerful through non traditional means most especially through positive non oppressive relationships with their families colleagues and friends Once men have relinquished the idea that power can only be attained at the expense of others men and women will be able to work together to construct new notions of masculinity and greatly improved gender relations REVISIONING MEN'S LIVES is essential reading for everyone who wants a greater understanding of the forces shaping men's lives today Carefully documented clinical and personal experiences are presented in a straightforward and engaging style that is accessible to all Social scientists interested in men's women's and family issues emotion self esteem and gender relations will find the book illuminating This is a fine book the kind which allows the reader to feel he has a comrade and a partner in the arduous gender role journey with which we and our male clients are engaged

Recreating Men Bob Pease, 2000-02-02 One of the most central issues for women's prospects for equality is whether man can and will change Changing the social relations of gender will involve changing men's subjectives as well as their daily practices This book asks whether this is

possible Bob Pease examines how men who are supportive of feminism are responding to the feminist challenge through an exploration of their experiences and dilemmas in trying to live out their feminist commitment and resist hegemonic forms of masculinity The book is driven by practical as well as theoretical concerns and aims to develop strategies that will promote the process of change towards equality in gender relations Drawing on a critical postmodern theoretical framework Pease argues that it is possible for men to reposition themselves in patriarchal discourses and to reformulate their interests in challenging gender domination *Recreating Men* is an invaluable reading for academics and students of gender studies and of interest to students of sociology psychology and political sociology

The Politics of Manhood Michael Kimmel, 2009 A much needed often startling debate on the personal and political dimensions of masculinity Masculinities RW Connell, 2020-07-16 When it was first published over a decade ago R W Connell's ground breaking text on the nature and construction of masculine identity rapidly became a classic In *Masculinities* Connell argues that there is not one masculinity but many different masculinities each associated with different positions of power In a world gender order that continues to privilege men over women but also raises difficult issues for men and boys her account is more relevant than ever before In this new edition Connell discusses the development of masculinity studies in the ten years since the book's initial publication She explores global gender relations new theories and practical uses of masculinity research She also addresses the politics of masculinities and the implications of masculinity research for understanding current world issues Against the backdrop of an increasingly divided world dominated by neo conservative politics Connell's account highlights a series of compelling questions about the future of human society *Masculinities* has been translated into many languages and in 2004 it was voted one of the ten most influential books in Australian sociology This second edition will be essential reading for students taking courses in gender studies and a valuable reference for readers across the humanities and social sciences the fundamental study on masculinity as a formative factor of modern social inequality and also one of the most important books in the social sciences in recent years Professor Ilse Lenz Ruhr University Bochum

Boyz 2 Buddhas David Forbes, 2004 Is conventional masculinity hazardous to young men's health *Boyz 2 Buddhas* proposes that mindfulness meditation can help male teens deal with the unhealthy pressures of growing up today After examining high school football a popular activity that evokes troublesome aspects of male consciousness and behavior David Forbes describes a meditation and discussion group he held with urban high school football players The students meditated in order to play football in the zone a state of higher awareness Along the way they also learned to live their lives in the same manner resulting in a more mindful healthy way of growing up to be men The counseling model illustrated in this book blends popular culture with contemplative practice and addresses young men's need for greater personal meaning

Eroticism Salman Akhtar, Rajiv Gulati, 2019-09-06 With contributions from distinguished scholars and clinicians who view human erotic desire from modern developmental relational societal and cross cultural perspectives *Eroticism Developmental Cultural and Clinical Realms* offers a multifaceted and up to

date glimpse into what we find sexually attractive and why While psychoanalysis has unshackled itself from the narrow confines of instinct theory to include ego psychology object relations theory self psychology and the contemporary relational paradigm such heuristic and clinical advance is sorely needed to further our grasp of human eroticism and love Accommodation also needs to be made for the cultural changes that have occurred over the last five or six decades These include the feminist corrective to the phallocentrism of classical psychoanalysis the new insights into human subjectivity and personality development provided by the gay and lesbian movement the contemporary de centering of the essentialist and binary gender formulations and the post colonial voices of the non Western people By providing theoretically anchored clinical guidelines Eroticism provides not only an update on the early analytic understanding of human eroticism but advances clinical praxis as well

Transforming the Disciplines Renee P Prys, Mary Jane Cherry, Susan Popham, Elizabeth L Macnabb, 2013-10-31 A jargon free non technical and easily accessible introduction to women s studies All too many students enter academia with the hazy idea that the field of women s studies is restricted to housework birth control and Susan B Anthony Their first encounter with a women s studies textbook is likely to focus on the history and sociology of women s lives While these topics are important the emphasis on them has led to neglect of equally important issues Transforming the Disciplines A Women s Studies Primer is one of the first women s studies textbooks to show feminist scholarship as an active force changing the way we study such diverse fields as architecture bioethics history mathematics religion and sports studies Although this text was designed as an introduction to women s studies it is also rewarding for upper level or graduate students who want to understand the pervasive effects of feminist theory Most chapters provide a bibliography or list of further reading of significant works Its clear jargon free prose makes feminist thought accessible to general readers without sacrificing the revolutionary power of its ideas In almost thirty essays covering a broad range of subjects from anthropology to chemistry to rhetoric Transforming the Disciplines exemplifies the changes achieved by feminist thought Transforming the Disciplines combines a high standard of writing and scholarship with personal insight includes both traditional academic arguments and alternative non agonistic forms of discussion embraces an international scope challenges traditional assumptions models and methodologies offers an inter and multidisciplinary approach strengthens readers understanding of the big picture not only for women but for all disempowered groups critiques feminism as well as patriarchal society Feminist theory is grounded in a questioning of traditional assumptions about what is right natural and self evident not just about the roles and nature of men and women but about how we think what we teach whose experience matters and what is important Transforming the Disciplines is the first textbook to show the consequences of those questions not the answers themselves but the consequences of the willingness to ask and the transformations that have occurred when the right answers changed

Hegemonic Masculinities and Camouflaged Politics James W. Messerschmidt, 2015-12-03 Analyzing the speeches of the two Bush presidencies this book presents a new conceptualization

of hegemonic masculinity by making the case for a multiplicity of hegemonic masculinities locally regionally and globally This book outlines how state leaders may appeal to particular hegemonic masculinities in their attempt to sell wars and thereby camouflage salient political practices in the process Messerschmidt offers a fresh historical perspective on the war against Iraq over an 18 year period and he argues that we cannot truly understand this war outside of its gendered masculine and historical context

The Multiracial Experience Maria P. P. Root, 1995-11-21 How might a multiracial concept dismantle our negative construction of race How do we redefine ethnicity when race is less central to the definition The Multiracial Experience challenges current theoretical and political conceptualizations of race using the multiracial experience of individuals as a tool for examining these and other questions Each contribution opens with a personal sketch of the multiracial experience Topics explored in the book include the differences between race and ethnicity colour gender and sexuality in a multiracial context and ethnicity and its role in identity formation

Prison Masculinities /edited by Don Sabo, Terry A. Kupers, and Willie London Donald F. Sabo, Terry Allen Kupers, Willie James London, 2001 This book explores the frightening ways our prisons mirror the worst aspects of society wide gender relations It is part of the growing research on men and masculinities The collection is unusual in that it combines contributions from activists academics and prisoners The opening section which features an essay by Angela Davis focuses on the historical roots of the prison system cultural practices surrounding gender and punishment and the current expansion of corrections into the prison industrial complex The next section examines the dominant or subservient roles that men play in prison and the connections between this hierarchy and male violence Another section looks at the spectrum of intimate relationships behind bars from rape to friendship and another at physical and mental health The last section is about efforts to reform prisons and prison masculinities including support groups for men It features an essay about prospects for post release success in the community written by a man who after doing time in Soledad and San Quentin went on to get a doctorate in counseling The contributions from prisoners include an essay on enforced celibacy by Mumia Abu Jamal as well as fiction and poetry on prison health policy violence and intimacy The creative contributions were selected from the more than 200 submissions received from prisoners

Author note Don Sabo Professor of Social Sciences at D Youville College in Buffalo is author or editor of five books most recently with David Gordon *Men's Health and Illness Gender Power and the Body* and with Michael Messner *Sex Violence and Power in Sports Rethinking Masculinity* Sabo has appeared on The Today Show Oprah and Donahue Terry A Kupers M D a psychiatrist teaches at the Wright Institute in Berkeley He is the author of four books editor of a fifth His latest books are *Prison Madness The Mental Health Crisis Behind Bars* and *What We Must Do About It* and *Revisioning Men's Lives Gender Intimacy and Power* Kupers has served as an expert witness in more than a dozen cases on conditions of confinement and mental health services Willie London a published poet is General Editor of the prison publication *Elite Expressions* He is currently an inmate at Eastern Corrections For nine years he was a prisoner at Attica

Women, Men, & Gender Mary Roth Walsh, 1997-01-01 Offers pro and con positions on eighteen gender studies issues including research priorities pornography sexual orientation gender impact on knowledge discrimination and working mothers *Goddesses and Monsters* Jane Caputi, 2004 The essays focus upon popular culture as it is informed by ancient and current mythic images narratives personalities icons and archetypes Topics include the cult status of the serial sex killer sexual murder as a contemporary form of religious sacrifice pornography as an everyday narrative underlying not only sexism but also racism homophobia and militarism the relation of incest to nuclearism pornography and the sacred cyborg myth and subtextual presence of ancient goddess figures in contemporary narratives including that of Princess Diana

The Men and the Boys Raewyn Connell, 2013-05-02 In recent years questions about men and boys have aroused remarkable media interest public concern and controversy Across the world health services are noticing the relevance of men's gender to problems as diverse as road accidents diet and sexually transmitted disease Teachers are increasingly preoccupied with the poor educational performance of boys and criminologists have begun to explore why men and boys continue to dominate the crime statistics In this timely new volume one of the world's leading authorities on masculinity helps us to understand these developments and make sense of the multiplying issues about men and boys Five years on from the publication of the seminal study *Masculinities* this book reflects on the growing social scientific research in this area Connell assesses its strengths and weaknesses and explores its implications for contemporary problems from boys education and men's health to international peacemaking Written in a lively and accessible way this book will be essential reading for all students of sociology politics and gender studies as well as anyone interested in the future of gender relations

Femininity and Shame Barbara L. Eurich-Rascoe, Hendrika Vande Kemp, 1997 Femininity is a source of shame for some men and women Scholarship and therapeutic practice have not reckoned with femininity of its shamefulness in helpful healing ways Thus women and men continue to hide their feminine selves This book asserts the positive worth and power of femininity for men and women men's and women's need for validation of their femininity and the need to create child rearing and therapeutic practices that achieve incorporation of femininity in men's conscious self understanding *Don't Take It Personally* Elayne Savage, 2016-04-19 Who hasn't felt the sting of rejection It doesn't take much for your feelings to get hurt a look or a tone of voice or certain words can set you ruminating for hours on what that person meant An unreturned phone call or a disappointing setback can really throw you off your center It's all too easy to take disappointment and rejection personally You can learn to handle these feelings and create positive options for yourself *Don't Take It Personally* explores all forms of rejection where it comes from and how to overcome the fear of it Most of all you'll learn some terrific tools for stepping back from those overwhelming feelings You'll be able to allow space to make choices about how you respond Understand the effect that anxiety frustration hurt and anger have on your interactions with others De-personalize your responses and establish safe personal boundaries that protect you from getting hurt Practice making choices about the

thoughts you think and the ways you respond to stressful situations Understand and overcome fear of rejection in personal and work relationships Elayne Savage explores with remarkable sensitivity the myriad of rejection experiences we experience with friends co workers lovers and family Because her original ideas have inspired readers around the world Don't Take It Personally has been published in six languages Cultures of Peace Elise Boulding,2000-05-01 Renowned sociologist Elise Boulding offers an eminent collection of essays that emphasizes her study of civil society over the past fifty years While most media and academic attention focuses on the extreme violence in today's society Elise Boulding notes an equally significant presence of cultures and societies of peace Here in a volume that represents a life's work she revisits her theme of the connection among family community and government and offers enriching perspectives and advice on how to fuel the process of peace Boulding examines structural violence in terms of the major institutional obstacles to a more peaceful future the tension between the states and the people trapped inside them the tension between the technosphere and the biosphere and between global systems and local know how She describes social movements around the world that are developing alternative ways of handling the great diversity of human biospheric needs on the planet In addition Boulding brings together her experiences to empower the peace building activities if we are to do better in the twenty first century than we have done in the twentieth century Provided by publisher *The Reality Game* John Rowan,2016-05-05 In the years since it was first published *The Reality Game* has become a classic text For all those training and practising in humanistic and integrative psychotherapy it is an essential guide to good practice and an excellent introduction to the skills used in individual and group therapy This new edition has been updated to take into account changes in the field and John Rowan's own work while still providing guidance on establishing and developing the relationship between counsellor and client and covering assessment the initial interview the opening session aims transference resistance and supervision With the student's needs always at the forefront this extensively revised new edition responds to the questions most often asked by trainees in these disciplines and includes discussions of ethics and new chapters on transpersonal psychology and on dialogical self theory It will be a must read for psychotherapists and counsellors in practice and training especially those involved in humanistic and integrative psychotherapy Rapprochement Between Fathers and Sons Louis Rothschild,2023-11-23 Following Freud's rather cold conception of fathers and a relative neglect of their role in psychoanalytic theory is a challenge to continue more recent efforts to develop a psychoanalytically affirmative portrait of fatherhood Here fathers are attuned to relational mutuality and intimacy as a source of flourishing Rapprochement is understood as a sub phase of child development marked by a dramatic expression of conflict such as Hear me see me give me space don't give me space In addition rapprochement is considered to characterize conflicts between autonomy and dependency across the lifespan An often muted and subtle tension between holding and letting go persists Working with what is felt entails entering a never fully completed negotiation marked by misreadings bias and illusion Father is understood to be a name pointing to a

parenting function With material that includes the grief of failed reunion particular stories are mediated through thinking alongside philosophy and psychoanalytic theory in order to further explore the difficulty of integrating nurturing capacities into conceptions of masculinity As a critique of gendered rigidity a case is made for a social surround that declares mutual vulnerability to exist in a state of permanent inquiry and relational curiosity Such openness can function to aid parents clinicians and respective community members to privilege the development of increased frustration tolerance By extension a good enough father is one who recognizes breakdown a need for refueling and possesses and practices a willingness to encounter uneven rhythms in human dimensions This thoughtful work brings fresh insight into the role of the father and masculinity and is essential reading for mental health professionals **The Kaleidoscope of Gender** Joan Z.

Spade, Catherine G. Valentine, 2011 An accessible timely and stimulating introduction to the sociology of gender The Kaleidoscope of Gender Prisms Patterns and Possibilities Third Edition provides a comprehensive analysis of key ideas theories and applications in this field as viewed through the metaphor of a kaleidoscope This collection of creative articles by top scholars explains how the complex evolving pattern of gender is constructed interpersonally institutionally and culturally and challenges students to question how gender shapes their daily lives Like the prior edition the Third Edition maintains a focus on contemporary contributions to the field while incorporating classical and theoretical arguments to provide a broad framework Integrating a cross cultural focus and intersectional inquiry this unique text reader vividly illustrates that gender is a malleable continuum of prisms patterns and possibilities *The Reality Game, second edition* John Rowan, 2014-02-04 The Reality Game is for people who are or who want to be counsellors or psychotherapists It is particularly useful for those training in humanistic or integrative psychotherapy and counselling Discussing the skills and techniques used in both individual and group therapy this is an essential guide to good practices for the professional humanistic counsellor or psychotherapist and also responds to the questions most often asked by those training in these disciplines

Revisioning Mens Lives Gender Intimacy And Power Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Revisioning Mens Lives Gender Intimacy And Power free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Revisioning Mens Lives Gender Intimacy And Power free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading

Revisioning Mens Lives Gender Intimacy And Power free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Revisioning Mens Lives Gender Intimacy And Power. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Revisioning Mens Lives Gender Intimacy And Power any PDF files. With these platforms, the world of PDF downloads is just a click away.
