Revival Of 1857 58 Interpreting An American Religious Awakening:

The Revival of 1857-58 Kathryn Teresa Long, 1998-07-02 This book provides a fresh in depth examination of the Revival of 1857 58 a widespread religious awakening most famous for urban prayer meetings in major metropolitan centers across the United States Often mentioned in religious history texts and articles but overshadowed by scholarly attention to the first and second Great Awakenings the revival has lacked a critical book length analysis This study will help to fill this gap and to place the event within the context of Protestant revival traditions in America The Revival of 1857 58 was a multifaceted religious movement that Long suggests may have been the closest thing to a truly national revival in American history The awakening marked the coming together of formalist and populist evangelical groups particularly in urban areas and helped to create the beginnings of a transdenominational religious identity among middle class American evangelicals Long explores the revival from various angles emphasizing the importance of historiography and examining the way Calvinist clergy and the editors of the daily press canonized particular versions of the revival story most notably its role in the history of great awakenings and its character as a masculine businessmen s revival She gives attention to grassroots perspectives on the awakening and also pursues wider social and cultural questions including whether the revival actually affected evangelical involvement in social reform The book combines insights from contemporary scholarship concerning revivals women s history and nineteenth century mass print with extensive primary source research The result is a clearly written study that blends careful description with nuanced analysis

The Revival of 1857-58 Kathryn Long, 2023 *Victorian Religious Revivals* David Bebbington, 2012-05-31 Revivals are outbursts of religious enthusiasm in which there are numerous conversions In this book the phenomenon of revival is set in its broad historical and historiographical context David Bebbington provides detailed case studies of awakenings that took place between 1841 and 1880 in Britain North America and Australia showing that the distinctive features of particular revivals were the result less of national differences than of denominational variations These revivals occurred in many places across the globe but revealed the shared characteristics of evangelical Protestantism Bebbington explores the preconditions of revival giving attention to the cultural setting of each episode as well as the form of piety displayed by the participants No single cause can be assigned to the awakenings but one of the chief factors behind them was occupational structure and striking instances of death were often a precipitant Ideas were far more involved in these events than historians have normally supposed so that the case studies demonstrate some of the main patterns in religious thought at a popular level during the Victorian period Laymen and women played a disproportionate part in their promotion and converts were usually drawn in large numbers from the young There was a trend over time away from traditional spontaneity towards more organised methods sometimes entailing interdenominational co operation

Sin in the City Thekla Ellen Joiner, 2013-05-20 Long before today s culture wars the Third Great Awakening rocked America During the late nineteenth and early twentieth centuries evangelists such as Dwight L Moody and Billy Sunday roused

citizens to renounce sin as it manifested in popular culture moral ambiguity and the changing role of women Sin in the City examines three urban revivals in turn of the century Chicago to show how revivalists negotiated that era s perceived racial sexual and class threats While most studies of this movement have focused on its male leaders and their interactions with society Thekla Ellen Joiner raises new questions about gender and race by exploring Third Awakening revivalism as the ritualized performance of an evangelical social system defined by middle class Protestant moral aspirations for urban America Rather than approaching these events merely as the achievements of persuasive men she views them as choreographed collective rituals reinforcing a moral order defined by ideals of femininity masculinity and racial purity Joiner reveals how revivalist rhetoric and ritual shifted from sentimentalist identification of sin with males to a more hard nosed focus on females castigating loose women whose economic and sexual independence defied revivalist ideals and its civic culture She focuses on Dwight L Moody s 1893 World s Fair revival the 1910 Chapman Alexander campaign and the 1918 Billy Sunday revival comparing the locations organization messages and leaders of these three events to depict the shift from masculinized to feminized sin She identifies the central role women played in the Third Awakening as the revivalists promoted feminine virtue as the corrective to America s urban decline She also shows that even as its definition of sin became more feminized Billy Sunday s revivalism began to conform to Chicago s emerging color line Enraged by rapid social change in cities like Chicago these preachers spurred Protestant evangelicals to formulate a gendered and racialized moral regime for urban America Yet as Joiner shows even as revivalists demonized new forms of entertainment they used many of the modern cultural practices popularized in theaters and nickelodeons to boost the success of their mass conversions Sin in the City shows that the legacy of the Third Awakening lives on today in the religious right s sociopolitical activism crusade for family values disparagement of feminism and promotion of spirituality in middle class racial and cultural terms Providing cultural and gender analysis too often lacking in the study of American religious history it offers a new model for understanding the development of a gendered theology and set of religious practices that influenced Protestantism in a period of enormous social change

The Surprising Work of God Garth M. Rosell,2020-03-18 The Surprising Work of God tells the story of how America s mid twentieth century spiritual awakening became a worldwide Christian movement This seminal study brings a unique perspective to the history personalities and institutions of that period and offers an intimate look at evangelicalism through the window of the life ministry and writings of Harold John Ockenga and his long friendship with Billy Graham Ockenga was pastor of the historic Park Street Congregational Church in Boston and cofounder of Fuller Theological Seminary Gordon Conwell Theological Seminary the National Association of Evangelicals and Christianity Today As such he was a central figure in the birth and development of American neo evangelicalism This lively engaging story will be of value to anyone with an interest in the American church of the last century

When the Lord Walked the Land Kenneth S. Jeffrey,2007-03-02 Previous studies of revival have tended to approach these remarkable

moments in history from either a strictly local or a sweeping national perspective In so doing they have dealt with either the detailed circumstances of a particular situation or the broader course of events These approaches however have given the incorrect impression that religious awakenings are uniform movements As a result revivals have been misunderstood as homogeneous campaigns This is the first study of the 1859 revival from a regional level in a comprehensive manner It examines this movement arguably the most significant and far reaching awakening in modern times as it appeared in the city of Aberdeen the rural hinterland of northeast Scotland and among the fishing villages and towns that stretch along the Moray Firth It reveals how far from being unvarying the 1859 revival was richly diverse It uncovers the important influence that local contexts brought to bear upon the timing and manifestation of this awakening Above all it has established the heterogeneous nature of simultaneous revival movements that appeared in the same vicinity Do Real Men Pray? Charles H. Lippy, Jeffrey B. Leak, 2005 White male spirituality and the Christian man The dutiful patriarch The gentleman entrepreneur The courageous adventurer The efficient businessman The positive thinker The faithful leader Male spirituality in white Protestant America *Evangelical Millennialism in the Trans-Atlantic World, 1500-2000* C. Gribben, 2015-12-04 This book offers the first complete overview of the intellectual history of one of the most significant contemporary cultural trends the apocalyptic expectations of European and American evangelicals in an account that guides readers into the origins its evolution and its revolutionary potential in the modern world Love and the Working Class Karen Lystra, 2024 Love and the Working Class is a unique look at the emotions of hard living racially diverse nineteenth century Americans who were often on the cusp of literacy Wrongly assumed to be inarticulate on paper these laboring folk highly valued letters and however difficult it was wrote to stay connected to those they loved **Family Values and the Rise of the Christian Right** Seth Dowland, 2015-12-17 Family Values and the Rise of the Christian Right chronicles how the family values agenda became so powerful in American political life and why it appealed to conservative evangelical Christians God and Mammon Mark A. Noll, 2002 This collection of essays offers a close look at the connections between American Protestants and money in the Antebellum period They provide essential background to an issue that continues to generate controversy in the Protestant community today America's God Mark A. Noll, 2002-10-03 Religious life in early America is often equated with the fire and brimstone Puritanism best embodied by the theology of Cotton Mather Yet by the nineteenth century American theology had shifted dramatically away from the severe European traditions directly descended from the Protestant Reformation of which Puritanism was in the United States the most influential In its place arose a singularly American set of beliefs In America's God Mark Noll has written a biography of this new American ethos In the 125 years preceding the outbreak of the Civil War theology played an extraordinarily important role in American public and private life Its evolution had a profound impact on America's self definition The changes taking place in American theology during this period were marked by heightened spiritual inwardness a new confidence in individual reason and an attentiveness to the economic and

market realities of Western life Vividly set in the social and political events of the age America's God is replete with the figures who made up the early American intellectual landscape from theologians such as Jonathan Edwards Nathaniel W Taylor William Ellery Channing and Charles Hodge and religiously inspired writers such as Harriet Beecher Stowe and Catherine Stowe to dominant political leaders of the day like Washington Jefferson and Lincoln The contributions of these thinkers combined with the religious revival of the 1740s colonial warfare with France the consuming struggle for independence and the rise of evangelical Protestantism to form a common intellectual coinage based on a rising republicanism and commonsense principles As this Christian republicanism affirmed itself it imbued in dedicated Christians a conviction that the Bible supported their beliefs over those of all others Tragically this sense of religious purpose set the stage for the Civil War as the conviction of Christians both North and South that God was on their side served to deepen a schism that would soon rend the young nation asunder Mark Noll has given us the definitive history of Christian theology in America from the time of Jonathan Edwards to the presidency of Abraham Lincoln It is a story of a flexible and creative theological energy that over time forged a guiding national ideology the legacies of which remain with us to this day

Pentecostal Outpourings Robert Davis Smart, Michael A. G. Haykin, Ian Hugh Clary, 2016-02-19 When Jesus ascended to heaven and sat down at the right hand of God the Father He poured out His Holy Spirit at Pentecost This significant historical and redemptive event was not the last time Christ poured out His Spirit in redemptive history Mindful of these subsequent acts *Pentecostal Outpourings* presents historical research on revivals in the Reformed tradition during the eighteenth and nineteenth centuries Investigating the British Isles it observes the outpourings experienced among Welsh Calvinistic Methodists Irish Dissenters Calvinistic English Baptists and Scottish Presbyterians It then moves on to evaluate the revival instincts among Presbyterians Congregationalists Baptists and the Dutch Reformed in America May the knowledge of these outpourings of the Holy Spirit help us seek God earnestly to revive His Church once again Table of Contents Preface Steve Lawson I Revival in the British Isles 1 The Power of Heaven in the Word of Life Welsh Calvinistic Methodism and Revival Eifon Evans 2 Melting the Ice of a Long Winter Revival and Irish Dissent Ian Hugh Clary 3 The Lord Is Doing Great Things and Answering Prayer Everywhere The Revival of the Calvinistic Baptists in the Long Eighteenth Century Michael A G Haykin 4 Revival A Scottish Presbyterian Perspective Iain Campbell II Revival in America 5 Edwards's Revival Instinctive and Apologetic in American Presbyterianism Planted Grown and Faded Robert Davis Smart 6 The Glorious Work of God Revival among Congregationalists in the Eighteenth and Nineteenth Centuries Peter Beck 7 Baptist Revivals in America in the Eighteenth Century Tom Nettles 8 Dutch Reformed Church in America the 18th century Joel Beeke **When the Holy Spirit Comes Down** Norman Benz, 2024-03-05 Expect a Fresh Holy Spirit Outpouring in Your Life Today Can you sense deep in your soul a hunger to experience something more Do you thirst to know God experientially not just informationally God Himself is stirring these desires in your heart because He too has a burning desire for a thriving dynamic

encounter with you With a pastor s *The Heart of the Gospel* Bernie Van De Walle,2009-01-01 The Fourfold Gospel most often associated with Albert B Simpson founder of The Christian and Missionary Alliance which focuses on the doctrines of Christ as Savior Sanctifier Healer and Coming King has been identified as a key contributing factor to the birth and development of the modern Pentecostal movement Through a close observation of the doctrinal themes of select and renowned Evangelical leaders in America A J Gordon of Boston D L Moody of Chicago A T Pierson of Philadelphia Detroit and A B Simpson of New York this work shows that the Fourfold Gospel and therefore the theological source for modern Pentecostalism rather than being a marginal movement within late nineteenth century Evangelicalism was instead its very heart

Prisoners of Hope? Crawford Gribben,Timothy C. F. Stunt,2007-09-01 A fervent millennial hope has often existed at the heart of Protestant evangelicalism Varieties of eschatology have exercised a profound impact on the movement s theology and history Although millennialism had a respected lineage within conservative Protestantism it flourished with enormous energy in the early nineteenth century as evangelicals responded to the threat of the American and European revolutions and the cultural pessimism of the Romantic movement By mid century the millennialism that had first been articulated for the defense of Protestant conservatism had paved the way for the subversion of historic theology and church practice as a growing confidence in biblical inerrancy and the literal hermeneutic challenged many of the historical assumptions of the evangelical faith This volume of essays expands on neglected aspects of the impact of the evangelical millennialism in Britain and Ireland between 1800 and 1880 and includes an essay charting recent trends in the study of millennialism

The Routledge History of Nineteenth-Century America Jonathan Daniel Wells,2017-09-14 The Routledge History of Nineteenth Century America provides an important overview of the main themes within the study of the long nineteenth century The book explores major currents of research over the past few decades to give an up to date synthesis of nineteenth century history It shows how the century defined much of our modern world focusing on themes including immigration slavery and racism women s rights literature and culture and urbanization This collection reflects the state of the field and will be essential reading for all those interested in the development of the modern United States

Nathaniel Taylor, New Haven Theology, and the Legacy of Jonathan Edwards Douglas A. Sweeney,2002-12-05 Nathaniel Taylor was arguably the most influential and the most frequently misrepresented American theologian of his generation While he claimed to be an Edwardsian Calvinist very few people believed him This book attempts

to understand how Taylor and his associates could have counted themselves Edwardsians In the process it explores what it meant to be an Edwardsian minister and intellectual in the 19th century *Identifying the Image of God* Dan McKanan, 2002-11-14 Between 1820 and 1860 American social reformers invited all people to identify God's image in the victims of war slavery and addiction *Identifying the Image of God* traces the theme of identification and its liberal Christian roots through the literature of social reform focusing on sentimental novels temperance tales and slave narratives and invites contemporary activists to revive the politics of identification
