**Revive Your Mainline Congregation** Robert D. Schieler, 2010-04-01 Why are mainline churches in such dire straits? Schieler meets that it is because most churches are doing the same things in the same ways they were doing them 35 to 50 years ago and she is lack of change has caused declines in mainline churches For example the United Church of Christ has lost more than 700 000 members and more than 1 000 churches since 1965 Schieler delineates distinguishing characteristics of living versus dying churches and shares what needs to be done to turn churches around and how mainline churches are surviving in this current age He also contends that there are some basic biblical theological understandings of the nature and mission of the church many things that churches have ignored or rebelled against and reviews the following areas authority which mission church degenerate worship new worship Christian education pastoral congregational care wider rotation and building and property

**The American Church in Black and White** Gregory Emanuel Bryant, 2016-05-14 The American Church in Black and White is a book born out of the authors love for Gods church It was shaped and given form and text in the crucible of the authors experience as a pastor of several Indiana congregations congregations that attempted to create a Christian counter narrative to the tragic narrative and legacy of our nations history of slavery and racism Cautiously optimistic in tone the author posits that if the American church is going to live into Christs prayer request for His church to be one John 17 21 if the church is going to deal effectively with the fallen powers and win people to the Lord then Christians will have to face and overcome the complex and tragic history of racial antipathy in this country also the church will have to learn how to successfully navigate a spiritual and cultural minefield The author has distilled the three main cultural controversies mines that can explode implode the churchs intercultural hopes down to 1 Culturally Based Worship Preferences 2 Culturally Based Views on Ministerial Authority and 3 Biblical Hermeneutics in Black and White It is the authors conviction that in spite of these areas of potential conflict God has given the church the power to become an intercultural community that is distinctive attractive and authentically Christian

**The Living Church**, 2004 **Burning Center, Porous Borders** Eleazar S. Fernandez, 2011-10-17 Burning Center Porous Borders articulates what the church is and is called to be about in the world a world now globalized to the point that the local is lived globally and the global is lived locally The church must respond creatively and prophetically to the challenges economic disparity war and terrorism diaspora ecological threat health crisis religious diversity and so on posed by our highly globalized world It can do so only if the churchs spiritual center burns mightily Conversely it can burn mightily in the spirit of Christ only if its borders are porous and allows the fresh air spirit of change to blow in and out While there is much rhetoric about change the most common response to change is to continue doing business as usual This is particularly the case in the face of perceived global threats In spite of the hoopla and euphoria of the global village walls of division and exclusion are rising hearts are constricting and moral imagination shrinking In response to this context Burning Center Porous Borders proposes alternative

ways or images of being a church burning center and porous borders wall buster and bridge builder translocal glocal mending healer radical hospitality community of the earth spirit household of life abundant dialogians of life and community of hope In Burning Center Porous Borders congregational vitality and progressive praxis kiss and embrace **American Book Publishing Record** ,2004 *Books In Print 2004-2005* Ed Bowker Staff,Staff Bowker, Ed,2004 *International Mission Bibliography* Norman E. to make disciples of Jesus Christ They cannot be turned around they must come to life again The key to that resurrection is leaders who are not afraid to diagnose the problem for what it really is and who realize that resurrection is what being a Christian is about The goal of this book is to guide the leaders of these churches through the painful yet ultimately life giving work of leading a church to new life in the Spirit If you want to find new life for your church read on You Only Have to Die James A.
