Reviving Local Democracy New Labour New Politics:

Reviving local democracy Rao, Nirmala, 2000-09-20 Reviving local democracy offers a vivid and persuasive critical examination of New Labour's programme for the modernisation of local government providing a balanced view of the democracy and participation debate Since 1997 the Blair government has sought to mobilise popular participation through local referenda new political structures electoral reform and the creation of powerful new elected mayors Through these mechanisms it is hoped that the lack of public interest and persistently low election turnouts will be overcome The book draws on a wide range of new survey data to relate the crisis of local politics and governance to wider changes in the political culture The author goes on to evaluate the government's proposals to reverse decline asking whether this programme of reform is likely to succeed With the aid of a series of recent surveys of both public and councillor opinion and the successful blending of historical and empirical analysis she offers an assessment of the realities which the democratic renewal project will have to confront in its implementation The book is topical and timely and highly accessible and will appeal to students those involved in local government and anyone concerned to see local government become more representative responsive and open to popular participation

Reviving Local Democracy Nirmala Rao, 2000-09-20 This book offers a vivid and persuasive critical examination of New Labour's programme for the modernisation of local government providing a balanced view of the democracy and participation debate It draws on a wide range of new survey data to relate the crisis of local politics and governance to wider changes in the political culture

Evaluating New Labour's Welfare Reforms Martin Powell, 2002 This title provides a detailed study of the welfare reforms of New Labour's first term It compares achievements with stated aims examines success in the wider context and contributes to the debate on the problems of evaluating social policy

Renewing Local Democracy? Lawrence Pratchett, 2014-04-04 Bringing together research on different features of the democratic renewal agenda to investigate how local authorities are responding this text includes a contribution from the main architect of the modernization Local Government Minister Hilary Armstrong

Party Politics and Local Government Colin Copus, 2004-08-21 This book is an explanation of the long standing interrelationship between local government and political parties It examines and outlines the differences between the political party outside the council and the political party group of councillors within the council It explores the impact that the party groups have on the conduct of council business decision making and policy development and the impact they have on local representation It addresses two questions that are fundamental to local representative democracy who or what is it that the councillor represents and are councillors elected to govern or to serve

Public Administration in the Information Age I. Th. M. Snellen, Marcel Thaens, Wim B. H. J. van de Donk, 2012 The information age has become a reality and has brought with it many implications for public administration New ICT's offer new opportunities for government and governing but at the same time they pose challenges in some key areas of public administration like trust or the idea of checks and balances This book

is an examination of the developments and effects of ICT in public administration over the last 10 to 15 years It represents a re visiting of the 1998 IOS Press publication Public Administration in an Information Age A Handbook As a point of departure the authors of this new book have chosen the speed of the succession of theoretical approaches represented by the phase of theories which has appeared since 1998 This approach which reflects that of the 1998 handbook avoids the impression of technological determinism and provides an opportunity to focus on the phases of theory and technological developments The book is divided into five sections The first section examines key issues and the second focuses on aspects of democracy In the third section the focus shifts towards structural conditions the conditions that public administration has to meet in order to maintain its effectiveness and its legitimacy in the information age Section four addresses some objects of implementation like IT inspired redesign HRM and the phenomenon of Street Level Bureaucrats Finally the last section offers some concluding thoughts Publisher s website [The New British Politics](#) Ian Budge,David McKay,Kenneth Newton,John Bartle,2013-12-16 The New British Politics is one of the most comprehensive and successful introductions to British politics ever published Now available in a fully revised and updated fourth edition this clear lively and authoritative text has an emphasis on law and order and the historical context of British politics Written by internationally known specialists the book combines incisive and original analysis with direct presentation *Law, Localism, and the Constitution* John Stanton,2023-03-24 Local government affects us all Wherever we live in towns cities villages or the smallest of communities there are locally elected councils tasked with representing people s interests in the running of the local area This involves inter alia providing public services maintaining local spaces and acting as a level of democratic governance within the broader constitutional and executive structure of the state To fulfil these responsibilities though local government must be democratically legitimate it must have at its disposal reasonable means and resources to function and it must enjoy a healthy and balanced relationship with centralised government This book explores and analyses the extent to which local government in the different parts of the United Kingdom is able to function effectively and democratically It draws from local councillors views in analysing the state of local government under the current constitutional and governmental arrangements discussing issues such as councils relationships with central government citizen engagement finance and public services and the impact of recent reforms It contrasts and compares the different approaches adopted in England Scotland Wales and Northern Ireland also setting out and discussing possible reforms of local government across the United Kingdom While the focus is on the United Kingdom the work includes a comparison with other relevant jurisdictions **Public Management: Policy making, ethics and accountability in public management** Stephen P. Osborne,2002 Since the 1980s the public sector has been undergoing major changes throughout the Western industrialized world the transitional economies of central and Eastern Europe Latin America and South East Asia The main thrust of these changes has been to bring public sector management practices closer to those of the private sector This raises the question of how far public and private sector

management are comparable This set examines the relationships between public sector and private sector management in terms of both classical management theory and the new public management that emerged in the 1980s and 1990s While the collection concentrates on articles from the last 20 years some historical pieces are also included The four volumes are arranged along the following lines volume 1 for and against the public sector volume 2 managing the plural state volume 3 broadening the public management perspective and volume 4 from policy to practice in public services

Faith and Social Capital After the Debt Crisis A. Dinham, 2012-04-24 This book explores what becomes of faiths when seen as social capital In the grip of the current debt crisis where the social and capital seem increasingly unbalanced this book examines whether faiths can help rebalance society through drawing communities together

Modernizing Governance Janet Newman, 2001-06-28 Janet Newman's Modernizing Governance provides a comprehensive and thorough critique of contemporary public sector reforms The book combines an impressive synthesis of theoretical perspectives with a deep understanding of the practice of public policy making and management The contradictions within a shift to governance are clearly highlighted and the notion of a third way is carefully deconstructed This book is an important contribution to the literature and will provide stimulating reading for academic researchers and students George Boyne Professor of Public Sector Management Cardiff Business School Cardiff University The tale of Tony Blair and government is a complicated one which Janet Newman tells with insight and academic rigour It deserves wide readership it ought to pique the interest of all those concerned with the condition of British democracy David Walker Analysis Editor and Leader Writer The Guardian The first comprehensive guide that explores the politics and policies of new Labour Has Labour's responses to the challenges and issues of the past 4 years represented something radically different both in content and style from the Thatcher and Major years Did it in the language of this book represent the emergence of a new form of governance in the UK This book offers Critical insights into Labour's impact on the relationship between government and citizens public services and their users the state and civil society Interpretations of core themes in Labour's policy agenda the Third Way and social democracy modernising government public service reform joined up government and partnership public participation and democratic renewal remaking civil society Drawing on cultural and institutional theory the author brings a fresh approach to the study of governance politics and policy She traces Labour's attempt to reinstall the social in public and social policy by examining its use of the discourses of democracy citizenship community social inclusion partnership and public participation The book analyses the implications of these new and not so new discourses for the practice of making and delivering policy and the patterns of equality and diversity that they invoke It also highlights the way in which managers professionals and staff are responding to the new agenda and the tensions and dilemmas produced in the process of institutional change

Democracy in Theory and Practice Stephen Elstub, 2013-09-13 Democracy is an issue of major importance in theory and practice in politics throughout the world However democracy's study and advancement has been significantly compromised by a

dichotomy between theorising about democracy and empirical studies of democracy in practice In addition to highlighting the need for this gap to be overcome this book contributes to overcoming this divide by demonstrating a number of ways that democracy in theory and practice can be synthesised deepening our understanding of the relationship between democracy in theory and practice in the process Different but related democratic principles and concepts are considered such as legitimacy political equality deliberation and participation A range of practical contexts are also investigated including multi level polities deeply divided societies whole polities local rural and urban areas and a range of democratic processes innovations and spectacular events Moreover the book sets the agenda for future work to combine democracy in theory and practice This book was originally published as a special issue of Representation *Transforming Political Leadership in Local Government* R. Berg, N. Rao, 2005-11-10 Local governments throughout the west are undergoing a transformation of their leadership styles and structures Some countries have abandoned traditional systems of collective or committee based decision making in favour of Cabinet models or more radically a directly elected executive mayor while others have strengthened existing mayoral systems There are a few exceptions to this trend Based on original research in eleven countries the book assesses these changes in terms of their implications for political accountability the role of lay politicians political recruitment the professionalization of leadership and relations with the bureaucracy Comparing Public Sector Reform in Britain and Germany Hellmuth Wollmann, Eckhard Schrotter, 2019-06-04 This title was first published in 2000 This text collects a set of specially commissioned chapters by British and German political scientists as well as experts in public administration and management designed to present and grapple with the range of the subject in an accessible but sophisticated form In doing so the volume seeks to fill the gap perceived to have opened up between the conventional comparative government literature and the new public management literature While the first part of the book explores the historical political and cultural context of public sector reform the second part deals more specifically with institutional developments and recent reform trends in the fields of social policy and social service delivery The volume analyzes the degree of convergence or divergence between the two countries with regard to public sector change **Locating Localism** Jane Wills, 2016-07-12 *Locating localism* explores the development of localism as a new mode of statecraft and its implications for the practice of citizenship Drawing on original research Jane Wills highlights the importance of having the civic infrastructure and capacity to facilitate the engagement of citizens in local decision making She looks at the development of community organising neighbourhood planning and community councils that identify and nurture the energies talents and creativity of the population to solve their own problems and improve our world Combining political theory with attention to political practice the book takes the long view of this new policy development positioning it in relation to the political geo history of the British state In so doing it highlights the challenges of the state devolving itself and the importance of citizens having the freedom incentives and institutions needed to act *Contemporary British Politics and*
