Love Is a Revolution Renée Watson, 2021-02-04 From New York Times bestselling and award winning author Renée Watson comes a new YA novel a love story about not only a romantic relationship but how a girl finds herself and falls in love with who she really is Reading a Renée Watson novel is like having an intimate conversation with a friend Brandy Colbert deftly crafted big hearted beautiful funny honest and inspiring Nicola Yoon When Nala Robertson reluctantly agrees to attend an open mic night for her cousin sister friend Imani's birthday she finds herself falling in instant love with Tye Brown the MC He's perfect except Tye is an activist and is spending the summer putting on events for the community when Nala would rather watch movies and try out the new seasonal flavors at the local creamery In order to impress Tye Nala tells a few tiny lies to have enough in common with him As they spend more time together sharing more of themselves some of those lies get harder to keep up As Nala falls deeper into keeping up her lies and into love she'll learn all the ways love is hard and how self love is revolutionary In *Love Is a Revolution* plus size girls are beautiful and get the attention of the hot guys the popular girl clique is not shallow but has strong convictions and substance and the ultimate love story is not only about romance but about how to show radical love to the people in your life including to yourself *The Revolution of Love* George Verwer, 2005 The Revolution of Love George Verwer, 1989 *A Revolution of Love* David Scott, 2005 The glitter of Mother Teresa's celebrity obscures the full splendor of her saintliness argues Scott in this inspiring yet unsentimental look at the life of the first truly global saint Includes countless photos and unforgettable television images The Love Revolution Joyce Meyer, 2009-09-22 Joyce Meyer is not satisfied with the status quo She believes that we each need to become a revolutionary and practice love every day And if Joyce has her way the revolution will spread person by person house by house town by town until the old culture of selfishness and greed gives way to a new culture of concern for others The book is a revolutionaries manual a hands on primer for bringing the Golden Rule to life in the twenty first century Meyer starts out by giving some stunning statistics Right now 210 000 children will die this week because of poverty 640 million children do not have adequate shelter every day 3 000 children are abducted into the sex trafficking industry every day 16 000 children die from hunger related causes She goes on to say that although crisis is global the solution is local We can't solve the world's problems but that isn't a reason to remain idle Love Revolution focuses on personal behavior on the local scale It's not just a call to action it is a call to being being the person who goes out of your way to encourage someone who's out of hope being the one who smiles at a stranger being the one who is willing to do something for nothing The paradox when we do something for nothing what we often get is something far greater **Revolutionary Love** Michael Lerner, 2022-02-22 For those who are tired of screaming across the table as they debate the future of the country and the planet Revolutionary Love brings hope respect and love to today's political divide Michael Lerner offers concrete solutions for future development by identifying why the Left and the Right have been so ineffective in achieving any lasting change and discussing what it will

Pasco,2016-12-05 In this innovative study the author carves out a new field a sociology of literature in which he offers insightful commentary about the nexus of literature and society Calling on history sociology and psychology as well as literature as points of reference Allan Pasco examines the conceptual shift in the ideal of love in eighteenth century France Pasco explores the radical though gradual changes that occurred during the Enlightenment with respect to how the emotion of love was viewed Earlier love had been subordinate to the demands of family king and deity passion was dangerous and to be avoided But over time individual happiness became the greatest good and passion the measure of love Authors as diverse as Marivaux Marmontel Rousseau Bachelard d'Arnaud Pigault Lebrun and Madame de Staël make it clear that the ideal of rapturous love did not live up to its billing it did not last and it brought destructive fantasies an epidemic of disease the scourge of divorce and considerable anguish Still as Pasco points out passion became and remained the ideal and the Romantics were left to plumb its nature Revolutionary Love: Friendship-Love-Revenge Deepak Gupta,2023-10-03 Love is unconditional and that's the only condition for love What happens when an intelligent boy falls in love with a graceful girl Anand was intelligent in academics but dumb in real life He had a most beloved friend Ritesh who was good in real life but dumb in academics Both were opposites in real life but best friends of each other One day Natasha came into the life of Anand and everything started to change It's the true story of a revolutionary guy who loved a girl till the end As the time passed many incidents happened which shifted the perspective of their life where Friendship and Revenge both were good opponents It's the revolution of a guy whose life transformed overnight Revolutionary Love book will glue your heart and mind till the end The language is lucid and straightforward to make the book easy to read A Revolutionary Love-story Ellen Olney Kirk,1898 Love Troubles Wanning Sun,2023-05-18 Four decades of economic reform have made China one of the most unequal countries in the world but the impact of this inequality is not just socioeconomic Love Troubles is the first book to examine the emotional cost of this inequality to the intimate and emotional lives of China's people Drawing on first hand ethnographic research among rural migrant factory workers in the Pearl River Delta in southern China Wanning Sun critically analyzes narratives about love romance and intimacy in contemporary Chinese public discourses Examining the impact of economic and cultural inequality on private life this book both embodies and facilitates an intimate turn in the study of China's social change and presents a significant intellectual intervention into worldwide debates on inequality *The Handbook of Love* Bruce L.

When True Love Came to China Lynn Pan,2015-11-01 The Guardian s Best Books of 2015 Most people suppose that the whole world knows what it is to love that romantic love is universal quintessentially human Such a supposition has to be able to meet three challenges It has to justify its underlying assumption that all cultures mean the same thing by the word love regardless of language It has to engage with the scholarly debate on whether or not romantic love was invented in Europe and is uniquely Western And it must be able to explain why early twentieth century Chinese writers claimed that they had never known true love or love by modern Western standards By addressing these three challenges through a literary historical philosophical biographical and above all comparative approach this highly original work shows how love s profile in China shifted with the rejection of arranged marriages and concubinage in favour of free individual choice monogamy and a Western model of romantic love This book Lynn Pan s best to date adds a wonderful new angle by encouraging us via comparison to better appreciate how unusual even in some ways exotic a part of the Western past we take for granted as though it were natural actually is While the reader will learn a great deal about Chinese literary and cultural traditions from this book if read with an open mind the

Western reader may end up rethinking things about his or her tradition just as deeply Jeffrey N Wasserstrom Chancellor s Professor of History University of California at Irvine Nobody writes about China quite as brilliantly as Lynn Pan who in this new illuminating work on love showcases her trademark erudition entwined with a novelist s sensibility Pan s rare skill makes the book a treat from start to finish a sumptuous deft and moving analysis of China s relationship with love Mishi Saran author of *Chasing the Monk s Shadow A Journey in the Footsteps of Xuanzang and The Other Side of Light* *Radical Love* ,2015

Catalyst of Love Ryan Abrahams,2018-09-22 I wrote this poem for my son Noah when he was still a baby I wanted to come up with a poem prayer that I could say to him every night when putting him to bed Since I am not religious and more of a spiritual person I wanted to write something that could be universal and parents from different races religions and cultures could potentially say this to their children if they choose I now recite this poem to both of my sons every night before putting them to bed Recently I told this poem to a few of my friends and to my delight their children will not let their parents put them to sleep without saying this poem to them I think it is so important that we teach our children to love themselves and to believe in themselves and this poem was inspired to do just that for my precious son I hope love and light guide you and your children too and blesses you all throughout your life as well Love and Light May love and light guide you and bless you throughout your life May you always believe in yourself and see yourself in the highest light May you live your truth but respect one another without the need to be right May blessings flow every day and every single night May the love of your family and friends take you to new heights May love and light guide you and bless you tonight

The Violence of Love Kit W. Myers,2025-01-28 A free ebook version of this title is available through Luminos University of California Press s Open Access publishing program Visit www.luminosoa.org to learn more The Violence of Love challenges the narrative that adoption is a solely loving act that benefits birth parents adopted individuals and adoptive parents a narrative that is especially pervasive with transracial and transnational adoptions Using interdisciplinary methods of archival legal and discursive analysis Kit W Myers comparatively examines the adoption of Asian Black and Native American children by White families in the United States He shows how race has been constructed relationally to mark certain homes families and nations as spaces of love freedom and better futures in contrast to others that are not and argues that violence is attached to adoption in complex ways Propelled by different types of love such adoptions attempt to transgress biological racial cultural and national borders established by traditional family ideals Yet they are also linked to structural symbolic and traumatic forms of violence The Violence of Love confronts this discomforting reality and rethinks theories of family to offer more capacious understandings of love kinship and care
