Revolution: the Theory and Practice of a European Idea Krishan Kumar, 1971-01-01 POLITICAL THEORY
RAMASWAMY, SUSHILA, 2010-10-01 Political theory and political philosophy are generally used interchangeably though sometimes a distinction is made between the two This book on political theory deals with the study of political institutions along with the theories of State Law Liberty and Equality In its second edition the book continues to analyse the key concepts like Authority Power Sovereignty Political obligation Civil disobedience Citizenship Rights Democracy and Justice The non western ideas including Indian and Chinese are incorporated to underline cultural plurality and shared values in an enterprise that tries to set universal standards The book is designed for the undergraduate and postgraduate students of Political Science The book will be equally beneficial for the students appearing for the civil services examinations

Industrial Society (Routledge Revivals) Richard Scase, 2015-06-03 Any study of contemporary industrial societies must take into account the role of power ideology and class and the degree to which these determine the development of social structures This book first published in 1977 and based on a selection of eleven papers given at a conference of the British Sociological Association focuses upon aspects of continuity and change in modern society comparing and contrasting dimensions of class cleavage and control in capitalist and socialist societies This book is key reading for students of both sociology and business studies *Library of Congress Catalog* Library of Congress, 1970 **Sociological Worlds** Stephen K. Sanderson, 2013-10-31 This reissue of the now classic *Sociological Worlds* originally published in 1995 attempts to present a comprehensive picture of human social life from the perspective of the comparative historical revolution in sociology and presents some of the best theoretical and empirical work that is now being done by comparative historical sociologists as well as work by their close cousins socio cultural anthropologists From this perspective readers gain a picture of the major ways in which human societies differ For this new library edition Professor Sanderson has provided both a new preface and three contributions that did not appear in the original edition Homi Bhabha: An Introduction and Critique, Volume 3:

Political Theory and Practice Andrew McLaverty-Robinson, 2020-01-31 Homi Bhabha *An Introduction and Critique* is a pathbreaking three volume study of the celebrated postcolonial scholar's work McLaverty Robinson's careful reading renders Bhabha's theories in plain English without losing their meaning In addition McLaverty Robinson's incisive critique cuts through the theoretical aura of Bhabha's work and explores whether his theories work in practice either empirically or politically This third and final volume explores the political content and implications of Bhabha's work It explores Bhabha's political proposals such as the ideas of a community of suffering and a right to narrate It also explores Bhabha's relationship to neoliberalism and to the Eurocommunist current in the 1980s and his critical engagements with liberalism communitarianism Marxism critical race theory Deleuze and Guattari and Frantz Fanon This volume also includes an entire chapter providing a background on neoliberalism and a comprehensive index covering all three volumes Library
