**Understanding Comparative Politics** Lisa A. Baglione, 2024-02-22. Understanding Comparative Politics links comparative politics to identity, helping students make personal connections and actively learn and explore through maps, data, theory and reflection questions. Issues of race, gender, ethnicity and religion are put into context, encouraging critical thinking about world regions and individual countries through the lens of current events. *Forthcoming Books* Rose Army, 2002-04. *Comparative Public Administration* Moshe Maor, Jan-Erik Lane, 1999. A two-volume set focusing on comparative public administration. Volume One examines different processes and models of decision making and implementation in public administration. Volume Two presents articles on the comparative analysis of public administration across time, place and policy areas. Government Politics in Australia Alan Fenna, Jane Robbins, John Summers, 2013-09-05. *Government and Politics in Australia* 10e is the comprehensive and scholarly political science text that provides thorough and accessible content written by authorities in the field. Now in its 10th edition, *Government and Politics in Australia* continues to provide students with a research-based, in-depth contemporary introduction to the Australian political system. A strengthened focus on government and politics ensures that this classic text remains the most comprehensive and authoritative guide to the structure and institutions of Australian government, as well as political parties, representation, interest groups and the role of the media in Australian politics. The 10th edition has been thoroughly revised and updated by experts in the field, led by a new editor team, and includes a completely new chapter on Australia in the world. *Transitions to Democracy* Geoffrey Pridham, 1995. The phenomenon of transitions to liberal democracy has become a major concern for political scientists in recent decades. This text covers conceptual issues for regime change, theoretical and comparative interpretations of transition and authoritarian collapse, national case studies of transition, divided into three area studies: the international context of transition, the move towards democratic consolidation, and the future of democratic transition studies. **Feminism and Politics** Joni Lovenduski, 2000. This text is part of a series which aims to bring together articles in the field of comparative politics. It offers a collection of essays which provide a basis for understanding the established conceptual terrain and modern developments in the field of comparative political analysis. This text presents volumes I and II and focuses on feminism and politics.
