Secrets Parents Should Know About Public Schools:

Secrets Parents Should Know about Public Schools Terry Frith,1985 What Every Parent Should Know about Teen Sex Becky Ettinger,2007-06 Ettinger educates parents with the latest facts about condoms and sexually transmitted diseases to prepare them to discuss the growing epidemic with their teens She focuses on the life altering consequences of early sexual activity Social Issues **Have We Lost Our Children Or Have They Lost Us?** Catherine Hosmer,2008-04 WHAT S HAPPENING TO PARENT S RELATIONSHIPS WITH THEIR KIDS To find out the author interviewed hundreds of parents for their opinions Many felt that they were losing their children some thought they d already lost them some say they didn t care But in interviews it became obvious that they care very much and that frustration about their children s futures in this topsy turvy world has made them feel powerless The author wrote this book to find out if the bond is truly rupturing and if so what parents can do about it While uncovering data for the book she came to know great educators teachers psychologists as well as wise parents She contacted Sixty Minutes Nova numerous Internet sources and learned texts The opinions of many of these experts as well as parents comments are included in this book The author found that most psychologists are competent caring people ready to help needy clients But many appeared badly trained or still echo the theories of Freud and Erickson and others who criticized parents for their children s problems Many mothers and fathers feel these criticisms have been unwarranted and unfair This book will show that parents are far wiser and more competent than they think **The Interactive Parent** Linwood Laughy,1988 *What Every Parent Should Know About Education* Chris Atherton,Stuart Kime,2025-02-28 What do you really know about how children learn How helpful are different types of assessment and what do the results mean Is homework necessary and how you can you encourage your child at home Will ability groups and setting help your child achieve more How do you choose the right school to suit your child The government and the media have a lot to say about education but what is the evidence behind these debates This book walks you through all the most important issues in education comparing commonly held beliefs with simple summaries of the evidence providing you with clear jargon free information It covers topics including school choice testing and assessment homework and revision primary and secondary specific topics stress and mental health and special needs Most importantly it ensures you will be able to ask schools the right questions interact positively with teachers and effectively support your child throughout their education Chris Stuart have written a parent s guide that is jam packed with practical advice research and informative summaries that any parent can use to support their child to succeed at school It s organised so you can easily dip in and out when looking for information and guidance and gives answers to questions that parents may have about their child s education I recommend this book to all parents guardians that want to work alongside their child s school to get the best out of their time there Dawn Cox Teacher and Blogger **Omissions, Myths and Secrets of Our Public Schools** Keith R. Snelson,2005 The present shortage of high schools is projected to increase as enrollment increases Our public school system

does not have enough principal type people to fulfill the needs and certification requirements prevents those outside the system from being considered Unless certification is deleted our only answer will be private or charter schools that are able to avoid the educational establishment restrictions Don't Count Me Out! A GUIDE TO BETTER GRADES AND TEST SCORES PRE K -12TH Barbara Dianis,2013-02-01 Daily modern media documents the educational crisis society is facing Every day over 7 000 school age teenagers decides to become high school dropouts Shockingly in America where public education is free over 1 300 000 struggling students annually fail to complete their high school education Education is rapidly deteriorating Therefore questions are asked in the media Blame is placed on teachers students parents community and economics but solutions are few Don t Count Me Out contains two books within one book Book 1 details informational secrets and strategies to help children or teenager reach their highest scholastic potential Book 2 takes the reader from Pre K to 12th and early college years detailing in depth scholastic solutions to make academic success possible for those who struggle in one or all subjects areas Within the pages are years of proven educational secrets and solutions that have transformed children and teenagers into academic winners and achievers *Understanding Your School-age Child* ,1988

High Schools in Crisis Ellen Hall,Richard Handley,2004-03-30 This book exposes the degree of rage today s teenagers feel and how our nation s schools are failing them not just academically but in just about every way imaginable Hall and Handley propose practical techniques procedures and core values that can make high school a safe learning environment once again Drawing from their many years of experience administering a high school that provided a safe and fulfilling learning environment they introduce readers to teaching techniques administrative policies and design ideas that encourage students to speak out express their indomitable idealism and feel welcome and accepted The learning process works best when students are supported encouraged and accepted The authors tell the story of a special school Mountain View that upholds a strong belief in the value of each student through smaller classes experiential learning and an awareness of community in and out of school This book describes the journeys of students who were angry unsure or struggling with various labels of learning disabilities as well as students who were successful in the traditional educational system but sought more opportunities for creativity and self expression Their stories are told in the context of how to build and run a school that is keenly attuned to teenagers needs Twenty Questions for Parents help to pinpoint issues and difficulties children may be struggling with Also included is a bibliography of helpful sources and suggested readings In keeping with the efforts of the Bill and Melinda Gates Foundation to support small high schools around the United States this book provides a blueprint for parents school districts and communities *What High Schools Don't Tell You* Elizabeth Wissner-Gross,2007 Reveals strategies for helping today s high school students become an applicant for whom colleges will compete identifying academic credentials extracurricular programs and other achievements that will be favorably received by leading admissions committees
