Stephen A. Ibeh, 2023-05-16 The church in America has fallen in deep sleep and needs to wake up. In the current state, we are to stand in the gap with God and intercede for her. This book is about spiritual discernment of the vices that are currently hindering the church, as well as prayers for these vices. According to Jesus's words, we are to watch and pray so we will not enter temptation. Matthew 26:42. Let us then arm ourselves with prayers while keeping an eye on those things that crept into the church unawares. [The Art Of Seduction](#)

Jimmy Evans, 2008-03-03 In this timely book, Jimmy Evans exposes an ancient plot designed to rob every man and woman of joy, fulfillment, health, and genuine intimacy: the progressive distortion of God-given sexuality. In ripping the cover from this pervasive deception, Evans points us to the path to restoration and sexual wholeness. Every teen, single adult, and married couple living in our decaying culture urgently needs the startling truths found here. I want you to know, beyond any doubt, that sex is God's subject. Our loving Father, however, has

made a way to take back the gift He sent Jesus to undo the work of the Deceiver He has made a way of escape for us a way back to the Garden So what s the answer How do we get back to God s original plan for sexuality Finding liberating answers to those questions is the very focus of this book Jimmy Evans **Deliverance: The Key to Freedom** Pastor Maria Yiangou BSc(Hons), PGCE, MA, MifL ,2016-03-24 Are you tired of going round in circles Are you tired of stagnation Are you tired of a particular sin that you can t seem to shake off Then this is the book for you Deliverance Your Key to Freedom will teach you what deliverance is how Jesus used deliverance in His ministry and how you too can experience divine deliverance starting today Be on your way to seeing changes in your circumstance with Deliverance Your Key to Freedom *Experiential Christianity* Ray Morose,2011 Experiential Christianity The main objective of this book is to illuminate the experiential arm of Christianity and by doing so redefine its devotional arm The devotional arm may guide but it takes the experiential arm to confirm By its nature experiential Christianity can bypass religious borders as it is not a dogma theology or a belief but a state of experiential being Hence can connect with and be beneficial to everyone regardless of his or her religious affiliation In this reevaluation of Christianity its living essence is revealed That exposure reveals an experiential pathway that unveils a practical foundation for a moral compass to steer one through the various hazards of daily living By learning to avoid those hazards your one and only purpose in life is revealed which is to discover the experiential reality of the statement made by Jesus that God is within you Everything else is secondary Meaning that experience is primary as it is used to define how one lives acts and thinks Based upon that experience a moral foundation naturally arises providing a cornerstone for ethical stances that cannot be manipulated or twisted by the many and varied seductive playthings engendered by self interest The depth of understanding released by the actual experiential discovery that God is within you changes your life forever you are truly reborn However that experience is not achievable by belief alone You must be willing to experientially delve into the core of your existence to discover the reality of that statement by Jesus Meaning you must experience it and not just believe it For that journey you will require intellectual knowledge of how all the internal components of your existence function and interrelate Without that knowledge you would easily become bewildered and distressed by the confusing quantity of ambiguous information that can block your pathway and in despair claim that experience is impossible Hence this book outlines all the tools you need to survive that internal journey and provides a map to begin your search Using both the tools and map is a personal decision that another cannot make for you You either do or do not There is no in between Does a non material entity referred to as God exist Yes Is it possible to logically confirm that assertion Yes Is a personal connection to that entity possible Absolutely That personal connection is not hiding You are hiding from it This book provides all the necessary information to realize that connection When that realization is a living reality it transforms belief into actuality establishing the cornerstone of an indestructible faith that underpins every thought and action in your life That experience adds experiential authenticity to your life confirming your eternal career has begun and that beginning has no end
