# Seductive Cinema The Art Of Silent Film

**M. Tolini Finamore**

## **Seductive Cinema The Art Of Silent Film:**

Seductive Cinema James Card, 1994 He describes overlooked silent movies of social concern among them *The Cry of the Children* directed by George Nicholls such classic thrillers as Herbert Brenon's *Beau Geste* and such early avant garde American masterpieces as J Sibley Watson's *The Fall of the House of Usher*      **Medieval Art and the Look of Silent Film**

Lora Ann Sigler, 2019-07-11 The heyday of silent film soon became quaint with the arrival of talkies As early as 1929 critics and historians were writing of the period as though it were the distant past Much of the literature on the silent era focuses on its filmic art ambiance and psychological depth the splendor of the sets and costumes yet overlooks the inspiration behind these This book explores the Middle Ages as the prevailing influence on costume and set design in silent film and a force in fashion and architecture of the era In the wake of World War I designers overthrew the artifice of prewar style and manners and drew upon what seemed a nobler purer age to create an ambiance that reflected higher ideals      **Silent Films,**

**1877-1996** Robert K. Klepper, 2015-09-16 This film reference covers 646 silent motion pictures starting with Eadweard Muybridge's initial motion photography experiments in 1877 and even including *The Taxi Dancer* 1996 Among the genres included are classics dramas Westerns light comedies documentaries and even poorly produced early pornography Masterpieces such as *Joan the Woman* 1916 *Intolerance* 1916 and *Faust* 1926 can be found as well as rare titles that have not received critical attention since their original releases Each entry provides the most complete credits possible a full description critical commentary and an evaluation of the film's unique place in motion picture history Birth dates death dates and other facts are provided for the directors and players where available with a selection of photographs of those individuals The work is thoroughly indexed      Silent Movies Peter Kobel, 2009-02-28 Drawing on the extraordinary

collection of The Library of Congress one of the greatest repositories for silent film and memorabilia Peter Kobel has created the definitive visual history of silent film From its birth in the 1890s with the earliest narrative shorts through the brilliant full length features of the 1920s *Silent Movies* captures the greatest directors and actors and their immortal films *Silent Movies* also looks at the technology of early film the use of color photography and the restoration work being spearheaded by some of Hollywood's most important directors such as Martin Scorsese and Francis Ford Coppola Richly illustrated from the Library of Congress's extensive collection of posters paper prints film stills and memorabilia most of which have never been in print *Silent Movies* is an important work of history that will also be a sought after gift book for all lovers of film      Silent

Film & the Triumph of the American Myth Paula Marantz Cohen, 2001 This broad cultural study connects the rise of film to the rise of America as a cultural centre and world power in the 20th century Cohen argues that through film America asserted its cultural independence and forged a form of cultural oppression      *Gloria Swanson* Tricia Welsch, 2013-08-21

*Gloria Swanson* Ready for Her Close Up shows how a talented self confident actress negotiated a creative path through seven decades of celebrity It also illuminates a little known chapter in American media history how the powerful women of early

Hollywood transformed their remarkable careers after their stars dimmed This book brings Swanson 1899 1983 back into the spotlight revealing her as a complex creative entrepreneurial and thoroughly modern woman Swanson cavorted in slapstick short films with Charlie Chaplin and Mack Sennett in the 1910s The popularity of her films with Cecil B DeMille helped create the star system A glamour icon Swanson became the most talked about star in Hollywood earning three Academy Award nominations receiving 10 000 fan letters every week and living up to a reputation as Queen of Hollywood She bought mansions and penthouses dressed in fur and feathers and flitted through Paris London and New York engaging in passionate love affairs that made headlines and caused scandals Frustrated with the studio system Swanson turned down a million dollar a year contract After a wild ride making unforgettable movies with some of Hollywood s most colorful characters including her lover Joseph Kennedy and maverick director Erich von Stroheim she was a million dollars in debt Without hesitation she went looking for her next challenge beginning her long second act Swanson became a talented businesswoman who patented inventions and won fashion awards for her clothing designs a natural foods activist decades before it was fashionable an exhibited sculptor and a designer employed by the United Nations All the while she continued to act in films theater and television at home and abroad Though she had one of Hollywood s most famous exit lines All right Mr DeMille I m ready for my close up the real Gloria Swanson never looked back *Helen of Troy in Hollywood* Ruby Blondell,2023-08

This book explores the representation of Helen of Troy in Hollywood film and television with a particular focus on her defining features transcendent beauty and transgressive erotic agency The first chapter on early Hollywood sets the scene by explaining the importance of ideas about Greek beauty at the beginning of cinema and highlighting some of the problems that continue to bedevil this topic especially realism and the representation of supreme beauty Blondell argues that the problem of Helen is baked into Hollywood from the start In subsequent chapters Blondell examines specific screen adaptations in which Helen is featured Each of these case studies locates a particular work in its historical cultural and generic context as a framework for addressing the ways in which it approaches a range of interlocking questions about beauty its representation and the cinematic uses of myth The second chapter is devoted to the sole Helenic feature film of the silent period Alexander Korda s *Private Life of Helen of Troy* 1927 Part II moves to the big screen epic pairing one film from each of the two great waves of ancient world epic spanning the latter half of the 20th century Robert Wise s 1956 epic *Helen of Troy* and Wolfgang Petersen s more recent extravaganza *Troy* 2004 In Part III she turns to television with a chapter on episodic tele fantasy followed by a study of the 2003 miniseries *Helen of Troy* In some of these works Helen is the central character or hero in others she is at the periphery of a masculine adventure But in all of them she represents the threat of superhuman beauty as an inheritance from classical Greece **Hollywood Before Glamour** M. Tolini Finamore,2013-01-28

This exploration of fashion in American silent film offers fresh perspectives on the era preceding the studio system and the evolution of Hollywood s distinctive brand of glamour By the 1910s the moving image was an integral part of everyday life

and communicated fascinating but as yet uninvestigated ideas and ideals about fashionable dress      **Rethinking the Femme Fatale in Film Noir** J. Grossman, 2009-10-21 In the context of nineteenth century Victorinoir and close readings of original cycle film noir Julie Grossman argues that the presence of the femme fatale figure as she is understood in film criticism and popular culture is drastically over emphasized and has helped to sustain cultural obsessions with bad women

**Dangerous Men** Mick LaSalle, 2014-07-15 Using the same mix of accessibility and insider knowledge he used so successfully in *Complicated Women* author and film critic Mick LaSalle now turns his attention to the men of the pre Code Hollywood era The five years between 1929 and mid 1934 was a period of loosened censorship that finally ended with the imposition of a harsh Production Code that would for the next thirty four years censor much of the life and honesty out of American movies *Dangerous Men* takes a close look at the images of manhood during this pre Code era which coincided with an interesting time for men the culmination of a generation long transformation in the masculine ideal By the late twenties the tumult of a new century had made the nineteenth century's notion of the ideal man seem like a repressed stuffed shirt a deluded optimist The smiling confident hero of just a few years before fell out of favor and the new heroes who emerged were gangsters opportunists sleazy businessmen shifty lawyers shell shocked soldiers men whose existence threatened the status quo In this book LaSalle highlights such household names as James Cagney Clark Gable Edward G Robinson Maurice Chevalier Spencer Tracy and Gary Cooper along with lesser known ones such as Richard Barthelmess Lee Tracy Robert Montgomery and the magnificent Warren William Together they represent a vision of manhood more exuberant and contentious and more humane than anything that has followed on the American screen

Thank you very much for reading **Seductive Cinema The Art Of Silent Film**. Maybe you have knowledge that, people have look hundreds times for their chosen readings like this Seductive Cinema The Art Of Silent Film, but end up in harmful downloads.

Rather than reading a good book with a cup of tea in the afternoon, instead they are facing with some infectious bugs inside their computer.
