score Edmonton's boy band of brothers Experience hockey history and hijinks like you never have before **The Routledge Dictionary of Modern American Slang and Unconventional English** Tom Dalzell, 2018-05-11 The Routledge Dictionary of Modern American Slang offers the ultimate record of modern post WW2 American Slang. The 25 000 entries are accompanied by citations that authenticate the words as well as offer examples of usage from popular literature, newspapers, magazines, movies, television shows, musical lyrics, and Internet user groups. Etymology, cultural context, country of origin, and the date the word was first used are also provided. In terms of content, the cultural transformations since 1945 are astounding. Television, computers, drugs, music, unpopular wars, youth movements, changing racial sensitivities, and attitudes towards sex and sexuality are all substantial factors that have shaped culture and language. This new edition includes over 500 new headwords collected with citations from the last five years, a period of immense change in the English language, as well as revised existing entries with new dating and citations. No term is excluded on the grounds that it might be considered offensive as a racial, ethnic, religious, sexual, or any kind of slur. This dictionary contains many entries and citations that will and should offend. Rich, scholarly, and informative, The Routledge Dictionary of Modern American Slang and Unconventional English is an indispensable resource for language researchers, lexicographers, and translators. Not Another Bad Date Rachel Gibson, 2009-03-17 What does a gal have to do to get a good date in this town? Adele Harris can't even begin to answer that question. She's had so many lousy dates that she's sure she's cursed. Why else would every man she goes out with suddenly act like he's lost his mind and his manners? Adele thought life couldn't get any more confusing until she learns the marriage of her seemingly Miss Perfect sister is on the rocks. So she goes back to their hometown to give her a shoulder to cry on, only to run smack into Zach Zemaitis, the one who got away. Texans love God, family, and football, though not always in that order. Zach, a former pro star, knows all about football. As for the other two, well, he's doing his best. But when Adele comes charging back into his life, still all lush curves and beautiful big blue eyes, he wonders if his best is good enough. After all, he did her wrong. Can a woman with her track record ever really believe that he's serious this time, or is he destined to be another bad date?
