The Father Tom Mysteries: Books 4-6 J. R. Mathis, Susan Mathis, 2021-11-27

Enjoy this Contemporary Small Town Amateur Sleuth Mystery Boxset. This is a boxset of books 4-6 in *The Father Tom Mysteries*. Meet Father Tom Greer and Detective Helen Parr, former lovers reunited after twenty years as they solve crimes old and new and explore the profound mysteries of the human heart.

The Buried Bride Book 4: With the Archbishop's blessing, Helen and I are spending Lent building a relationship built on love but without physical intimacy. And yes, it's as hard as it sounds. But this penitential season, I have other work to do. I need to rebuild my relationship with the families of St. Clare's after neglecting my duties as their shepherd. I must confess my sins to them and ask their forgiveness. With these two tasks, I expected this Lent to be the longest of my life. But I didn't expect to be fighting to stay out of prison.

The Defining Decision Book 5: After the astonishing news from the Archbishop, Helen and I are looking forward to possibly having a life together as husband and wife. That is, if the Holy Father grants me permission. While awaiting word from the Vatican, we're getting to know each other more deeply. Going out on dates, spending time together, talking about what our life together will be like if we're allowed to marry. All of this under Anna's watchful eye and being very careful to keep things secret. But then Gladys runs over the President of Myer College's chief of staff. What looks like a tragic accident takes a bizarre turn when drugs are found in his system. Is the young genius I consider a daughter guilty of murder, or is she being set up by someone from her past?

The Silent Shooter Book 6: The Pope's decision to allow us to marry captures the imagination of the entire world. Finally, after having to hide our relationship from all but a few close friends, we can openly proclaim our love for each other and celebrate with our parish family our future lives together. But not everyone it seems is happy with our plans. First come the letters threatening Helen with divine justice if she persists in her plans. Then, on live television, someone takes a shot at us. It soon becomes apparent that someone's decided to stop us at any cost. But Helen already knows who wants her dead. It's someone from her past as a Detective in Washington D.C. A serial killer who sees himself acting as God's instrument to kill impure women. With little to go on besides the letters of a lunatic and a possible connection between the killer and a fanatic priest with his own agenda, we're in a race against time to find a killer.
