well as journalists historians and researchers Secretary of Commerce and supervisor of the WPA Harry Hopkins hailed it a renaissance of the arts if we can call it a rebirth when it has no precedent in our history Women were eminently involved creating a wide variety of art and craft interweaving their own stories with those of other women whose lives might not otherwise have received attention This book surveys the thousands of women artists who worked for the U S government the historical and social worlds they described and the collaborative depiction of womanhood they created at a pivotal moment in American history

North Carolina Women Michele Gillespie, Sally G. McMillen, 2015-07-01 By the twentieth century North Carolina's progressive streak had strengthened thanks in large part to a growing number of women who engaged in and influenced state and national policies and politics These women included Gertrude Weil who fought tirelessly for the Nineteenth Amendment which extended suffrage to women and founded the state chapter of the League of Women Voters once the amendment was ratified in 1920 Gladys Avery Tillett an ardent Democrat and supporter of Roosevelt's New Deal became a major presence in her party at both the state and national levels Guion Griffis Johnson turned to volunteer work in the postwar years becoming one of the state's most prominent female civic leaders Through her excellent education keen legal mind and family prominence Susie Sharp in 1949 became the first woman judge in North Carolina and in 1974 the first woman in the nation to be elected and serve as chief justice of a state supreme court Throughout her life the Reverend Dr Anna Pauline Pauli Murray charted a religious literary and political path to racial reconciliation on both a national stage and in North Carolina This is the second of two volumes that together explore the diverse and changing patterns of North Carolina women's lives The essays in this volume cover the period beginning with women born in the late nineteenth and early twentieth centuries but who made their greatest contributions to the social political cultural legal and economic life of the state during the late progressive era through the late twentieth century

Small Wonder Jonathan Zimmerman, 2009-07-14 This engaging book examines the history of the one room school and how successive generations of Americans have remembered and just as often misremembered this powerful national icon

The Grass Shall Grow Mick Gidley, 2020-02-01 The Grass Shall Grow is a succinct introduction to the work and world of Helen M Post 1907-79 who took thousands of photographs of Native Americans Although Post has been largely forgotten and even in her heyday never achieved the fame of her sister Farm Security Administration photographer Marion Post Wolcott Helen Post was a talented photographer who worked on Indian reservations throughout the West and captured images that are both striking and informative Post produced the pictures for the novelist Oliver La Farge's nonfiction book *As Long As the Grass Shall Grow* 1940 among other publications and her output constitutes a powerful representation of Native American life at that time Mick Gidley recounts Post's career from her coming of age in the turbulent 1930s to her training in Vienna and her work for the U S Indian Service tracking the arc of her professional reputation He treats her interactions with public figures including La Farge and editor Edwin Rosskam and describes her relationships with Native Americans whether noted craftspeople such

as the Sioux quilter Nellie Star Boy Menard tribal leaders such as Crow superintendent Robert Yellowtail or ordinary individuals like the people she photographed at work in the fields or laboring for federal projects at school or in the hospital cooking or dancing The images reproduced here are analyzed both for their own sake and in order to understand their connection to broader national concerns including the 1934 Indian Reorganization Act The thoroughly researched and accessibly written text represents a serious reappraisal of a neglected artist **Hope in Hard Times** Mary Murphy, 2003

Arthur Rothstein Russell Lee John Vachon and Marion Post Wolcott became some of the United States best known photographers through their pictures of Depression era America Their assignment as one of their associates described it was to have a long look at the whole vast complicated rural U S landscape with all that was built on it and all those who built and wrecked and worked in it and bore kids and dragged them up and played games and paraded and picnicked and suffered and died and were buried in it In Montana the four photographers traveled to forty of the state s fifty six counties creating a rich record of the many facets of the Depression and recovery rural and urban agricultural and industrial work and play hard times and the promise of a brighter future The photographers captured the dignity of Montanans as they struggled to scratch out livings from dried up fields nurture families in the shadows of Butte head frames and foster communities on the vast expanses of the northern plains Hope in Hard Times features over 140 Farm Security Administration photographs to illustrate the story of the Great Depression in Montana and the experiences of the photographers who documented it Today these striking images from cities like Butte to small towns like Terry present an unforgettable portrait of a little studied period in the history of Montana Selected from the Farm Security Administration Collection at the Library of Congress in Washington D C the photographs in Hope in Hard Times offer viewers an unparalleled look at life in Montana in the years preceding the United States entry into World War II
