Seeing Beyond Movies Visions And Values By Robinson:

Seeing Beyond William Ronald Robinson, Annie Dillard, 2001 Busby Berkeley at Warner Bros. James Phillips, 2025-01-23 Busby Berkeley's big production numbers are emblematic of the Hollywood dream factory Exploring the tensions between escapism and ideological over coding in the Warner Bros musical this book tracks the ways in which Berkeley created spectacles that are both critical and complacent in relation to the society that produced and received them Berkeley carried into his images of utopia the assembly plant the misogyny the fascism and racism of his day but his collaboration with the filmmakers Enright Bacon and LeRoy into whose narratives his numbers were spliced likewise involved taking care to draw a line between spectacle and the everyday The book makes the case that the Warner Bros musical with its attention to the specificity and containment of the aesthetic dimension has corrective lessons to impart for the aestheticized politics not only of the 1930s but also of the current age *The Cinema of Robert Altman* Robert Niemi, 2016-03-01 In a controversial and tumultuous filmmaking career that spanned nearly fifty years Robert Altman mocked subverted or otherwise refashioned Hollywood narrative and genre conventions Altman's idiosyncratic vision and propensity for formal experimentation resulted in an uneven body of work some rank failures and intriguing near misses as well as a number of great films that are among the most influential works of New American Cinema While Altman always professed to have nothing authoritative to say about the state of contemporary society this volume surveys all of his major films in their sociohistorical context to reposition the director as a trenchant satirist and social critic of postmodern America depicted as a lonely wasteland of fraudulent spectacle exploitative social relations and unfulfilled solitaires in search of elusive community Joss Whedon, A Creative Portrait David Lavery, 2013-10-10 Spring 2012 saw the return to creative and critical success of Joss Whedon with the release of both his horror flick *The Cabin in the Woods* and the box office sensation *Marvel's The Avengers* After establishing himself as a premier cult creator the man who gave us great television with *Buffy the Vampire Slayer* *Angel* *Firefly* *Dollhouse* and web series *Dr Horrible's Sing Along Blog* as well as comic books including *Fray* and *Astonishing X-Men* finally became the filmmaker he'd long dreamed of being Drawing on a wide variety of sources and making use of psychologist Howard Gruber's insights into the nature of the creative process *Joss: A Creative Portrait* offers the first intellectual biography of Whedon tracking his career arc from activated fan boy to film studies major third generation television writer successful script doctor innovative television auteur beloved cult icon sought after collaborator and major filmmaker with *Marvel's The Avengers* Film and television scholar and Whedon expert David Lavery traces Whedon's multi faceted magic from its source the early influences of parents and teachers comics books movies collaborators to its artistic incarnation **Library Journal**, 2001 **Sam Peckinpah's West** Leonard Engel, 2003 I use violence as it is It's ugly brutalizing and bloody awful Vilified for his violent vision of the American West as presented in films such as *The Wild Bunch* and *Pat Garrett and Billy the Kid* the artistry of Sam Peckinpah's work was largely overlooked in his lifetime

Dismissed by critics he was essentially ignored in the decade following his untimely death in 1984 at the age of fifty nine. However, with the publication of a biography in 1994 and Warner Bros theatrical re-release of *The Wild Bunch* in 1995, Peckinpah reemerged as a distinctive voice in American film. In *Sam Peckinpah's West*, eleven scholars approach the director's oeuvre with an eye toward his minor films touching on themes and characters previously overlooked and linking his vision to America's literary and historical traditions. These insightful essays assure us that Peckinpah's work will not be forgotten again, nor the vibrancy of his characters who go out not with a whimper nor even a bang but a cinematic explosion that rocked Hollywood and riveted us in a way we'll never forget. *South Atlantic Review*, 2002. *Rewriting Crusoe* Jakub Lipski, 2020-09-17. Published in 1719, Defoe's *Robinson Crusoe* is one of those extraordinary literary works whose importance lies not only in the text itself but in its persistently lively afterlife. German author Johann Gottfried Schnabel, who in 1731 penned his own island narrative, coined the term *Robinsonade* to characterize the genre bred by this classic, and today hundreds of examples can be identified worldwide. This celebratory collection of tercentenary essays testifies to the *Robinsonade's* endurance, analyzing its various literary, aesthetic, philosophical, and cultural implications in historical context. Contributors trace the *Robinsonade's* roots from the eighteenth century to generic affinities in later traditions, including juvenile fiction, science fiction, and apocalyptic fiction, and finally to contemporary adaptations in film, television, theater, and popular culture. Taken together, these essays convince us that the genre's adaptability to changing social and cultural circumstances explains its relevance to this day. Published by Bucknell University Press. Distributed worldwide by Rutgers University Press. **How the Movies Got a Past** Dimitrios Latsis, 2023. *How the Movies Got a Past* presents a comprehensive survey of the rise of historiographical discourse on cinema in North America as it is reflected in publications, exhibitions, lectures, and films about the cinema as a technology, artform, and source of entertainment from its inception up to 1930. With a wealth of case studies and illustrations, this book will appeal to media historians, silent movie buffs, film archivists, and students alike. **The Writers Directory**, 2013.

If you ally need such a referred **Seeing Beyond Movies Visions And Values By Robinson** book that will come up with the money for you worth, get the totally best seller from us currently from several preferred authors.
