The Seeker's Guide to Reading the Bible Steve Mueller, 1999 Do you want to know what the Bible is How to read it What Catholics believe about it Steve Mueller addresses many of the problems and concerns that adult learners commonly face when they begin their journey of faith through Scripture This guide is perfect for those who are new to Bible study as well as those who want to increase their knowledge of the Bible International Handbook of the Religious, Moral and Spiritual Dimensions in Education Marian de Souza, Gloria Durka, Kathleen Engebretson, Robert Jackson, Andrew McGrady, 2007-06-04 Traditionally spirituality has resided and been contained within religious frameworks but while the links between the two areas are still acknowledged by many in the contemporary world spirituality is perceived by some as an aspect of human life that is distinct from religion Consequently many are searching for meaning within and without religious traditions today and seeking answers to ethical and moral questions that have been generated by the knowledge and technological explosion One outcome is the renewed interest in the religious spiritual and moral dimensions of education throughout the life cycle This International Handbook presents the research and professional practice of scholars who are daily engaged in the consideration of these dimensions in education The result is a collection of essays which reflects the discipline in all of its internationality as it as today Embedded within the chapters is also an agenda for the future where the religious moral and spiritual dimensions in education are proposed as an exciting and challenging way forward for educators at all levels in society As well it offers a vision for the emergence of a peaceful and just world The Shadow, The Body, and The Light Maxine Penland Holden, 2018-10-17 For two thousand years we have been teaching and learning the prophecies and promises of God concerning His First Coming It is time to stop drinking milk as infants and begin eating meat as mature Christians We need to teach and learn the prophecies and promises for God s Second Coming First we need the biblical explanation for the old blood covenant and the scriptural explanation for the new blood covenant the Shadow and the Body before we can understand God s eternal salvation plan for all the earth the Light Did you know 1 God changed the written law before he changed the natural law in order for God s chosen daughter Mary to give birth to Messiah 2 The substitute Lamb God provided for Isaac and the substitute Lamb God provided for the offerers in the temple was God s plan until the real Lamb of God Jesus came as the Substitute Sacrifice for all man kind 3 That the Promise Blessing was fulfilled at His first coming there for we are able to inherit the Birth Right Blessing at His second coming Word of Wisdom God does not interfere with man s will unless man s will interferes with God s will Bishop Norman Vincent Peale At last God s door to his kingdom is open to all mankind Evangelist Minister Billy Graham And I remembered the word of the Lord John baptized with water but you shall be baptized with Holy Spirit St Peter Acts 10 1617 For one mans disobedience many were made sinners so by one mans obedience many will be made righteous St Paul Romans 5 1921 *I'm Glad You Asked!* Mark R. Pierce, 2008 Questions are good Teens of every age have many questions about the faith not just what they believe and why they believe it but about

Christianity for Seekers and Skeptics Clinton W. McLemore, 2024-11-14 What is the difference between belief and faith Are science and religion incompatible How much do we know about Jesus Why does God keep us so much in the dark How much can we trust the Bible especially when the New Testament is two thousand years old and the Old Testament even older Has Christianity helped or hindered civilization What about violence in the name of Christ Why does God allow suffering and tragedy Does religious faith even make sense Christianity for Seekers and Skeptics is for those in search of passionate faith that also holds up under careful scrutiny It is also for Christians who want better to understand the foundations of their faith and how to respond when others challenge it The author is an award winning psychologist who has taught at the college and university levels He has also taught in a doctoral clinical training program at a seminary This wide ranging volume reflects decades of multi disciplinary
