Through These Eyes Elizabeth Williams,2019-12-09 *Through These Eyes* is a collection of experiences and challenges in the form of stories during my nursing career that left an indelible mark upon my mind Some of these experiences help to mold the way I saw my job and cared for my patients Sometimes in executing one's job as a nurse was like weathering a storm The medical situation could be very critical the storm brutal survival depended on your execution of the client's plan of care to save him/her and to save yourself On days like that you really had to even breathe thoughtfully Every day was a challenge to me I prayed for guidance from a God who doesn't exist for so many but for me He was my lifeline He was here before knowledge therefore there was never a situation I didn't trust him to help me assess and execute I fought for every life that was put in my care as though my very existence depended on it And you know what it did As a part of the Medical Profession Registered Nurses have adopted an oath to serve without harm

Through These Eyes Clark Lord,2024-11-21 In June of 2010 Clark Lord was in a car accident which shifted the direction of all things most notably his brain and spine Many of his abilities were either drastically altered or rendered to ashes Writing however remained intact and through the wisdom of the cosmos even improved Upon that discovery and with the knowledge that many around him no longer had the ability to tell their story Clark set forth on the mission to tell the tale of progress from that fateful day up until the present This is a story of making the impossible routine This is also a story of making the routine impossible This is a story of the unexpected leading to a place of no expectations This is the story of going from the forgotten to the unforgettable A story of having to lose it all in order to find it A story of beating the odds to betting on myself This is a story This could be your story This is my story

Remember this as you read *Life Through These Eyes* Vol II There is always a story within a story I am often asked Are your characters real Oh yes they are all real very real to me I loved a few disliked many and spent years trying to forget some

The book covers six decades of my lifestories of love exceptional friendships pets raising humans marriage at its best and worst really mean people holiday memories men being men and much more

At age fifty eight I discovered I had a message I wanted to share A message that contained memories from childhood to retirement wonderful and sometimes painful life lessons praise and criticism regarding my community and events and people that made me angry and disillusioned I found an outlet for many hurtful experiences Also I found a way to channel my political feelings

Writing became my therapist

[Through These Eyes](#) T/Sgt. James Lee Hutchinson, Ed.S., 2005-10-05

This is the story of Eighth Air Force bombing missions leaving England to blast targets in Hitler's Third Reich in 1944-45 Each clear day the skies filled with hundreds of B17 Flying Fortress bombers and their escorts crossing the English Channel toward enemy targets protected by anti aircraft batteries and German fighters waiting to attack the heavy bombers The skies over the target were filled with black flak appearing to be so thick you could walk on it The exploding shells filled the space with flying chunks of iron as bombers started their bomb run on the target We often could hear the flak pelting our plane like a buckshot on a tin roof This flak would often strike a vital part of the plane or wound a member of the crew Our waist gunner was wounded on our tenth mission Some missions

we could count hundreds of holes in our plane after we landed safely in England Bombers receiving a direct hit were blown out of the sky and another ten man aircrew was lost Planes severely damaged had to drop out of formation and face enemy fighters alone unless some of our P 51 or P 47 escort fighters protected them Bombers disabled or on fire had no choice but to order the crews to bail out Airmen who survived the parachute jump were captured and placed into German prisoner of war camps POW They were classified as missing in action Forty eight photos some sixty years old are included in this 350 page book to illustrate the story of the author s childhood in the Great Depression through the great air war of World War II A description of each mission from a sixty year old diary is included I think you will enjoy the story of a teenage Radio Gunner s experiences in the Mighty Eighth Air Force
