

The Seesaw

and other *science* questions

A colorful illustration of a seesaw in a park. A girl with dark hair, wearing a purple shirt and red overalls, is on the left end of the seesaw, which is currently up in the air. She has one arm raised. A boy with brown hair, wearing a red sweater and blue pants, is on the right end, which is down on the ground. A white dog is sitting on the ground to the left of the seesaw. A speech bubble from the boy contains the text 'How can the two of us make the seesaw balance?'. The background shows a green hill, a blue sky with white clouds, and a yellow sun in the top right corner. There are also some white geometric shapes (triangles and lines) floating in the sky.
