Seize And Hold Master Strokes On The Battlefield:

Seize and Hold Bryan Perrett, 2020-12-10 SEIZE AND HOLD vividly demonstrates how military objectives can be seized by clever tactics and ruthless action From the First World War to Vietnam this collection gives exciting atmospheric descriptions of eleven twentieth century battlefield triumphs Portraying military skills at their most daring and inventive SEIZE AND HOLD is full of more drama and excitement than Hollywood could ever invent Seize and Hold Bryan Perrett, 1994 Indhold Opening the Iron Gate Young Mister Rommel Polish Eagle and Russian Bear The third dimension Holland and Belgium 1940 The road to Beda Fomm Deep strike Jitra and Slim river Malaya 1941 1942 Hill 309 and the bridge at 637436 Meiktila the master stroke Taken at a run the Capture of the Ludendorff Bridge at Remagen March 1945 Going for the jugular The Inchon Landings September 1950 Earthquake on Chu Pong The Ia Drang Valley Campaign Vietnam 1965 The Coup comes of Age The Tao of Deception Ralph D. Sawyer, 2007-02-13 The definitive book on ancient military principles that is strikingly relevant to the War on Terror the war in Iraq and the rise of China as a geopolitical power

The Taste Of Battle Bryan Perrett, 2012-10-11 As close as you can get to the reality of war Three generations of front line soldiers recount their experiences Few people today experience a live war situation even professional soldiers can serve their career without going to war Yet the question is often asked what is it like How do combatants cope with the danger How does a battle look to the ordinary soldier In a unique mix of dialogue reportage and objective historical analysis fiction Bryan Perrett brings the reality of war to the reader in a direct no holds barred exciting narrative The fictional soldiers in this book based on recorded accounts are at the very heart of the action From Mons in 1918 through the First and Second World Wars to Malaya in 1956 Vietnam in 1968 and Kuwait in 1991 The Real Hornblower Bryan Perrett, 2014-11-18 First published in 1997 The Real Hornblower offers a comprehensive and engaging account of the life and times of this great naval Admiral Ever since C S Forester s fictional hero Horatio Hornblower began to delight and enthral readers there has been speculation as to whether his adventures were based on the career of a real naval officer Several names were suggested the general conclusion was that Hornblower was a composite character However while researching the campaign that resulted in the burning of Washington s public buildings Bryan Perrett consulted Forester s Naval War of 1812 and was surprised to discover that the author had been deliberately reticent regarding a Captain James Alexander Gordon RN who had led his squadron up the Potomac Further inspection of naval records revealed a startling number of parallels between the careers of Gordon and Hornblower Subsequent research spanning a period of ten years uncovered yet more similarities too many in fact to be a matter of simple coincidence It became apparent that while Forester certainly included other episodes in the Hornblower cycle he was aware of Gordon when the first of his books were written and that when he decided to expand the series he chose Gordon s career as the framework on which his hero s life would be based As a professional author it was neither surprising that he should conceal the fact nor that he should choose Gordon as his model Gordon had entered the

Royal Navy as a semi literate eleven year old and rose to become Admiral of the Fleet He took part in major sea battles frigate actions single ship duels and operations far behind enemy lines It was the fire of his ships directed against Fort McHenry Baltimore that inspired the National Anthem He was the last Governor of the Royal Naval Hospital at Greenwich and when he died having served for more than seventy five years in the Navy The Times commented that he was the last of Nelson s captains That he should have attracted Forster s attention is not therefore surprising In telling the largely unknown story of Admiral Gordon s active service career Bryan Perrett has produced a book that will be appreciated by the thousands of readers who have enjoyed the adventures of Horatio Hornblower and his successors It will also be welcomed by anyone with an interest in the naval warfare of the Napoleonic era while those who take pleasure in biography will find that they have the added bonus of an absorbing literary and historical detective story Skyhorse Publishing along with our Arcade Good Books Sports Publishing and Yucca imprints is proud to publish a broad range of biographies autobiographies and memoirs Our list includes biographies on well known historical figures like Benjamin Franklin Nelson Mandela and Alexander Graham Bell as well as villains from history such as Heinrich Himmler John Wayne Gacy and O J Simpson We have also published survivor stories of World War II memoirs about overcoming adversity first hand tales of adventure and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

[The Hitler Options](#) Kenneth Macksey, 2015-02-19 Ten stories of what if World War II scenarios from military historians A thought provoking study of what might have been British Army Review What would have happened if Hitler invaded England in July 1940 or concentrated on the capture of Moscow in 1941 instead of first diverting to Kiev Or if Rommel had implemented Plan Orient in 1942 striking across the Middle East to join Japanese forces moving to India How would the course of World War II have been changed if Churchill had persuaded the Americans to concentrate on attacking the soft underbelly of Europe instead of Northern France In this compelling book ten acclaimed military historians explore what might have happened if at ten crucial turning points of the war Hitler had taken a different direction or how he would have reacted if the Allies had changed course Each scenario is based on real situations and are within the bounds of what could genuinely have occurred With vivid and realistic descriptions of the ensuing campaigns and battles The Hitler Options is a gripping thought provoking and at times disturbing look at what could have been

[Parameters](#), 1994 [Monty's Men](#) John Buckley, 2013-10-15 Historian John Buckley offers a radical reappraisal of Great Britain s fighting forces during World War Two challenging the common belief that the British Army was no match for the forces of Hitler s Germany Following Britain s military commanders and troops across the battlefields of Europe from D Day to VE Day from the Normandy beaches to Arnhem and the Rhine and ultimately to the Baltic Buckley s provocative history demonstrates that the British Army was more than a match for the vaunted Nazi war machine

div DIVdiv This fascinating revisionist study of the campaign to liberate Northern Europe in the war s final years

features a large cast of colorful unknowns and grand historical personages alike including Field Marshal Sir Bernard Montgomery and the prime minister Sir Winston Churchill By integrating detailed military history with personal accounts it evokes the vivid reality of men at war while putting long held misconceptions finally to rest DIV British Armour in the Normandy Campaign John Buckley,2004-07-22 The popular perception of the performance of British armour in the Normandy campaign of 1944 is one of failure and frustration Despite overwhelming superiority in numbers Montgomery s repeated efforts to employ his armour in an offensive manner ended in a disappointing stalemate **British Armoured Divisions and Their Commanders, 1939-1945** Richard Doherty,2013-07-16 A total of eleven British armoured divisions were formed during the 1939 1945 war but as this highly informative book reveals just eight saw action In 1940 only 1st Armoured Division faced the German blitzkrieg and it was in the North African desert that armoured divisions came into their own The terrain was ideal and six such divisions of Eighth Army fought Rommel s Panzers into submission Three were disbanded prior to the invasion of Sicily and Italy The campaign from D Day onwards saw the Guards Armoured 7th Armoured the Desert Rats 11th and Percy Hobart s 79th Armoured Division in the thick of the action Of particular interest are the men who commanded these elite formations and the way their characters contributed to the outcome of operations While some such as Dick McCreery went onto greater heights others did not make the grade the stakes were high A number such as Pip Roberts were just perfectly suited in the role Written by a leading military historian this book describes many fascinating aspects of armoured warfare from its uncertain beginnings through the development of tactics and the evolving tank design Due to British deficiencies reliance had to be placed on US Grants and Shermans with the Comet coming late and the Centurion too late The combination of gripping historical narrative and well researched fact make this an invaluable and highly readable work on the contribution of British Armoured Divisions to victory in the Second World War
