ambitions of associate ministers who faithfully serve their more prominent and popular leaders unnoticed Having served successfully in the shadow of one of the most outstanding pastors and congressmen in the USA the author writes from a wealth of knowledge and experience Drawing from his personal and vocational journey he boldly redefines success in ministry and demonstrates that fulfillment and success are possible even in a subsidiary capacity This insightful book will engage empower and encourage you to Optimize your skills and gifts right where you are Relinquish the idea that to be or feel successful you must hold the top spot Have meaningful reflection on your own experiences Better appreciate your role as an associate minister lay leader Achieve excellence in your service to God and His people Apply the principles therein to find success in your vocation at any level Avoid frustration impatience and apathy in your ministry God's End-Time Calendar Rod Parsley,2015-09-01 UNFORTUNATELY WE LIVE IN A CULTURE that has made a habit of not just ignoring but overthrowing time tested principles that would direct us to virtue and victory if we would observe them As we see catastrophes and calamities around the world and the continual upheaval of the foundations and values we hold so dear we can t help but wonder what God in heaven is saying to His church HOW SHOULD WE INTERPRET THE TURMOIL WE SEE AROUND US AND IN THE WORLD Is there a message God wants to relay by the four blood moons that appeared on the feasts of Passover and Tabernacles in 2014 and 2015 Delve into the prophetic meaning of these signs in God s End Time Calendar This book holds a road map to help you uncover the deep mysteries of God s intentions for celestial signs to reveal the connection between the old and new covenants and to prepare you as we head toward the dawn of eternity Idolatry in America Rod Parsley,2024-02-06 There s a deadly truth behind our nation s famine After reading this book you will understand the deadly grip of sin and its destructive nature for your personal life and community You will learn how you can repent and seek God for a spiritual awakening in our nation Sin stops the rain Moses predicted it at Mount Sinai Solomon prayed about it at the dedication of the temple in Jerusalem Israel experienced it under the disastrous reign of Ahab and Jezebel The sin that particularly plagued ancient Israel was idolatry The drought they experienced was more than just a lack of water Amos 8 11 says The time is coming says the Lord God when I will send a famine on the land not a famine of bread nor a thirst for water but of hearing the words of the Lord Here in America the megadrought that has gripped much of the West and portions of the heartland has made headlines The Mississippi River was so low that barges were getting stuck on the bottom Lake Mead has been at historically low levels The Great Salt Lake in Utah is disappearing Negotiations for allocations of water from the Colorado River are becoming more and more contentious Could it be that these conditions are only harbingers of a more systemic and serious spiritual famine Sin stops the rain In Idolatry in America Dr Rod Parsley identifies ten major areas of idolatry that have overtaken our country s culture Any one of them is deadly but together they constitute an unprecedented threat to the very existence of our nation There is a cure for this cultural epidemic a way to walk back from the brink of moral and spiritual disaster The choice is stark The consequences are severe The outcome will

be stunning Bringing Jobs Back to the USA Tim Hutzal,Dave Lippert,2014-06-12 A follow up to Tim Hutzal s previous book Keeping Your Business in the USA Profit Globally While Operating Locally this book tells the stories of companies that have sent their jobs outside of the USA and the negative effects this had on the quality of their products and services employees supply chain providers and consumers Bringing Jobs Ba Gone Rod Parsley,2016-03-01 The most significant event in history the day Jesus vanquished death on Calvary s cruel and biting cross is the crowning achievement of God s brilliantly executed plan of redemption And as Rod Parsley suggests the resurrection is the apex of our faith and hope in Christ In Gone Parsley takes readers on a profound journey to deepen our surface level understanding of what happened between the first Good Friday and Easter Sunday by exploring the cultural historical and biblical context of Jesus s death burial and resurrection Once readers eyes of understanding are opened to what truly happened that weekend and what one man in one tomb on one Sunday accomplished their Christian walk will be irreversibly and eternally transformed The Cross Rod Parsley,2013-11-26 Rediscovering the Beautiful Scandalous Cross of Jesus Christ The cross is the hinge point of human history It is the fulcrum of God s grand brilliant lever four thousand years in the crafting that in a single day pried a fallen world from Satan s grasp The centrality of the cross is the hallmark of an authentic life giving gospel But today we stand at an intersection a literal crossroads of history in which for many even those with a genuine love for God and His Word the cross has lost its importance In The Cross Rod Parsley takes you deep into the mysterious territories of what the Bible calls the foolishness of the cross and the scandal of Jesus s sacrifice to explore the significance of the cross in the unfailing light of Scripture It is at the foot of the cross and there alone that we can look with wonder upon the raw ferocity of God s love for us To accept it and glory in it this is the only truly rational response Come along as we rediscover the power majesty and beauty of the cross and learn anew how to claim that power for your life
