MACKAIL,2018 **Select Epigrams From the Greek Anthology** John William Mackail,2016-07-19 Excerpt from Select Epigrams From the Greek Anthology Edited With a Revised Text Introduction Translation and Notes The purpose of this book is to present a complete collection subject to certain definitions and exceptions which will be mentioned later of all the best extant Greek Epigrams Although many epigrams not given here have in different ways a special interest of their own none it is hoped have been excluded which are of the first excellence in any style But while it would be easy to agree on three fourths of the matter to be included in such a scope perhaps hardly any two persons would be in exact accordance with regard to the rest with many pieces which lie on the border line of excellence the decision must be made on a balance of very slight considerations and becomes in the end one rather of personal taste than of any fixed principle About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books
