of a Lynching James R. McGovern, 2013-10-07 A sensitive and forthright analysis of one of the most gruesome episodes in Florida history McGovern has produced a richly detailed case study that should enhance our general understanding of mob violence and vigilantism Florida Historical Quarterly McGovern has succeeded in writing more than a narrative account of this bloodcurdling story he has explored its causes and ramifications American Historical Review A finely crafted historical case study of one lynching its antecedents and its aftermath Contemporary Sociology First published in 1982 James R McGovern s Anatomy of a Lynching unflinchingly reconstructs the grim events surrounding the death of Claude Neal one of the estimated three thousand blacks who died at the hands of southern lynch mobs in the six decades between the 1880s and the outbreak of World War II Neal was accused of the brutal rape and murder of Lola Cannidy a young white woman he had known since childhood On October 26 1934 a well organized mob took Neal from his jail cell The following night the mob tortured Neal and hanged him to the point of strangulation repeating the process until the victim died A large crowd of men women and children who gathered to witness celebrate and assist in the lynching further mutilated Neal s body Finally the battered corpse was put on display suspended as a warning from a tree in front of the Jackson County Florida courthouse Based on extensive research as well as on interviews with both blacks and whites who remember Neal s death Anatomy of a Lynching sketches the social background of Jackson County Florida deeply religious crushed by the Depression accustomed to violence and proud of its role in the Civil War and examines which elements in the county s makeup contributed to the mob violence McGovern offers a powerful dissection of an extraordinarily violent incident **The History of the**

Reforming Civil Procedure Dominic De Saulles, 2019-05-16 Drawing on political social and economic theory Reforming Civil Procedure focuses on the English civil justice system by looking at its history and its processes The book considers the objectives of civil procedure and how it operates for and against particular societal groups and what ideas and behaviours

impact upon it The reform of civil procedure has been beset with difficulties Some are caused by questions of culture and mind sets resistant to the changes some by a confusion and conflict of values some by overambitious reform efforts some by a failure to follow through on purpose clauses and some by swinging from laxity to rigidity with insufficient analysis This book makes a strong contribution to the field by synthesising the work of English writers with different views extending the work in England on the role of philosophy values process and culture in litigation and engaging extensively with American writers who have not previously been the subject of much attention in English civil procedural studies **Making Minimum Wage**

Helen J. Knowles, 2021-08-05 The US Supreme Court's 1937 decision in *West Coast Hotel v Parrish* upholding the constitutionality of Washington State's minimum wage law for women had monumental consequences for all American workers It also marked a major shift in the Court's response to President Franklin D Roosevelt's New Deal agenda In *Making Minimum Wage* Helen J Knowles tells the human story behind this historic case *West Coast Hotel v Parrish* pitted a Washington State hotel against a chambermaid Elsie Parrish who claimed that she was owed the state's minimum wage The hotel argued that under the concept of freedom of contract the US Constitution allowed it to pay its female workers whatever low wages they were willing to accept Knowles unpacks the legal complexities of the case while telling the litigants' stories Drawing on archival and private materials including the unpublished memoir of Elsie's lawyer C B Conner Knowles exposes the profound courage and resolve of the former chambermaid Her book reveals why Elsie who in her mid thirties was already a grandmother was fired from her job at the Cascadian Hotel in Wenatchee and why she undertook the outsized risk of suing the hotel for back wages Minimum wage laws are not an academic question or even a legal one Elinore Morehouse Herrick the New York director of the National Labor Relations Board said in 1936 Rather they are a human problem A pioneering analysis that illuminates the life stories behind *West Coast Hotel v Parrish* as well as the case's impact on local state and national levels *Making Minimum Wage* vividly demonstrates the fundamental truth of Morehouse Herrick's statement

Supreme Power Jeff Shesol, 2011-03-14 A stunning work of history Doris Kearns Goodwin author of *No Ordinary Time* and *Team of Rivals* Beginning in 1935 the Supreme Court's conservative majority left much of FDR's agenda in ruins The pillars of the New Deal fell in short succession It was not just the New Deal but democracy itself that stood on trial In February 1937 Roosevelt struck back with an audacious plan to expand the Court to fifteen justices and to pack the new seats with liberals who shared his belief in a living Constitution
