Selected Writings Vol Iv Slavic Epic Studies

John Blair

Selected Writings Vol Iv Slavic Epic Studies:

Selected writings Roman Jakobson, Stephen Rudy, **Selected Writings: Poetry of grammar and grammar of poetry** Roman Jakobson, 1962 *Roman Jakobson* Richard Bradford, 1994 In Roman Jakobson Richard Bradford reasserts the value of Jakobson's work arguing that he has a great deal to offer contemporary critical theory and providing a critical appraisal the sweep of Jakobson's career Bradford re-establishes Jakobson's work as vital to our understanding of the relationship between language and poetry By exploring Jakobson's thesis that poetry is the primary object language Roman Jakobson *Life Language Art* offers a new reading of his work which includes the most radical elements of modernism This book will be invaluable to students of Jakobson and to anyone interested in the development of critical theory linguistics and stylistics **The Poetics of Slavdom** Zdenko Zlatar, 2007 Between 1400 and 1878 the majority of Southern Slavic peoples endured several centuries of Ottoman rule In the nineteenth century there was a movement among both the Croats and the Serbs to set aside regional ethnic religious and cultural differences in order to work together toward the liberation of all the Southern Slavs from the Ottoman yoke These volumes explore how the masterpieces of two leading poets among the Croats and Serbs Ivan Mazurani 1814 1890 and Petar II Petrovi Njegos 1813 1851 who was Prince Bishop of Montenegro from 1830 1851 dealt with the Southern Slavs relationship to Islam in their greatest poetic works *The Death of Smail agha engi* and *The Mountain Wreath* respectively *Central and Eastern European Literary Theory and the West* Michał Mrugalski, Schamma Schahadat, Irina Wutsdorff, 2022-12-05 Literary theory flourished in Central and Eastern Europe throughout the twentieth century but its relation to Western literary scholarship is complex This book sheds light on the entangled histories of exchange and influence both within the region known as Central and Eastern Europe and between the region and the West The exchange of ideas between scholars in the East and West was facilitated by both personal and institutional relations both official and informal encounters For the longest time however intellectual exchange was thwarted by political tensions that led to large parts of Central and Eastern Europe being isolated from the West A few literary theories nevertheless made it into Western scholarly discourses via exiled scholars Some of these scholars such as Mikhail Bakhtin become widely known in the West and their thought was transposed onto new Western cultural contexts others such as Olga Freidenberg were barely noticed outside of Russian and Poland This volume draws attention to the schools circles and concepts that shaped the development of theory in Central and Eastern Europe as well as the *histoire crois e* the history of translations transformations and migrations that conditioned its relationship with the West *Structuralist Poetics* Jonathan Culler, 2023-01-06 A work of technical skill as well as outstanding literary merit *Structuralist Poetics* was awarded the 1975 James Russell Lowell Prize of the Modern Language Association It was during the writing of this book that Culler developed his now famous and remarkably complex theory of poetics and narrative and while never a populariser he nonetheless makes it crystal clear within these pages **Critical Theory in Russia and the West** Alastair Renfrew, Galin Tihanov, 2009-12-04

The traditional view that the rise of Western theoretical thought in the 1960s and 1970s could be traced back to the Soviet 1920s once accepted in Russia and the West alike because it directly associated the academic prestige of contemporary Western theory with the intellectual climate of post revolutionary Russia is increasingly challenged today With the gradual retreat in recent years of theory from the high ground of the Western humanities new work has emerged to suggest unexpected parallels and to undermine others This book with contributions from some of the most visible specialists in the field re examines the significant transfers cross fertilisations and synergies of cultural and literary theory between Russia and the West from the 1920s through to the present day It focuses primarily on those tendencies which have made the most significant contribution to critical theory over the last century and looks ahead at the theoretical paradigms that are most likely to shape the future dialogue between Russia and the West in the humanities

The Sound Shape of Language Roman Jakobson, Linda R. Waugh, 2002 Reading this volume transported me back to Harvard and MIT lecture halls of the 1960s where weekly Roman Jakobson would spellbind his audience this reviewer included developing his vision of language through impassioned exposition deft and devastating allusions to critical literature anecdotes with the force of parables metaphors of mythic imagery and above all else overriding verbal artistry truly in his own phrase In the poetry of grammar The Sound Shape of Language his collaboration with Linda R Waugh a scholar who has devoted considerable attention to an exposition and elaboration of Jakobsonian views fortunately has preserved in print the authoritative lectorial voice Michael Silverstein in Journal of Communication

The Garland Companion to Vladimir Nabokov Vladimir E. Alexandrov, 2014-05-22 First published in 1995 This companion constitutes a virtual encyclopaedia of Nabokov and occupies a unique niche in scholarship about him Articles on individual works by Nabokov including his short stories and poetry provide a brief survey of critical reactions and detailed analyses from diverse vantage points For anyone interested in Nabokov from scholars to readers who love his works this is an ideal guide Its chronology of Nabokov s life and works bibliographies of primary and secondary works and a detailed index make it easy to find reliable information any aspect of Nabokov s rich legacy

To honor Roman Jakobson : essays on the occasion of his 70. birthday, 11. October 1966 , 2018-02-19 No detailed description available for To honor Roman Jakobson essays on the occasion of his 70 birthday 11 October 1966

Structural Models and African Poetics Sunday O. Anozie, 2016-08-19 In this pioneering work first published in 1981 Sunday O Anozie examines the relevance of structuralism and semiology to literary criticism in general and to African poetics in particular Behind the growing body of African literature lies an immense reservoir of oral tradition for which the proper tools of analysis and interpretation have yet to be found This book represents the first comprehensive full scale exposition analysis and critique of structuralism by a non Western and non European scholar From an African viewpoint it examines the roles to be played by structuralism and post structuralism in the development of the general principles governing poetics and literary creativity in Africa This title will be of interest to students of literature and literary theory

Reading Henry James in the

Twenty-First Century Dennis Tredy, Annick Duperray, Adrian Harding, 2019-06-04 To commemorate the recent centennial of Henry James's death and to help readers understand the depth and scope of the author's influence both today and during the previous century thirty leading Jamesian scholars from twelve different countries and five continents were asked to explore ways in which the notions of heritage and transmission currently come into play when reading James. The resulting chapters of this volume are divided into three main sections each focusing on different ways in which James's legacy is being re-evaluated today from his influence on key authors playwrights and film makers over the past century Part One to new discoveries regarding European authors and artists who influenced James Part Two to recent approaches more radically re-evaluating James for the twenty first century including contemporary poetics political and sociological dimensions cognitive science and queer studies Part Three This collection will be of great interest to scholars and general readers of James and is a useful guide to tracing the writer's ever elusive figure in the carpet and understanding the power of his continued impact today

A Tribute to Roman Jakobson, 1896-1982 Massachusetts Institute of Technology, 1983 Contains the proceedings of A Tribute to Roman Jakobson 1896-1982 which was held at the Kresge Auditorium of the Massachusetts Institute of Technology in Cambridge on November 12 1982 *A Tribute to Roman Jakobson 1896-1982*, 2010-11-22 No detailed description available for A Tribute to Roman Jakobson 1896-1982 *The Russo-Japanese War in Cultural Perspective, 1904-05* D. Wells, S. Wilson, 1999-08-24 The Russo Japanese War of 1904-05 has been widely seen as a historical turning point For the first time in modern history an Asian and a European country competed on equal terms overturning the prevailing balance of power Based on a wide range of original source material in Russian Japanese and other languages this book goes beyond the military and international political grand narratives to examine the war's social cultural literary and intellectual impact in their historical context In Japan the war reinforced the country's self image as a coming nation while in Russia combined with the revolution of 1905 and later political and social upheaval it was seen as separating the old regime from the new Throughout the world spirit was seen to be a decisive factor and cultural considerations determined the war's interpretation Featuring contributions by established scholars in the fields of military history and the history and literature of both Russia and Japan this book offers for the first time a comparative perspective on the symbolic meaning of the conflict

Slayers and Their Vampires Bruce McClelland, 2010-02-11 The first book to explore the origins of the vampire slayer A fascinating comparison of the original vampire myths to their later literary transformations Adam Morton author of *On Evil* From the Balkan Mountains to Beverly Hills Bruce has mapped the vampire's migration There's no better guide for the trek Jan L. Perkowski Professor Slavic Department University of Virginia and author of *Vampires of the Slavs* and *The Darkling* A Treatise on Slavic Vampirism The vampire slayer is our protector our hero our Buffy But how much do we really know about him or her Very little it turns out and Bruce McClelland shows us why because the vampire slayer is an unsettling figure almost as disturbing as the evil she is set to destroy Prepare to be frightened and enlightened Corey Robin author of *Fear*

The History of a Political Idea What is unique about this book is that it is the first of its kind to focus on the vampire hunter rather than the vampire As such it makes a significant contribution to the field This book will appeal to scholars and researchers of folklore as well as anyone interested in the literature and popular culture of the vampire Elizabeth Miller author of *Dracula* and *A Dracula Handbook* Shades of Van Helsing Vampirologist extraordinaire Bruce McClelland has managed that rarest of feats developing a radically new and thoroughly enlightening perspective on a topic of eternal fascination Ranging from the icons of popular culture to previously overlooked details of Balkan and Slavic history and folk practice he has rethought the borders of life and death good and evil saint and sinner vampires and their slayers Excellent scholarship and a story that never flags Bruce Lincoln Caroline E Haskell Professor of History of Religions University of Chicago and author of *Theorizing Myth Narrative Ideology and Scholarship Authority Construction and Corrosion and Death War and Sacrifice Studies in Ideology and Practice*

The Complete Russian Folktale: v. 1: An Introduction to the Russian Folktale Jack V. Haney, 2015-02-12 This introduction to the Russian folktale considers the origin structure and language of folktales tale tellers and their audiences the relationship of folktales to Russian ritual life and the folktale types which are translated in subsequent volumes of *The Complete Russian Folktale*

Fairy-Tale Films Beyond Disney Jack Zipes, Pauline Greenhill, Kendra Magnus-Johnston, 2015-09-16 The fairy tale has become one of the dominant cultural forms and genres internationally thanks in large part to its many manifestations on screen Yet the history and relevance of the fairy tale film have largely been neglected In this follow up to Jack Zipes's award winning book *The Enchanted Screen* 2011 *Fairy Tale Films Beyond Disney* offers the first book length multinational multidisciplinary exploration of fairy tale cinema Bringing together twenty three of the world's top fairy tale scholars to analyze the enormous scope of these films Zipes and colleagues Pauline Greenhill and Kendra Magnus Johnston present perspectives on film from every part of the globe from Hayao Miyazaki's *Spirited Away* to Jan van Kmajer's *Alice* to the transnational adaptations of *1001 Nights* and Hans Christian Andersen Contributors explore filmic traditions in each area not only from their different cultural backgrounds but from a range of academic fields including criminal justice studies education film studies folkloristics gender studies and literary studies *Fairy Tale Films Beyond Disney* offers readers an opportunity to explore the intersections disparities historical and national contexts of its subject and to further appreciate what has become an undeniably global phenomenon

Killing the Dead John Blair, 2025-11-11 A riveting history of vampire panics across cultures and down through the millennia and why killing the dead is better than killing the living *Killing the Dead* provides the first in depth global account of one of the world's most widespread yet misunderstood forms of mass hysteria the vampire epidemic In a spellbinding narrative John Blair takes readers from ancient Mesopotamia to present day Haiti to explore a macabre frontier of life and death where corpses are believed to wander or do harm from the grave and where the vampire is a physical expression of society's inexplicable terrors and anxieties In 1732 the British public opened their morning papers to read of lurid happenings in eastern Europe

Serbian villagers had dug up several corpses and had found them to be undecayed and bloated with blood. Recognizing the marks of vampirism, they mutilated and burned them. Centuries earlier, the English themselves engaged in the same behavior. In fact, vampire epidemics have flared up throughout history in ancient Assyria, China, and Rome, medieval and early modern Europe, and the Americas. Blair blends the latest findings in archaeology, anthropology, and psychology with vampire lore from literature and popular culture to show how these episodes occur at traumatic moments in societies that upend all sense of security and how the European vampire is just one species in a larger family of predatory supernatural entities that includes the female flying demons of Southeast Asia and the lustful yoginis of India. Richly illustrated, *Killing the Dead* provocatively argues that corpse killing far from being pathological or unhealthy served as a therapeutic and largely harmless outlet for fear, hatred, and paranoia that would otherwise result in violence against marginalized groups and individuals.

Exploring the Translatability of Emotions Susan Petrilli, Meng Ji, 2022-03-09 This book offers an in-depth cross-cultural and transdisciplinary discussion of the translatability of social emotions. The contributors are leading philosophers, semioticians, anthropologists, communication and translation theorists from Europe, America, and Australia. Part I explores the translatability of emotions as a culturally embedded social behaviour that requires a contextualized interpretation of their origins and development in different social and cultural settings. These studies make useful preparations for the studies introduced in Part II that continue investigating the cultural and sociological influence of the development of social emotions with a special focus on the dialogical relation to the body and to others. Part III presses on delving into specific types of emotions which underscore social interactions at both the community and individual levels, such as dignity, politeness, self-regard, and self-esteem. Finally, Part IV offers a further development on the preceding parts as it discusses problems of translation, expressibility, and mass medial communication of emotions. This book will engage translation scholars as well as those with a broader interest in the study and interpretation of emotions from different fields, perspectives, and disciplines.

Whispering the Techniques of Language: An Emotional Journey through **Selected Writings Vol Iv Slavic Epic Studies**

In a digitally-driven world wherever displays reign great and quick transmission drowns out the subtleties of language, the profound strategies and mental subtleties concealed within phrases usually move unheard. Yet, nestled within the pages of **Selected Writings Vol Iv Slavic Epic Studies** a captivating fictional value sporting with organic thoughts, lies an exceptional journey waiting to be undertaken. Composed by a talented wordsmith, this wonderful opus attracts viewers on an introspective trip, softly unraveling the veiled truths and profound influence resonating within the very material of each and every word. Within the emotional depths of the moving review, we shall embark upon a honest exploration of the book is key subjects, dissect its fascinating publishing model, and fail to the powerful resonance it evokes deep within the recesses of readers hearts.

Selected Writings Vol Iv Slavic Epic Studies Introduction

In today's digital age, the availability of Selected Writings Vol Iv Slavic Epic Studies books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Selected Writings Vol Iv Slavic Epic Studies books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Selected Writings Vol Iv Slavic Epic Studies books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Selected Writings Vol Iv Slavic Epic Studies versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Selected Writings Vol Iv Slavic Epic Studies books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Selected Writings Vol Iv Slavic Epic Studies books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Selected

Writings Vol Iv Slavic Epic Studies books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Selected Writings Vol Iv Slavic Epic Studies books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Selected Writings Vol Iv Slavic Epic Studies books and manuals for download and embark on your journey of knowledge?

FAQs About Selected Writings Vol Iv Slavic Epic Studies Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Selected Writings Vol Iv Slavic Epic Studies is one of the best book in our library for free trial. We provide copy of Selected Writings Vol Iv Slavic Epic Studies in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Selected Writings Vol Iv Slavic Epic Studies. Where to download Selected Writings Vol Iv Slavic Epic Studies online for free? Are you looking for
