Selected Essays In English Literatures British And Canadian:

Selected Essays in English Literatures, British and Canadian Herbert Zirker, 2002 This collection of essays begins with a reassessment of Swift's *Gulliver's Travels* in particular addressing the universal formative impact it keeps exerting on the myth of utopia. N. Frye and the ramifications it displays in contemporary exem. Selected Essays in English Literatures, 2002 *The Reception of Northrop Frye*, 2021-08-31 The widespread opinion is that Northrop Frye's influence reached its zenith in the 1960s and 1970s after which point he became obsolete his work buried in obscurity. This almost universal opinion is summed up in Terry Eagleton's 1983 rhetorical question: Who now reads Frye? In *The Reception of Northrop Frye* Robert D. Denham catalogues what has been written about Frye: books, articles, translations, dissertations and theses and reviews in order to demonstrate that the attention Frye's work has received from the beginning has progressed at a geomantic rate. Denham also explores what we can discover once we have a fairly complete record of Frye's reception in front of us such as Hayden White's theory of emplotments applied to historical writing and Byron Alm's theory of musical narrative. The sheer quantity of what has been written about Frye reveals that the only valid response to Eagleton's rhetorical question is a very large and growing number: the growth being not incremental but exponential. Margaret Atwood Shannon Hengen, Ashley Thomson, 2007-05-22 Authors Shannon Hengen and Ashley Thomson have assembled a reference guide that covers all of the works written by the acclaimed Canadian author Margaret Atwood since 1988 including her novels *Cat's Eye*, *The Robber Bride*, *Alias Grace* and the 2000 Booker Prize winner *The Blind Assassin*. Rather than just including Atwood's books this guide includes all of Atwood's works including articles, short stories, letters and individual poetry. Adaptations of Atwood's works are also included as are some of her more public quotations. Secondary entries i.e. interviews, scholarly resources and reviews are first sorted by type and then arranged alphabetically by author to allow greater ease of navigation. The individual chapters are organized chronologically with each subdivided into seven categories: Atwood's Works, Adaptations, Quotations, Interviews, Scholarly Resources, Reviews of Atwood's Works and Reviews of Adaptations of Atwood's Works. The book also includes a chapter entitled *Atwood on the Web* as well as extensive author and subject indexes. This new bibliography significantly enhances access to Atwood material a feature that will be welcomed by university, public and school librarians. *Margaret Atwood: A Reference Guide 1988-2005* will appeal not only to Atwood scholars but to students and fans of one of Canada's greatest writers. **The English Short Story in Canada** Reingard M. Nischik, 2017-04-20 In 2013 the Nobel Prize for Literature was for the first time awarded to a short story writer and to a Canadian: Alice Munro. The award focused international attention on a genre that had long been thriving in Canada particularly since the 1960s. This book traces the development and highlights of the English language Canadian short story from the late 19th century up to the present. The history as well as the theoretical approaches to the genre are covered with in-depth examination of exemplary stories by prominent writers such as Margaret Atwood and Alice Munro. **Literature**

and Liberation Arnold Kettle,1988 **Reader's Guide to Literature in English** Mark Hawkins-Dady,2012-12-06 Reader s
Guide Literature in English provides expert guidance to and critical analysis of the vast number of books available within the
subject of English literature from Anglo Saxon times to the current American British and Commonwealth scene It is designed
to help students teachers and librarians choose the most appropriate books for research and study *A Critical Dictionary
of English Literature and British and American Authors, Living and Deceased, from the Earliest Accounts to the Middle of the
Nineteenth Century, Containing Thirty Thousand Biographies and Literary Notices, with Forty Indexes of Subjects* Samuel
Austin Allibone,1859 **A Critical Dictionary of English Literature and British and American Authors, Living and
Deceased, from the Earliest Accounts to the Latter Half of the Nineteenth Century** Samuel Austin Allibone,1899
 **A Critical Dictionary of English Literature, and British and American Authors, Living and Deceased, from the
Earliest Accounts to the Middle of the Nineteenth Century** Samuel Austin Allibone,1892
