Sell Your House and Buy a Sailboat: Then Sail Halfway Around The World Ray Emerson, 2019-04-30 The idea for this sailing adventure was planted with Tinkerbelle a book by Robert Manry about a solo voyage across the Atlantic Ocean in a thirteen and a half foot sailboat which I read in 1967 That seed lay dormant for thirty six years until the one day when I came home from my job as a marine biologist Raymond my darling wife Judy said I have spent twenty five years here This is my last winter in Alaska I am leaving She paused I hope you will come with me I considered her words and after a few moments said Yes I then asked Would you live on a sailboat She quietly considered my question then replied Yes It was as simple as that the rest is history It was soon after this conversation in December 2002 that we purchased a forty foot sailboat in Bellingham Washington and moved from a 3 200 square foot home to a space forty feet by twelve feet that tapered at each end to a usable space of about 200 square feet Much of the stuff we had accumulated over the years was dispersed like it would be at an estate sale as if someone had died In a sense we had died but as the stuff went away we began to feel reborn
