historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this. Pastors will especially find this feature to be a real help in teaching theology. It is an indispensable contribution to the task of systematic theology. *Journal of the Evangelical Theological Society* September 1999. Many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world. *The Churchman: A Journal of Anglican Theology* 1991. A gold mine of helpful material. *The Christian Century* May 29/June 5 1991. No book that I know is more loaded with biblical and theological facts than this one. The prodigious research that must have gone into the preparation of this volume is truly mind boggling. *Faith and Mission* Fall 1991. Garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint. The work is well documented in both biblical and historical scholarship and will prove to be a classic. William Hendrickson Southern Baptist Theological Seminary. One of the most comprehensive concise books of its type available it should receive wide use in the classroom and in the study. Robert H Culpepper Southern Baptist Theological Seminary. [The Church](#) Gregg R. Allison, 2021. In this volume Gregg Allison offers an overview of specific doctrines and practices that unite and distinguish different churches and denominations as each finds its unique expression through churches' views of identity, leadership, church government, sacraments, ministries, and the future. *The Attributes of God* Gerald Bray, 2021-01-25. How can we created beings know God the Creator? Throughout history the church has recognized the importance of studying and understanding God's attributes. As the Creator of all things God is unique and cannot be compared to any of his creatures so to know him believers turn to the pages of Scripture. In *The Attributes of God* renowned theologian Gerald Bray leads us on an exploration of God's being, his essential attributes, his relational attributes, and the relevance of his attributes to our thinking, lives, and worship. As we better understand God's attributes we will learn to delight in who God is and how he has made himself known to us in Scripture. [The Eucharistic Theology of Edward Bouverie Pusey](#) Brian Douglas, 2015-08-25. In *The Eucharistic Theology of Edward Bouverie Pusey* 1800-1882 and Regius Professor of Hebrew at Oxford University from 1828 to 1882 Brian Douglas offers a critical account of Pusey's eucharistic theology set in the context of his life and work at Oxford and as the leader of the nineteenth century Oxford Movement. Pusey has often been characterised as conservative and obscurantist but in this book Douglas critically assesses Pusey's eucharistic theology as a consistent expression of moderate realism which is both wise and creative. The book analyses Pusey's extensive written output on eucharistic theology and ends with a reassessment of Pusey as a theologian, portraying him as a thinker owing much to Scripture, the early church Fathers, Anglican divines, and philosophical reflection. Pusey is also seen to anticipate modern eucharistic theology. Reassessments of Pusey in the modern era are rare and this book contributes to a significant gap in the literature. **Sacramental Poetics in Richard Hooker and George Herbert** Brian Douglas, 2022-06-06. This book explores sacramental poetics through the lens of moderate realism in the thought and work of Anglican theologians Richard Hooker c. 1554-1600 and George Herbert 1593.

1648 It does this in relation to the Christian sacraments of baptism and the Eucharist and as a way of exploring the abundance of God Brian Douglas begins in chapter 1 with a general discussion of a sacramental poetic and sacramentality in the Anglican tradition and proceeds to a more detailed examination of the writings of both Hooker chapter 2 and Herbert chapter 3 Each writer explores in their own way abundant life found as participation in and relationship with Christ and expressed as a sacramental poetic based on moderate realism Douglas goes on in chapter 4 to explore the idea of conversation and dialogue as employed by Hooker and Herbert as part of a sacramental poetic The book concludes in chapter 5 with a more general discussion on the abundance of God and living of the good and abundant life and some of the issues this involves in the modern world

Thiselton, 2019-10-10 In this clear practical and relatively brief commentary Anthony Thiselton brings to bear his intimate knowledge of Paul's theology the ancient city of Corinth and Paul's epistles to the church of that city The commentary is not only critical and exegetical but also has a focus on practical and pastoral reflection Second Corinthians is Paul's most passionate epistle It shows him to be a man of very deep feeling who sometimes has to be frank even blunt with those who seek to undermine his work In this commentary we see the inner turmoil of a devoted missionary pastor and apostle We also have the opportunity to explore how power can be expressed through weakness by pastors and all Christians who follow a Christ crucified and risen
