Ayodeji Adewuya, 2016-10-21 Paul s understanding of holiness stems from the holiness of God as revealed in the Old Testament Using varied terminology Paul describes the holiness that should characterize the believers as the people of God God expects moral integrity of his people because he has provided believers with his Holy Spirit to enable them to live exemplary Christlike lives in this present world though polluted as they prepare for the world to come Believers who like Paul anticipate the Parousia must not only desire but also pray that holiness becomes a reality in their lives cognizant of the fact that holiness is a matter of practice not merely a status that one attains upon justification Thus holiness is an imperative for the people of God **The Bible and the Future** Anthony A. Hoekema, 1994-09-06 Writing from the perspective that the coming of God s kingdom is both present and future Hoekema covers the full range of eschatological topics in this comprehensive biblical exposition The two major sections of the book deal with inaugurated eschatology the already and future eschatology the not yet Detailed appendix bibliography and indexes **Translating the Bible Literally** Michael T. Schmid, 2016-05-31 Differences in translation between so called literal Bible versions make it quite appropriate to re evaluate what is meant by the label literal What do different literal Bible translations have in common How do they differ How do we account for possible different concepts of literalness How is the concept of literalness applied to the making of a Bible translation To answer these questions the author compares three literal Bible translations the King James Version the New American Standard Bible and the English Standard Version For each of these versions the historical background and the writings of the translators themselves are analysed The book concludes with a comparison of the three translations in their renderings of selected examples from the Gospel of John **Counseling One Another** Paul Tautges, 2016-02-29 This paradigm shifting book helps believers understand the process of being transformed by God s grace and truth and challenges them to be a part of the process of discipleship in the lives of their fellow brothers and sisters in Christ Counseling One Another biblically presents and defends every believer s responsibility to work toward God s goal of conforming us to the image of His Son a goal reached through the targeted form of intensive discipleship most often referred to as counseling All Christians will find Counseling One Another useful as they make progress in the life of sanctification and as they discuss issues with their friends children spouses and fellow believers providing them with a
