Kip Larson moved to Mystic Pines to fulfill his dream of owning his own spa. Too bad Alaska wasn't the nature lover's paradise he'd hoped it would be, especially when he was stuck knee deep in mud with a grizzly bear staring him down and licking his chops. Kip had always been an animal lover, but that was put to the test as he had to decide which of them should die. Rogue Jennings had grown up in Mystic Pines, which at the time had been declining into a dying town. Now he's back and happy to be so. Hunting has been in his blood since the day he could hold a rifle, which seemed to cause a rift between him and the man he was beginning to care for. Can Rogue show Kip that if he'd open his mind and his heart, despite their differences, they could build a wonderful life together. Warning: This series takes place in the middle of the Alaskan Triangle. Anything could happen, including Bigfoot, aliens, disappearance, sinking in a mud pit, upside down trees, and even coming face to face with some of the most dangerous predators on the planet, so expect the unexpected. PLEASE NOTE: This installment ends in an HEA, but the series is better enjoyed when read in order.      *Shadow of the Redeemer* Anthony Hulse, 2014-05-20 Suspected serial killer Daniel Sugrue is found hanged. By DCI Virgil Dodd. The case is closed and Sugrue's wife, three sons, and daughter are secretly relocated in Cornwall. DCI Dodd retires, but a series of sadistic murders, identical to the ones in Cleveland, follow. Suspicion falls on the three sons, and with the help of journalist Sean Foy, who plans to write a book about the notorious murders, the two men decide to investigate. DC Sadie Dunlop goes undercover in order to befriend one of the sons, Jacob, who is the prime suspect. They become romantically involved, and Sadie doubts his guilt. More suspects are introduced, including a senior detective who had a homosexual affair with Daniel Sugrue, and DCI Dodd, who it transpires is obsessed with the murders. A complex, frightening book with an ingenious scenario. This story will leave you guessing the identity of the serial killer until the conclusion.      **Talisman**, 1992      **Hollywood As Historian** Peter C.
