Show Me How I Can Make Things:

The Man Who Could Make Things Vanish Jack Cady, 2016-11-01 What if you could make things vanish purely with a simple effort of your mind What would you do Who would want to control that power Jack Cady in *The Man Who Could Make Things Vanish* releases a long pent up everyman rage against a system that is designed to terrorize inhumanize and degrade the human experience The secret organization behind this villainy is given a name here Mobilier and the only thing that can stop it from complete world domination is one man Cady an outspoken critic of the military industrial complex and over reaching government action turns his considerable talents to pose a scathing What if that is still terrifyingly relevant and cautionary today as it was when the book was first released twenty years ago This edition includes an introduction by Dale Bailey winner of the Shirley Jackson Award

'The Real Scriptures' of God James Platter, 2012-08-14 Inside the covers of this book you will find the Real Scriptures of the Christian churches Many church leaders know that other Christian churches hold to these books but they are only willing to state what they have been brain washed to believe that is about the other inferior books It isnt in the canon of scripture formed of course by the early Catholic Church at various stages and Councils from the fourth century A D therefore no one has the right to change what is in the canon of scripture and the Catholic Church changed it in their councils not in agreement of other Christians but to hide their offence at the words of God They would not even imagine that different churches have different scriptures and assume that the correct canon of scripture must be the one first declared by the Catholic Church and its priests but other priests must be considered demented or apostate but they are not affected by the changes they made to the canon of Scripture over many centuries They will not consider the canons of Orthodox Churches or others because they vary in different regions of the world So is European Christianity based in the Vatican City right about all its holy scriptures while everyone elses church scriptures are false scriptures Ethiopia it seems got most books of scripture right even with their translation into an ancient language

I Can Show You the Way Life Goes Helena Faye Hill, 2010-06-24

Tillie lives in her own world, a world where life is all play and no work. She hopes that one day she will have the family that she dreams of: a family with a husband and children, a family that lives in a nice house and has a nice car. Now an adult, reminiscing on her life, she wonders what happened to her dream. How her life went so horribly wrong, how she hit rock bottom. In her youth, she had strong beliefs and convictions with a supportive group of family and friends somewhere along the way, though she became lost in a world of drugs and bad choices. As an adult, she struggles to regain her former life and to become part of her family once again. *I Can Show You the Way Life Goes* follows Tillie through a carefree childhood filled with many blessings through a downfall in which she believes the devil played a vital role. The kind of realization that can only occur later in life when one can clearly see what went wrong. As she tries to make sense of everything that has happened in her life, she realizes that it's never too late to turn your life around.
