On with the Show! Sheri L.M. Bestor, 2005-03-30 Don't waste a minute of precious rehearsal time. Divided into two parts: the Director's Handbook and the Actor's Handbook. *On With the Show* enables directors and actors to get the most out of rehearsal time at home and on the stage. Providing essential time-saving techniques, worksheets, and samples, this guide allows you to work more effectively and efficiently toward the final production, strengthening your skills as a director while building confidence in your actors onstage. This resource for drama teachers, classroom teachers, and community theatre leaders allows all to enjoy the thrilling process of putting on a play or musical by providing the tools for cast members to reach their performance goals and helping directors to be as organized as possible. Lost & Found Ross W.

Greene, 2021-08-10 Help the students with concerning behaviors without detentions, suspensions, expulsions, paddling, restraint, and seclusion. In the newly revised Second Edition of *Lost and Found*, distinguished child psychologist Dr. Ross W. Greene delivers an insightful and effective framework for educators struggling with students with concerning behaviors. The author's Collaborative Proactive Solutions (CPS) approach focuses on the problems that are causing concerning behaviors and helps school staff partner with students to solve those problems rather than simply modifying the behavior. In this book, you'll discover a more compassionate, practical, effective approach to students with concerning behaviors, one that positions educators as allies, not enemies, and as partners, not adversaries. Updated examples and dialogue suited to modern classrooms and recent innovations from the constantly evolving CPS model. Specific advice on how schools can eliminate the use of punitive, exclusionary disciplinary procedures and address disproportionality. Perfect for K-12 educators in general and special education. *Lost and Found* has also become standard reading for teachers in training, professors, and parents who struggle to help students for whom everything has already been tried. Wisdom and Vin-isms: Slams, Laughs, and Lessons Learned

Vinnie Venturella, 2025-06-29 When would you ever bet a punch in the face? Why is it necessary to park so you can pull forward? How do you get in World War Z shape? What does my Mom know about making friends? During a verbal slam session, when is it ever okay to go tactical nuke when a proportional response would be a bow and arrow? What is the Rule of 72? What does give him the heater mean in your world? What can only 5% of American men and 1% of women do? How can you determine if a dude is wearing a quality suit? Shouldn't some leaders talk more directly than they do? How do you know what to order at McDonald's? What are Chiefly Things? How does action breed more clarity than thought? These and many more are the questions answered or lessons highlighted in this book. *Wisdom and Vin-isms* is a companion to *The Red Pill* on wisdom and an homage to *Heartbreak Ridge*. Just because it's not deep or rooted in classical philosophy or perfectly coiffed by a titan of industry doesn't mean it's not wisdom. It definitely is a Vin-ism and should be embraced. **The Bravest You** Adam Kirk Smith, 2017-05-30 A Breakthrough Bravery System to Confront Your Greatest Fears, Find Your Purpose, and Create the Successful Life You Want.
