The Swedenborg Concordance John Faulkner Potts, 1902 *The Purity and Sanctuary of the Body in Second Temple Judaism* Hannah K. Harrington, 2019-08-12 This study traces the emergence of the concept of the body as a sanctuary from its biblical roots to its expressions in late Second Temple Judaism. Harrington's hypothesis is that the destruction of the first Jerusalem temple was a catalyst for a new reality vis-à-vis the temple and the emergence of increased emphasis on the holiness of the people along with concomitant standards of purity in a certain stream of Judaism. The study brings into relief elements of this attitude from exilic texts e.g. Ezekiel to Ezra Nehemiah the Dead Sea Scrolls and other Second Temple Jewish texts including early Jesus and Pauline traditions. The goal is to provide a history of the concept of the body cum temple metaphor which comes to its fullest expression in the letters of Paul to the Corinthians. The concept of the body as a sanctuary as it comes to fruition in late second temple Judaism must be understood within the conceptual world of Jewish holiness of the time. The metaphor of the temple provides a frame of reference but only a close analysis of the concepts of holiness, purity and impurity and the dynamics between them can provide depth and distinction. Of particular importance critical to proper understanding of the temple metaphor are the notions of the elect, holy status of Israel and its possible desecration by wrongful sexual relations, the loss of the temple and the ripple effect of creating at least temporary substitutes for processes of the cult, the widespread concern in Second Temple Judaism for ritual purity in support of greater holiness and a desire among Jews for the residence and agency of the spirit of holiness.

Situating the Uyghurs Between China and Central Asia Ildiko Beller-Hann, M. Cristina Cesàro, Joanne Smith Finley, 2016-12-14 Drawing together distinguished international scholars, this volume offers a unique insight into the social and cultural hybridity of the Uyghurs. It bridges a gap in our understanding of this group, an officially recognized minority mainly inhabiting the Xinjiang Uyghur Autonomous Region of the People's Republic of China, with significant populations also living in the Central Asian states. The volume is comparative and interdisciplinary in focus: historical chapters explore the deeper problems of Uyghur identity which underpin the contemporary political situation and sociological and anthropological comparisons of a range of practices from music culture to life cycle rituals illustrate the dual-fused nature of contemporary Uyghur social and cultural identities. Contributions by local Uyghur authors working within Xinjiang also demonstrate the possibilities for Uyghur advocacy in social and cultural policy making even within the current political climate.

Like Clouds or Mists Elizabeth A. Beck, 2009-03-01 What do the gospels contribute to our understanding of nonviolent versus violent means of conflict resolution Many biblical scholars contend that the gospels have little to say on this subject Others seek answers in ethical principles found in Jesus s teachings which may or may not be interpreted as accepting or rejecting violence In *Nonviolent Story* Robert Beck proposes a new way of reading the Gospel of Mark one that points to a challenging message of nonviolent resistance as reflected in the story of Jesus s life

and ministry According to narrative analysis the message of the Gospel is found in the structure of the story itself Beck contends that the narrative form of Mark's gospel portrays Jesus as a protagonist who does not avoid conflict but enters into it without himself resorting to violence He thus serves as a model of the nonviolent resistance that inspired Gandhi and Martin Luther King Jr By using literary analysis to explore Mark's gospel Beck opens up a counter story that challenges the prevailing American cultural myth of constructive violence Beck uses the Western tales of Louis L Amour as the narrative essence of this pop mythology and the total opposite of the story told by Mark
