Muting White Noise James H. Cox, 2012-11-19 Native American fiction writers have confronted Euro American narratives about Indians and the colonial world those narratives help create These Native authors offer stories in which Indians remake this colonial world by resisting conquest and assimilation sustaining their cultures and communities and surviving In *Muting White Noise* James H Cox considers how Native authors have liberated our imaginations from colonial narratives Cox takes his title from Sherman Alexie for whom the white noise of a television set represents the white mass produced culture that mutes American Indian voices Cox foregrounds the work of Native intellectuals in his readings of the American Indian novel tradition He thereby develops a critical perspective from which to re see the role played by the Euro American novel tradition in justifying and enabling colonialism By examining novels by Native authors especially Thomas King Gerald Vizenor and Alexie Cox shows how these writers challenge and revise colonizers tales about Indians He then offers red readings of some revered Euro American novels including Herman Melville s *Moby Dick* and shows that until quite recently even those non

Native storytellers who sympathized with Indians could imagine only their vanishing by story's end *Muting White Noise* breaks new ground in literary criticism It stands with Native authors in their struggle to reclaim their own narrative space and tell stories that empower and nurture rather than undermine and erase American Indians and their communities *The Franz Boas Papers, Volume 2* Franz Boas, 2024-04 *The Franz Boas Papers Volume 2* explores the development of the ethnography of Salishan speaking societies on the North American Plateau as revealed through the correspondence between Franz Boas and the Scottish born James Teit who married into an Interior Salish family and community and became fluent in the Nlaka pamux language The letters between Teit 1864-1922 and Boas 1858-1942 chronicle Teit's varied career as an ethnographer from shortly after his initial meeting with Boas in 1894 until Teit's death at the age of fifty-eight A postscript documents Boas's contribution to Teit's legacy through the posthumous publication of the manuscripts Teit left unfinished at his death Teit made significant contributions to ethnography and the history of southern British Columbia through his photography of the people with whom he worked his contributions to ethnomusicology and ethnobotany his anthologies of mythic narrative and his collections of Interior Salish primarily Nlaka pamux material culture In addition to collaborating with Boas in the development of Interior Salish ethnography between 1909 and 1922 Teit worked to support Indigenous groups in British Columbia who were seeking recognition of Aboriginal title and resolution of their outstanding land claims *The Franz Boas Papers Volume 2* meticulously tracks the impact of the differing career trajectories of Teit and Boas on the primary product of their collaboration the initial development of the ethnography of societies speaking Interior Salish languages This second volume of the *Franz Boas Papers Documentary Edition* is an essential primary source of archival materials for research libraries and for students and scholars of Northwest Coast and Interior Mountain West ethnohistory Native American and Indigenous studies history of anthropology and modern U.S. history It is also an essential source for Indigenous and settler descendant communities **Chukchee Mythology** Waldemar Bogoras, 1913 [Camping British Columbia and Yukon](#) Jayne Seagrave, 2014-06-05 In this fully revised expanded and updated edition of her bestselling camping guide Jayne Seagrave lays the groundwork for anyone planning to get out of the city and explore the best that nature has to offer Whether you're camping with kids travelling in an RV or looking for a comfort upgrade *Camping in British Columbia and the Yukon* offers over 150 possibilities for campers of every age and experience level Learn which campgrounds have interpretive programs playgrounds and safe swimming beaches pick out parks with flush toilets hot showers and nearby restaurants or find out which campgrounds are RV accessible Like Jayne's classic *Camping British Columbia* this book lists the location amenities and recreational activities of every national and provincial campground in BC and in this new edition she expands her listing to include the national and territorial campgrounds of the Yukon Campgrounds are listed alphabetically with clear maps and directions [Forgotten Trails](#) Ron Anglin, 2021-10-13 Indian inhabitants laid out the basic travel routes in central Washington's Grand Coulee country probably 10,000 to 12,000 years

ago In the early 1800s horse oriented Native Americans continued to use these routes a host of white frontiersmen followed in their footsteps Though their passage is now largely forgotten many individuals prominent in Western history traveled this way and kept excellent records In *Forgotten Trails* the most noteworthy and exciting of these accounts have been edited into a single volume Included are the adventures of Lewis and Clark and the Canadian explorer David Thompson early missionaries such as the Reverend Samuel Parker railroad surveyors and scientists Paul Kane and other artists as well as fur traders miners stockmen military roadbuilders and homesteaders The book ends with the celebrated Grand Horse Roundup of 1906 and an enthralling Native American perspective These firsthand accounts together with a chapter on traditional Plateau Indian culture and an oral history describing 19th century Indian life render a portrait of the region s trails and travelers during its flamboyant and exciting frontier era *Forgotten Trails* is an essential contribution to the literature of the Columbia Basin

A Native Heritage Leslie Monkman,1981-12-15 Disparity and division in religion technology and ideology have characterized relations between English Canadian and Indian cultures through out Canada s history From the earliest declaration of white territorial ownership to the current debate on aboriginal rights red man and white man have had opposing principles and perspectives The most common solutions imposed on these conflicts by white men have relegated the Indian to the fringes of white society and consciousness This survey of English Canadian literature is the first comprehensive examination of a tradition in which white writers turn to the Indian and his culture for standards and models by which they can measure their own values and goals for patterns of cultural destruction transformation and survival and for sources of native heroes and indigenous myths Leslie Monkman examines images of the Indian as they appear in works ranging from Robert Rogers *Ponteach or The Savages of America* 1766 to Robertson Davies *Pontiac and the Green Man* 1977 demonstrating how English Canadian writers have illuminated their own world through reference to Indian culture The Indian has been seen as an antagonist as a superior alternative as a member of a vanishing and lamented race and as a hero

and the source of the new myths Although white Indian tension often lies in apparently irreconcilable opposites Monkman finds in the literature surveyed complementary images reflecting a common humanity This is an important contribution to a hitherto unexplored area of Canadian literature in English which should give rise to further elaboration of this major theme
