don't know how ironic that is he said Wait till you hear about him Like all gadget inventors he wanted to try his hand at something big and at last he conceived it a mechanical house A house that did everything for you like a combination maid and housekeeper and valet What a pipe dream Take it easy He built it Where Not far outside Denver I was on the Rocky Mountain Gazette at that time just beginning my newspaper career The city editor was a hard boiled old boy named Davis Hickman Davis He called me in one day and gave me a lead Go easy on this boy he said We used to go to school together He's probably nuts but he's made money on it He's got a new invention So I went out to his place Farquahr was a skinny longhaired fellow with baggy pants and a sports coat which he appeared never or seldom to change Not that he was exactly dirty just careless I introduced myself and got down to the story Was it true I wanted to know that he was building himself a mechanical house He admitted it But so far he said the story was under wraps What will it do I wanted to know Everything Mr Harrigan everything he said to me Except of course those more intimate little chores and duties performed by one's wife Interesting I said But I'm skeptical It's your business to be he agreed
