Sidekicks J. Torres, 2003-11-02 Terry Highland isn't like other kids. Or is she? So when three new vigilantes burst on to the scene calling themselves Biff Bam and Pow it has the whole student body buzzing and the administration on the lookout for the kids that would dare to break the Academy's most essential rule. Can Terry and her friends solve the mystery without getting caught in the middle? **SIDEKICKS** turns the superhero genre on its head following powered kids who would rather start food fights than fist fights and are more worried about what to do on a Friday night than the next contrived evil plot

Scandalous J. Torres, 2004-09-14 Hollywood in the 1950s is a place of big glamour, small talk and medium cool. The studios control everything, managing their actors' careers and massaging the image they present to the public. To do this they need the press onboard and the one aspect they can't control is gossip. This means the most powerful woman in Hollywood is Paige Turner, the celebrity columnist for one of America's most read papers. Known for her outrageous headgear, Paige is often called The Mad Hatter, a nickname with a double meaning since everyone wants to be invited to her publicity party. When a more salacious tabloid mentality creeps into the newsstands though, Paige sees some of her ground being threatened. And the studios see a roguish new element that might not want to play ball. At the top of this salacious new art form is Harry Richards, The Tabloid Dick, the guy with the snooping peepers who keeps getting the scoop. What begins as a war of words ends up being a knock down drag out fight for the number one slot as the biggest rumor monger in entertainment
