Siege Of Washington Dc:

Siege of Washington, F. Colburn Adams, 2015-01-23 YOU my son have heard and perhaps read how Rome was once saved by a goose There were as you know my son a great many geese abroad during the siege of Washington but it was not through any act of theirs that the city was saved As I love you dearly my son so is it my first desire to instruct you correctly on all subjects in which the good of our great country is concerned Before concluding my history of this remarkable siege I shall prove to your satisfaction that Washington was saved and the fate of the nation determined by a barrel of whisky **Siege of Washington, D.C.** Francis Colburn Adams, 1867 *Siege Of Washington D.C. (1867)* Francis Colburn Adams, 2009-06 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work **Siege of Washington** F. Colburn Adams, 2003-04-01 *The Siege of Washington* John Lockwood, Charles Lockwood, 2011-04-11 On April 14 1861 following the surrender of Fort Sumter Washington was put into the condition of a siege declared Abraham Lincoln Located sixty miles south of the Mason Dixon Line the nation s capital was surrounded by the slave states of Maryland and Virginia With no fortifications and only a handful of trained soldiers Washington was an ideal target for the Confederacy The South echoed with cries of On to Washington and Jefferson Davis s wife sent out cards inviting her friends to a reception at the White House on May 1 Lincoln issued an emergency proclamation on April 15 calling for 75 000 troops to suppress the rebellion and protect the capital One question now transfixed the nation whose forces would reach Washington first Northern defenders or Southern attackers For 12 days the city s fate hung in the balance Washington was entirely isolated from the North without trains telegraph or mail Sandbags were stacked around major landmarks and the unfinished Capitol was transformed into a barracks with volunteer troops camping out in the House and Senate chambers Meanwhile Maryland secessionists blocked the passage of Union reinforcements trying to reach Washington and a rumored force of 20 000 Confederate soldiers lay in wait just across the Potomac River Drawing on firsthand accounts *The Siege of Washington* tells this story from the perspective of leading officials residents trapped inside the city Confederates plotting to seize it and Union troops racing to save it capturing with brilliance and immediacy the precarious first days of the Civil War **Siege of Washington, D.C** Francis Colburn Adams, 1867 *Siege of Washington, D.C., written expressly for little people* F. Colburn Adams, 2023-01-15 Reproduction of the original **Siege of Washington**, F. Colburn Adams, 2006-06-01 An account of this historic US event written for young people **Siege of Washington, D. C.**

Francis Adams, 2016-12-26 This work was not written to offend but to amuse and instruct little people That the Siege of Washington was the most remarkable military event history has any account of is very well understood among those who participated in it I must beg the reader then not to place false judgment on the pleasantries introduced here and there since I have recorded with great care and correctness all the military movements that took place during that memorable occasion Excerpt from Siege of Washington D C YOU my son have heard and perhaps read how Rome was once saved by a goose There were as you know my son a great many geese abroad during the siege of Washington but it was not through any act of theirs that the city was saved As I love you dearly my son so is it my first desire to instruct you correctly on all subjects in which the good of our great country is concerned Before concluding my history of this remarkable siege I shall prove to your satisfaction that Washington was saved and the fate of the nation determined by a barrel of whisky Let me say to you my son that the siege of Washington however much people abroad may laugh at it was one of the most extraordinary events in the history of modern warfare It took place in the year of our Lord 1864 and there is no other event in the war of the great rebellion to compare with it You will therefore my son understand why it is that the history of an event of so much importance should be written only by an impartial historian one who has courage enough to tell the truth and no official friends to serve at the expense of honor I must tell you also my son that the great military problem of this siege has afforded a subject of deep study for our engineers from General Delafield downward who have puzzled their wits over it without finding a solution **Battle History of the United States Marine Corps, 1775-1945** George B. Clark, 2014-01-10
