Chianti Classico Bill Nesto, Frances Di Savino, 2016-09-20 This book tells the story of the ancient land named Chianti and the modern wine appellation known as Chianti Classico In 1716 Tuscany's penultimate Medici ruler Cosimo III anointed the region of Chianti along with three smaller areas in the Florentine State as the world's first legal appellations of origin for wine In the succeeding centuries this milestone was all but forgotten By the late nineteenth century the name Chianti rather than signifying this historic region and its celebrated wine identified a simple Italian red table wine in a straw covered flask In the twenty first century Chianti Classico emerged as one of Italy's most dynamic and fashionable wine zones Chianti Classico relates the fascinating evolution of Chianti as a wine region and reveals its geographic and cultural complexity Bill Nesto MW and Frances Di Savino explore the townships of Chianti Classico and introduce readers to the modern day winegrowers who are helping to transform the region The secrets of Sangiovese the principal vine variety of Chianti are also revealed as the book unlocks the myths and mysteries of one of Italy's most storied wine regions The publication of Chianti Classico coincides with the three hundredth anniversary of the Medici decree delimiting the region of Chianti on September 24 1716 **Siena;** ,1992 **Michelin Green Guide Tuscany** Michelin, 2016-03-15 The eBook version of updated Green Guide Tuscany organized by district for easy travel presents the best of the region Discover its Alpine peaks and valleys explore a landscape of vineyards grain fields sunflowers and olive trees Visit breath taking cities such as Renaissance Florence and Siena and enjoy the glamorous coast with its picturesque ports and idyllic beach coves From San Gimignano's towers to the Tuscan Archipelago Michelin's celebrated star rating system respected maps and trusted advice ensure an unforgettable journey In this eBook you'll find Full color photos and plenty of detail travelers look for Attractions reviewed and rated using Michelin's celebrated star rating system from the Romanesque architecture of three star Lucca to the arcaded streets of one star Poppi Walk throughs of major museums galleries churches and attractions Illustrations and floor plans are often included to pick out the highlights of major attractions Michelin walking and driving tours for a more in depth personal experience of the country Take a driving tour through Chianti or explore Siena's Piazza del Campo by foot Comprehensive illustrated sections on modern day Tuscany its art architecture history and culture all written by experts in their fields Sidebars throughout the guide on intriguing topics from Michelangelo's crucifix and Botticelli to the Elba's semi precious stones Detailed visitor information for every attraction opening hours entry fees tour times phone website Michelin area and city maps Recommendations for great places to eat and stay for every budget Download onto any kind of eReader tablet or smartphone and you're set to go Use the guide to orient yourself at any time with a treasure trove of 40 detailed maps even if you're offline with no Wi-Fi or 3G connection With the interactive navigation it's easy to move within the guide Click from the index to a point of interest or from a sight description to its location on the map With one touch you can even phone an establishment directly from the page or click through to a website for more information No matter what eReader
