Sierra Leone Prim Env Soc Stud Pb1 Savage S Et Al,1998-06-01 **Primary and Secondary Education in Sierra Leone** Collier, Ebenezer,2016-03-29 Colonial education was instituted in Sierra Leone as a consequence of the activities of British philanthropic and missionary bodies from the late 19th to mid 20th century It was largely in the hands of Christian missionaries introduced in the form of evangelism and as part of Western missionary enterprise Such education basically ignored the achievements and contributions of the indigenous populations and for the most part did not cultivate the African student s self esteem and pride The author gives details of policies programmes and statistical outcomes It is important particularly for policy makers as it may serve as input to the debate on future education policy development and has the potential for contributing to research literature on implementation of educational policies Sierra Leoneans should access the previously lacking and relevant knowledge of the development of education during the fifty years of Independence as presented in this book As such it will also be a valuable resource for college and university lecturers Primary Social Studies for Sierra Leone ,1985 **Sierra Leone Prim Env Soc Stud Tb3** Savage S Et Al,1998-06-01 **Social Studies for Sierra Leone** Joe A.
