Sigmar Polke Margit Rowell, Sigmar Polke, Michael Semff, Bice Curiger, Museum of Modern Art (New York, N.Y.), 1999 Sigmar Polke's thirty five year career during which he has produced a vast range of work in all mediums has earned him a reputation as one of the most significant artists of his generation Born in 1941 he began his creative output around 1963 in Dusseldorf during a time of enormous social cultural and artistic changes in Germany and elsewhere Few of his works demonstrate more vividly his imagination sardonic wit and subversive approach than the drawings watercolors and gouaches produced during the 1960s and early 1970s Embedded in these images are incisive and parodic commentaries on consumer society the postwar political scene in Germany and classic artistic conventions Works on Paper 1963-1974. Williams, 2012-06-12 Permission to Laugh explores the work of three generations of German artists who beginning in the 1960s turned to jokes and wit in an effort to confront complex questions regarding German politics and history Gregory H Williams highlights six of them Martin Kippenberger Isa Genzken Rosemarie Trockel Albert Oehlen Georg Herold and Werner B ttner who came of age in the mid 1970s in the art scenes of West Berlin Cologne and Hamburg Williams argues that each employed a distinctive brand of humor that responded to the period of political apathy that followed a decade of intense political ferment in West Germany Situating these artists between the politically motivated art

of 1960s West Germany and the trends that followed German unification in 1990 Williams describes how they no longer heeded calls for a brighter future turning to jokes anecdotes and linguistic play in their work instead of overt political messages He reveals that behind these practices is a profound loss of faith in the belief that art has the force to promulgate political change and humor enabled artists to register this changed perspective while still supporting isolated instances of critical social commentary Providing a much needed examination of the development of postmodernism in Germany *Permission to Laugh* will appeal to scholars curators and critics invested in modern and contemporary German art as well as fans of these internationally renowned artists **Federal Register**, 1999 **Federal Register Index**, 1998 **Annual Bibliography of Modern Art** Museum of Modern Art (New York, N.Y.).
