as important to the founding of a modern and multiethnic twentieth and twenty first century America as Thomas Jefferson and James Madison and Samuel Adams were to the initial creation of the Republic itself in the eighteenth century A believer in the injunction that one should love one s neighbor as oneself Lewis was arguably a saint in our time risking limb and life to bear witness for the powerless in the face of the powerful In many ways he brought a still evolving nation closer to realizing its ideals and his story offers inspiration and illumination for Americans today who are working for social and political change
