# Long Postwar Peace

**James Burk, Robert J Waldman, David R  
Segal, Charles C Moskos**

## **Long Postwar Peace:**

**The Long Peace** John Lewis Gaddis, 1987 In this fascinating new interpretation of Cold War history John Lewis Gaddis focuses on how the United States and the Soviet Union have managed to get through more than four decades of Cold War confrontation without going to war with one another Using recently declassified American and British documents Gaddis argues that the postwar international system has contained previously unsuspected elements of stability This provocative reassessment of contemporary history particularly as it relates to the current status of Soviet American relations will certainly generate discussion controversy and important new perspectives on both past and present aspects of the age in which we live

Great Powers and World Order Charles W. Kegley, Gregory A. Raymond, 2020-02-12 Great Powers and World Order encourages critical thinking about the nature of world order by presenting the historical information and theoretical concepts needed to make projections about the global future Charles W. Kegley and Gregory Raymond ask students to compare retrospective cases and formulate their own hypotheses about not only the causes of war but also the consequences of peace settlements Historical case studies open a window to see what strategies for constructing world order were tried before why one course of action was chosen over another and how things turned out By moving back and forth in each case study between history and theory rather than treating them as separate topics the authors hope to situate the assumptions causal claims and policy prescriptions of different schools of thought within the temporal domains in which they took root giving the reader a better sense of why policy makers embraced a particular view of world order instead of an alternative vision

The Waning of Major War Raimo Vayrynen, 2013-10-31 This book is a systematic effort by leading international scholars to map the trends in major power warfare and explore whether it is waxing or waning The main point of departure is that major power war as a historical institution is in decline This does not mean though that wars between states are in general disappearing While there is some convergence in the conclusions by individual authors they are by no means unanimous about the trend The articles explore different causes and correlates of the declining trend in major power warfare including the impact of the international structure nuclear weapons international law multilateral institutions sovereignty and value changes

**Nuclear Weapons and Conflict Transformation** Saira Khan, 2008-09-09 This new volume explores what the acquisition of nuclear weapons means for the life of a protracted conflict using the case study of the conflict between India and Pakistan

*The Future's Back* Frank P. Harvey, 1997 Arguing that previous critiques of rational choice and deterrence theory are not convincing Frank Harvey constructs a new set of empirical tests of rational deterrence theory to illuminate patterns of interaction between rival nuclear powers He analyses the crisis management techniques used by the United States and the Soviet Union in twenty eight post war crises and isolates factors that promote or inhibit escalation of these crises This crises based data set serves as the basis for identifying patterns of response when one nuclear state is threatened by another The Future's Back offers new directions for testing that emphasize a more unified approach to theory building

and assesses the feasibility of alternative courses of action to prevent escalation of future disputes characterized by nuclear rivalry

*Point of Attack* John Yoo, 2014-03-25 *Point of Attack* calls for a new understanding of the grounds for war by defending preventive war as a valid method used by the great powers In this book John Yoo argues that new threats to international security come not from war between the great powers but from failed states human rights catastrophes terrorist groups weapons of mass destruction proliferation and destabilizing regional powers such as Libya Syria North Korea and Iran *Point of Attack* offers choice tools to bear on international legal rules to develop a new international legal regime that maximizes global welfare consistent with the realities of great power politics

**Understanding Conflict Resolution**

Peter Wallensteen, 2007 This thoroughly revised edition of Peter Wallensteen's text provides a comprehensive guide to understanding conflict resolution in the contemporary global environment *Understanding Conflict Resolution* draws on recent and classic research from around the world linking the theory of conflict resolution to in depth case studies throughout The first part reviews the development of conflict resolution since the Cold War and demonstrates the various approaches to conflict analysis The core of the book explores the settlement of three major types of international conflict inter state internal and those arising from state formation In the final part regional and international approaches are examined and questions posed regarding the future of conflict resolution This new edition has been brought fully up to date with coverage of the ongoing war on terror as well as events in Sudan Lebanon Sri Lanka and Zimbabwe Part Three considers the developments in UN reform and the increasing importance of civil society organizations *Understanding Conflict Resolution* remains an essential text for all students lecturers and researchers of peace and conflict resolution in international relations global politics and political science

**The ^AUnited States and the End of the Cold War** John

Lewis Gaddis, 1994-04-28 The Cold War ended with an exhilarating wave of events the toppling of the Berlin Wall the rise of the dissident poet Vaclav Havel the revolution in Romania Americans rejoiced at the dramatic conclusion of the long struggle But victories in wars hot or cold tend to unfocus the mind writes John Gaddis It can be a dangerous thing to have achieved one's objectives because one then has to decide what to do next In *The United States and the End of the Cold War* Gaddis provides a sharp focus on the long history of the Cold War shedding new light on its sudden ending as well as on what might come next In this provocative insightful book Gaddis offers a number of thoughtful essays on the history of international relations during the last half century His reassessments of important figures and themes from the Cold War are sometimes surprising For example he portrays John Foster Dulles and Ronald Reagan as far more flexible and perceptive statesmen than the missile toting caricatures depicted in editorial cartoons And he takes a second look at the importance of espionage and intelligence in Cold War history a field often left to buffs and spy novelists Most important he focuses on the central elements in superpower relations In an eloquent account of the American style of foreign policy in the twentieth century for instance he explores how Americans having learned the lesson of Adolf Hitler consistently equated the forms of foreign governments

with their external behavior assuming that authoritarian states would be aggressive states He also analyzes the tectonics of Cold War history demonstrating how long term changes in international affairs and Soviet bloc countries built up pressures that led to the sudden earthquakes of 1989 And along the way Gaddis illuminates such topics as the role of morality in American foreign policy the relevance of nuclear weapons to the balance of power and the objectives of containment He even includes and criticizes an essay entitled How the Cold War Might End written before the dramatic events of recent years to demonstrate how quickly the tide of history can overwhelm contemporary analysis Gaddis concludes with a thoughtful consideration of the problems and forces at work in the post Cold War world Author of such works as *The Long Peace* and *Strategies of Containment* John Lewis Gaddis is one of the leading authorities on postwar American foreign policy In these perceptive highly readable essays he provides a fresh assessment of the evolution of the Cold War and insight into the shape of things to come

**Rethinking the Cold War** Allen Hunter,2010-06-02 A path breaking collection of essays by cutting edge authors that reassess the Cold War since the fall of communism

**What Do We Know about War?** John A. Vasquez,2012-03-15 What Do We Know About War reviews the causes of war and the conditions of peace Drawing analyses from the thirty five year history of this discipline leading researchers explore the roles played by alliances territory arms races interstate rivalries capability and crisis bargaining in increasing the probability of war They emphasize international norms and the recent finding that democratic states do not fight each other as factors that promote peace

**What Do We Know about War?** Sara McLaughlin Mitchell,John A. Vasquez,2024-01-09 This invaluable text assesses the current research on the causes of both war and peace In this revised third edition now with a brand new chapter on the Russian Ukraine War leading international relations scholars explore the role of territorial disputes power alliances arms races rivalry and nuclear weapons in bringing about war the outcomes and consequences of war and the factors that promote peace including democracy norms capitalist economies and stable borders The revised third edition includes a section on emerging trends in research on cyber war the environment and climate change leaders war financing and trends in interstate conflict Reviewing fifty years of scientific research the contributors provide an accessible and up to date overview of current knowledge and a road map for future research

**Rediscovering Gandhi (Volume 10)** R.P. Misra,2018-01-01 This is the tenth volume of Rediscovering Gandhi series of books edited by Prof R P Misra The volume is a collection of papers written by Prof Misra and published in various international and national journals and lectures delivered by him during the last two decades The volume covers all aspects of Gandhi s life childhood adolescence and youth his South African sojourn and birth of non cooperation movement there which was transformed into Satyagraha his return to India and call for Home Rule as the first step to secure Purna Swaraj complete independence for India and his non violent movement Satyagraha to free India from the British Rule Then there are chapters which cover themes like Truth is God Sarvodaya Swaraj Gram Swaraj Gandhian Economics Modernism and Post modernism Democracy Human Rights Ecology Education and Peace

*Liberal Peace*

Michael Doyle, 2011-08-05 This volume comprises the key writings of Prof Michael Doyle on the Liberal Peace from the 1980s up to the present day

**The Ambiguous Legacy** Michael J. Hogan, 1999-11-13 This collection assesses the record of American foreign policy in the twentieth century

Fundamental Principles of International Relations J. Martin Rochester, 2010-02-23 This lucid and engaging volume provides an essential framework for introducing students to the fundamentals of world politics by clarifying the complexities of its rapidly changing context

**World At The Crossroads: New Conflicts, New Solutions, A: Annals Of Pugwash 1993** Joseph Rotblat, Sven Hellman, 1994-11-15 This book focuses on subjects of great topical interest such as nuclear disarmament trade in arms peacekeeping and conflict resolution environmental security and sustainability Major themes include the elimination of nuclear weapons control of the arms trade the role of multinational and international organizations in peace keeping environmental sustainability and security in the Nordic Baltic region

**International Security** Patrick M. Morgan, 2006-02-27 Conflict be it war between states ethnic violence civil war or terrorist activity endures despite immense efforts to end it How do states cope with conflict minimize future threats and reduce the risk of insecurity Morgan outlines a spectrum of solutions states use to manage violent conflict ranging from strategies that individual governments enact largely on their own such as distribution of power deterrence or arms control to those such as collective security and multilateralism that are more global in nature The book progresses into tactical and practical actions from negotiation and mediation to peace imposition Morgan evaluates each strategy and tactic in terms of how well it addresses three levels of security systemic state and societal to show how they are interrelated and complementary to each other in important ways Addressing insecurity at one level often elicits further insecurity at another Morgan shows students how these various levels interact either to a state s advantage or to its detriment so they can comprehensively analyze the ways that political actors manage or incite conflict Useful pedagogical features help students master the material Terms and Concepts boxes go beyond simple definitions and provide students with a concept s evolution over time or the controversy surrounding the meaning of a certain term Cases and Context boxes offer needed background and interesting detail about pivotal cases of conflict both historical and contemporary in nature Key terms are bolded throughout and compiled in a glossary Annotated bibliographic essays at the end of each chapter point students to additional sources for further study

**The Realism Reader** Colin Elman, Michael Jensen, 2014-08-12 The Realism Reader provides broad coverage of a centrally important tradition in the study of foreign policy and international politics After some years in the doldrums political realism is again in contention as a leading tradition in the international relations sub field Divided into three main sections the book covers seven different and distinctive approaches within the realist tradition classical realism balance of power theory neorealism defensive structural realism offensive structural realism rise and fall realism and neoclassical realism The middle section of the volume covers realism s engagement with critiques levelled by liberalism institutionalism and constructivism and the English School The final section of the book provides materials on realism s

engagement with some contemporary issues in international politics with collections on United States U S hegemony European cooperation and whether future threats will arise from non state actors or the rise of competing great powers The book offers a logically coherent and manageable framework for organizing the realist canon and provides exemplary literature in each of the traditions and dialogues which are included in the volume Offering substantial commentary and analysis and including enhanced pedagogy to facilitate student learning The Realism Reader will provide a one stop shop for undergraduates and masters students taking a course in contemporary international relations theory with a particular focus on realism

**The Military In New Times** James Burk, Robert J Waldman, David R Segal, Charles C Moskos, 2019-06-26

What role will armed forces play in a world that is turbulent yet no longer organized by the bipolar conflict of East and West In this volume leading experts from several disciplines assess the rapidly changing global strategic and cultural landscape examining how it will affect the responsibilities and social standing of the modern military There are provocative disagreements among the contributors especially over whether we should expect and prepare for another global war However the contributors generally agree on several broad themes that guide their analysis Arguing that the Cold War has masked basic trends that have been reshaping the international system for a long time they suggest that the sovereign states dominance of the international system is rapidly coming to an end as multinational ethnic regional and religious groups to name a few increasingly affect the course of global affairs In the absence of a clear enemy the military faces an identity crisis In the postmodern atmosphere of this multicentric global order authority is fragmented and the exercise of any one authority is subject to greater scrutiny and challenge The military has become more accepting of a variety of values life styles and attitudes toward its tasks At the same time support for the military s mission is difficult to win requiring endless justification The authors believe that the principal missions for the military in these new times are peacekeeping peacemaking and humanitarian assistance They examine the prospects for successful operations in these areas taking into account the cultural lag between world structures that favor increased multinational peacekeeping forces and individual nations that supply token resources to support such efforts This volume provides a sophisticated and thought provoking perspective on the future role of the military in the coming decades It is sure to enrich the vigorous debate surrounding these issues

## **Long Postwar Peace Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Long Postwar Peace PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Long Postwar Peace PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources

available. In conclusion, the availability of Long Postwar Peace free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About Long Postwar Peace Books**

1. Where can I buy Long Postwar Peace books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Long Postwar Peace book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
