## **Look What Happened To Frog Storytelling In Education:**

The Storyteller's Start-up Book Margaret Read MacDonald, 1993 Instruction on how to tell stories Includes 12 tales from other countries      Look what Happened to Frog Pamela J. Cooper, Rives Collins, 1992      **Speaking Out** Jack Zipes, 2004 First Published in 2005 Routledge is an imprint of Taylor Francis an informa company      *Creative Storytelling* Jack Zipes, 2013-10-11 Jack Zipes has reinvigorated storytelling as a successful and engaging tool for teachers and professional storytellers Encouraging storytellers librarians and schoolteachers to be active in this magical process Zipes proposes an interactive storytelling that creates and strengthens a sense of community for students teachers and parents while extolling storytelling as animation subversion and self discovery      **Story Listening and Experience in Early Childhood** Donna Schatt, Patrick Ryan, 2021-03-22 This book shows connections between oral story listening and unique enduring educational effects in and outside of the classroom Using scientific studies and interviews as well as personal observations from more than thirty years in schools and libraries the authors examine learning outcomes from frequent story listening Throughout the book Schatt and Ryan illustrate that experiencing stories told entirely from memory transforms individuals and builds community affecting areas such as reading comprehension visualization focus flow states empathy attachment and theory of mind      *The Storyteller's Guide* William Mooney, 1996 Guide to becoming a better storyteller with advice from more than fifty of America's best known storytellers who answer questions about such issues as creating original stories controlling stage fright marketing and setting fees and using storytelling in the library and classroom      *In the Presence of Each Other* Johanna C. Kuyvenhoven, 2009-05-23 There can be little doubt that pedagogical practices have increasingly become focused on reading and writing in childhood education In the Presence of Each Other is a brilliant ethnography that examines the educational benefits of the use of oral storytelling in the classroom and the ways in which non print literacy enhances children's overall language and communication capacities Presenting a strong argument based on compelling evidence for the incorporation of oral practices in the classroom Johanna Kuyvenhoven follows a group of children in grades four and five as they forge an inclusive learning environment that respects linguistic social and ethnic diversity by sharing stories out loud She traces the positive effects that oral storytelling has on children's vocabularies writing skills as well as for problem solving abilities and empathetic responses that are essential to learning across the disciplines In the Presence of Each Other is a ground breaking work not only for educators but also for anyone interested in the practice of storytelling      *The Storytellers' Journey* Joseph Daniel Sobol, 1999 This is the seed of The Storytellers Journey Joseph Daniel Sobol's history of the past thirty years of American storytelling In this compelling examination of the contemporary search for myth Sobol explores the social and psychological roots of the storytelling revival and the ever resurgent power of the storyteller Drawing on interviews with dozens of storytellers around the country Sobol paints the revival as part of a larger process of cultural revitalization He traces the growth of the preeminent revival organization the National Association for the Preservation and

Perpetuation of Storytelling NAPPS and details the individual passions the organizational politics and the economic social and mythic forces that have combined to transform a ragtag assemblage of enthusiasts into a national and international network of arts professionals A seemingly chance encounter between a restlessly ambitious high school teacher and a coonhunting tale on the car radio sets off a chain of inspirations that changes the face of a small southern town touches lives across America and revitalizes a homely but treasured art form

**The Whole Story Handbook** Carol L. Birch, 2000 Birch storyteller children's librarian and teacher tackles the slippery topic of the difference between reciting a memorized story and telling it directly and engagingly to listeners The storyteller must know far more about the story than he or she tells In addition to her own infectious prose Birch provides a series of guided imagery exercises that walk the reader through the nuts and bolts of learning imagining a story from the inside out in order to be fully present in its telling
