your feelings and emotions instead of being victimized by them and how to create your own reality through the power of your mind through learning the science of attitudinal healing Spiritually electrifying reading **Finding Love Everywhere** Robert Holden,2020-09-01 May Robert s wonderful life and work and heart keep helping others to know that inherent in life is Love from the foreword by Daniel Ladinsky I didn t have much time for poetry when I was young Robert Holden writes in the introduction to this elegant and inspiring book Maybe I was in too much of a hurry Fortunately for me one poem after another found their way through my defenses and came to my rescue Slowly but surely I began to see that inside each poem there was a gift waiting for me A gift to help open up something inside of me a new awareness an epiphany a cure for loneliness renewed courage and a call to action Finding Love Everywhere offers that same gift to you A luminous collection of original poetry set within a framework of deep wisdom from an acclaimed teacher it invites you on a journey that will move you and transform you as you awaken to the awareness of love s presence all around you The 66 poems in these pages are meditations with lyrics Robert explains They invite you to be wise to choose love and to live your most authentic life **The Face of Love** Ellen Zetzel Lambert,1996-07-01 To see beauty as the face of love rather than the arbitrary gift of fortune is to enlarge our sense of life s possibilities A woman becomes beautiful when she believes that her appearance reflects her essential self Ellen Zetzel Lambert explores the connection of physical appearance to self esteem through photography literature and life experience *Poems of Love & Life* Joseph W Svec III,Lidia Svec,2022-03-24 True love is real Once upon a time two youngsters Joseph Lidia five years apart in age met on a bus ride to a public speaking contest They began talking about life goals dreams poetry and more Over time their conversations grew into a strong friendship despite their age difference Years passed and one day they were blessed with realization that they had found their soulmates and they got engaged to be married when Joseph graduated college At the time of their engagement they had not yet kissed or even held hands for the first time One year later on the day of his graduation two best friends and soulmates were married and they never stopped courting Over the years for special occasions such as birthdays anniversaries and valentine s day or to celebrate personal moments Joseph would write rhymed and metered love poems and life poems to his beautiful bride The collection of poetry became a memoir a window into their courtship over the years As we approach our fiftieth wedding anniversary we have gathered this collection into this book *Poems of Love Life Our Courtship in Rhyme* and we are happy to share it with you the reader If it happened to us it can happen to you at any time and at any age **The Burning Flame of Love** Jean Maalouf,2017-08-17 Nothing is neither fuller nor better in heaven and earth Every authentic love story is in its essence a journey toward God and every time we truly love we unveil the face of God because God is love 1 John 4 16 No wonder Thomas Kempis affirmed that nothing is sweeter than love nothing stronger nothing higher nothing wider nothing more pleasant nothing fuller nor better in heaven and earth because love is born of God and cannot rest but in God above all things But if it is so why in the world do we find ourselves very often dissatisfied with our love life and why do we have so

many dysfunctional relationships with our families neighbors and others Why do we seem to love to hate each other and make enemies rather than friends not only with individuals and groups but also with other nations as well What is missing from our earthly love What has happened to love To these questions and to many more Dr Maalouf whose focus is one of gentle revolution in human development as leading critics said when describing his prolific works Is suggesting here a different way of seeing the reality of love Although it is based on psychological sociological philosophical and theological principles this adopted way conveys the message through a poetic contemplative and mystical method in the style of Meister Eckhart and St John of the Cross This is not intended to be a comprehensive study on love but a fresh awakening to the existential deeper and richer level of consciousness of the living love for the love of one another John 13 34 is not just a commodity for social arrangement but the evidence of our divine origin and destiny and the critical condition for our very survival Thus a book like this should be read meditatively the way one listens to a great symphony or perceives a masterpiece in an art museum and comprehensively for it is not just the total sum of its paragraphs as a symphony and a painting are not the total sum of their different notes and colors Then wonder of wonder one will realize that there is nothing more mysterious more magical more life changing than love It is indeed the philosophers stone that converts whatever it touches into a golden reality Then everything will start to make sense for nothing not even all the money in the world can buy the strength and the happiness of a true loving heart

Shakespeare's Comedy of Love Alexander Leggatt, 2013-10-11 First published in 1987 This study removes some of the critical puzzles that Shakespeare's comedies of love have posed in the past The author shows that what distinguishes the comedies is not their similarity but their variety the way in which each play is a new combination of essentially similar ingredients so that for example the boy girl changes in *The Merchant of Venice* are seen to have a quite different significance from those in *As You Like It*

[Redemption Through the Eyes of the Condemned](#) John D Montana, 2022-04-13 Not just another commentary on Romans *Redemption through the Eyes of the Condemned* makes Paul's letter come alive with a fresh perspective from a context reminiscent of Paul's that of a convicted felon in prison The combination of a seminary degree fourteen years in a state penitentiary and eight years of teaching Romans affords John Montana the ability to see parallels to prison life that can help all readers grasp Paul's most theologically dense letter Not only are terms such as condemnation justification redemption law patience and hope all too familiar to the prisoner concepts such as the old and new realm the already not yet tension and corporate identity dominate in the prison experience Montana's surprisingly accurate illustrations connect these terms and concepts to prison life and help clarify not only the more difficult passages in Romans but will stir readers to a reinvigorated viewpoint that will help enrich their devotion to the Lord

Through the Eyes of Titans: Finding Courage to Redeem the Soul of a Nation Danjuma G. Gibson,2024-01-10 Human beings tend to romanticize history or idealize historical figures This is nowhere more apparent than the civil rights era of the twentieth century The problem is that when we idealize history we fail to learn from it The result is that history repeats itself along with its sins and atrocities The January 6 Capitol insurrection and the current racial reckoning we are experiencing is unoriginal to the American experience We have been here before This book seeks to humanize people we have idealized Readers are invited to challenge racial hatred and injustice in their own context by looking to the lives of historical figures who have faced the challenges we currently face By examining the self care practices of personalities like Ida B Wells Fannie Lou Hamer Benjamin Elijah Mays and Martin Luther King Jr this book examines the practices of introspection and self work these historical figures engaged in that enabled them to fulfill the body of work they are celebrated for today By humanizing these historical titans we can emulate similar practices of self care and introspection in our own lives that can equip us in continuing the ongoing work of dismantling structures of racial hatred and oppression and promoting freedom love equity and justice to redeem the soul of a nation

Ezra Pound and the Mysteries of Love Akiko Miyake,1991 For more than a decade scholars have understood that Ezra Pound employed mystical concepts of love in his writing of The Cantos In Ezra Pound and the Mysteries of Love Akiko Miyake furthers this understanding by looking at The Cantos as a major work in the Christian mystic religious tradition The author uncovers in the five volumes of Gabriel Dante Rossetti s *Il mistero dell amor platonico del medio evo* the crucial link between The Cantos and the traditions of mystical love established by the ancient Greeks at Eleusis and borrowed by the late medieval Italian and Proven al poets Drawing upon this key five volume work as well as comprehensive research in both primary and secondary sources Miyake brings the partial perceptions of other critics and commentators into an illuminating whole Disclosing the deliberateness of The Cantos Miyake provides new insight into Pound s sense of culture and into the nature of his Confucianism She sheds light on the disastrous path Pound followed into Fascism and anti Semitism and in contrast to the image of a pagan Pound that has emerged in recent years reveals a poet writing as a Christian from within the Christian mythical tradition
