Why Does Love Hurt so Good? Ondray Pearson, 2019-10-30 Why Does Love Hurt So Good It s hard to explain why we stay with someone who isn t treating or loving them the way they should Staying some would say is foolish unhealthy and not normal and they re right but for you to understand the why you must experience loving someone first hand because until you do you have no idea the power that love has over many of us Within these stories you will read and experience what people will do to have someone love them Sex lies deception betrayal abuse and infidelity were just a few of the traits used to obtain what they thought would make them happy in their relationship As you read you will at some point have to rethink what you thought you knew about love because contrary to what many think and believe not all love is good love that we receive from those we love Readers are talking Avis Parter from Fayetteville North Carolina says It truly touched my soul I saw myself in it
