

An aerial photograph of a coastline. A road runs along the shore, and a small boat is visible in the water. The background is a mix of green and blue, representing land and water respectively. The text is overlaid on a dark, semi-transparent rectangular background.

Life is either about moving forward
or looking back. We're moving
forward again, but we'll never
forget what's back there behind us.

Looking Backbut Moving On:

Looking Back, Moving On Janice Rubin,2003-08-18 It takes courage and perseverance to revisit the days and nights of our lives and write down what we find to make a record of our lives Looking Back Moving On provides the guide to begin the adventure and helps us through the pleasures and pitfalls the joys and the sorrows that may be encountered Rubin enables us to discover that ultimately the project is the gift of self discovery we give to ourselves which enables us to go on to enjoy life to the fullest Excerpts from her students writing contribute to our feeling of being part of the creative community

Moving Forward, Looking Back Malte Hagener,2007 This book the first full critical overview of the film avant garde ushers in a new approach and in the process creates its own subject While many books have studied particular aspects of the European film avant garde of the 1920s and 1930s *Moving Forward Looking Back* provides a much needed summary of the theory and practice of the movement while also emphasizing aspects of the period that have been overlooked Arguing that a European perspective is the only way to understand the transnational movement the book also pioneers a new approach to the alternative cinema network that sustained the avant garde paying particular attention to the emergence of film culture as visible in screening clubs film festivals and archives It will be essential to anyone interested in the influential movement and the film culture it created

Moving Forward, Looking Back Sarah M. Misemer,2010 Many critical shifts in concepts of time and society s consciousness of modernity were derived from the railway and World Standard Time in the nineteenth century These innovations restructred the way people viewed the world and dealt with public and private time The forward projectile motion along a linear track mimicked the passage of public chronological time Conversely the train also invoked a private nostalgic view of tim as the traveler was yanked from his her traditional view of the space time continuum via the train s velocity Travelers observed the landscape disappear in their backward glance from the window although the landscape and interior compartment s space remained stagnant This optical illusion caused passengers to perceive the world in new ways Thus the train unveils a conflictive blend of nostalgia and progress in the River Plate as these countries move forward but look back
